

Prioritized Project List

Preview of Draft Document | May 2025

Background

- Annual / Recurring Process
- Focus on the first 10-years of the MTP, beyond the TIP
- Identifies projects for federal & state funding

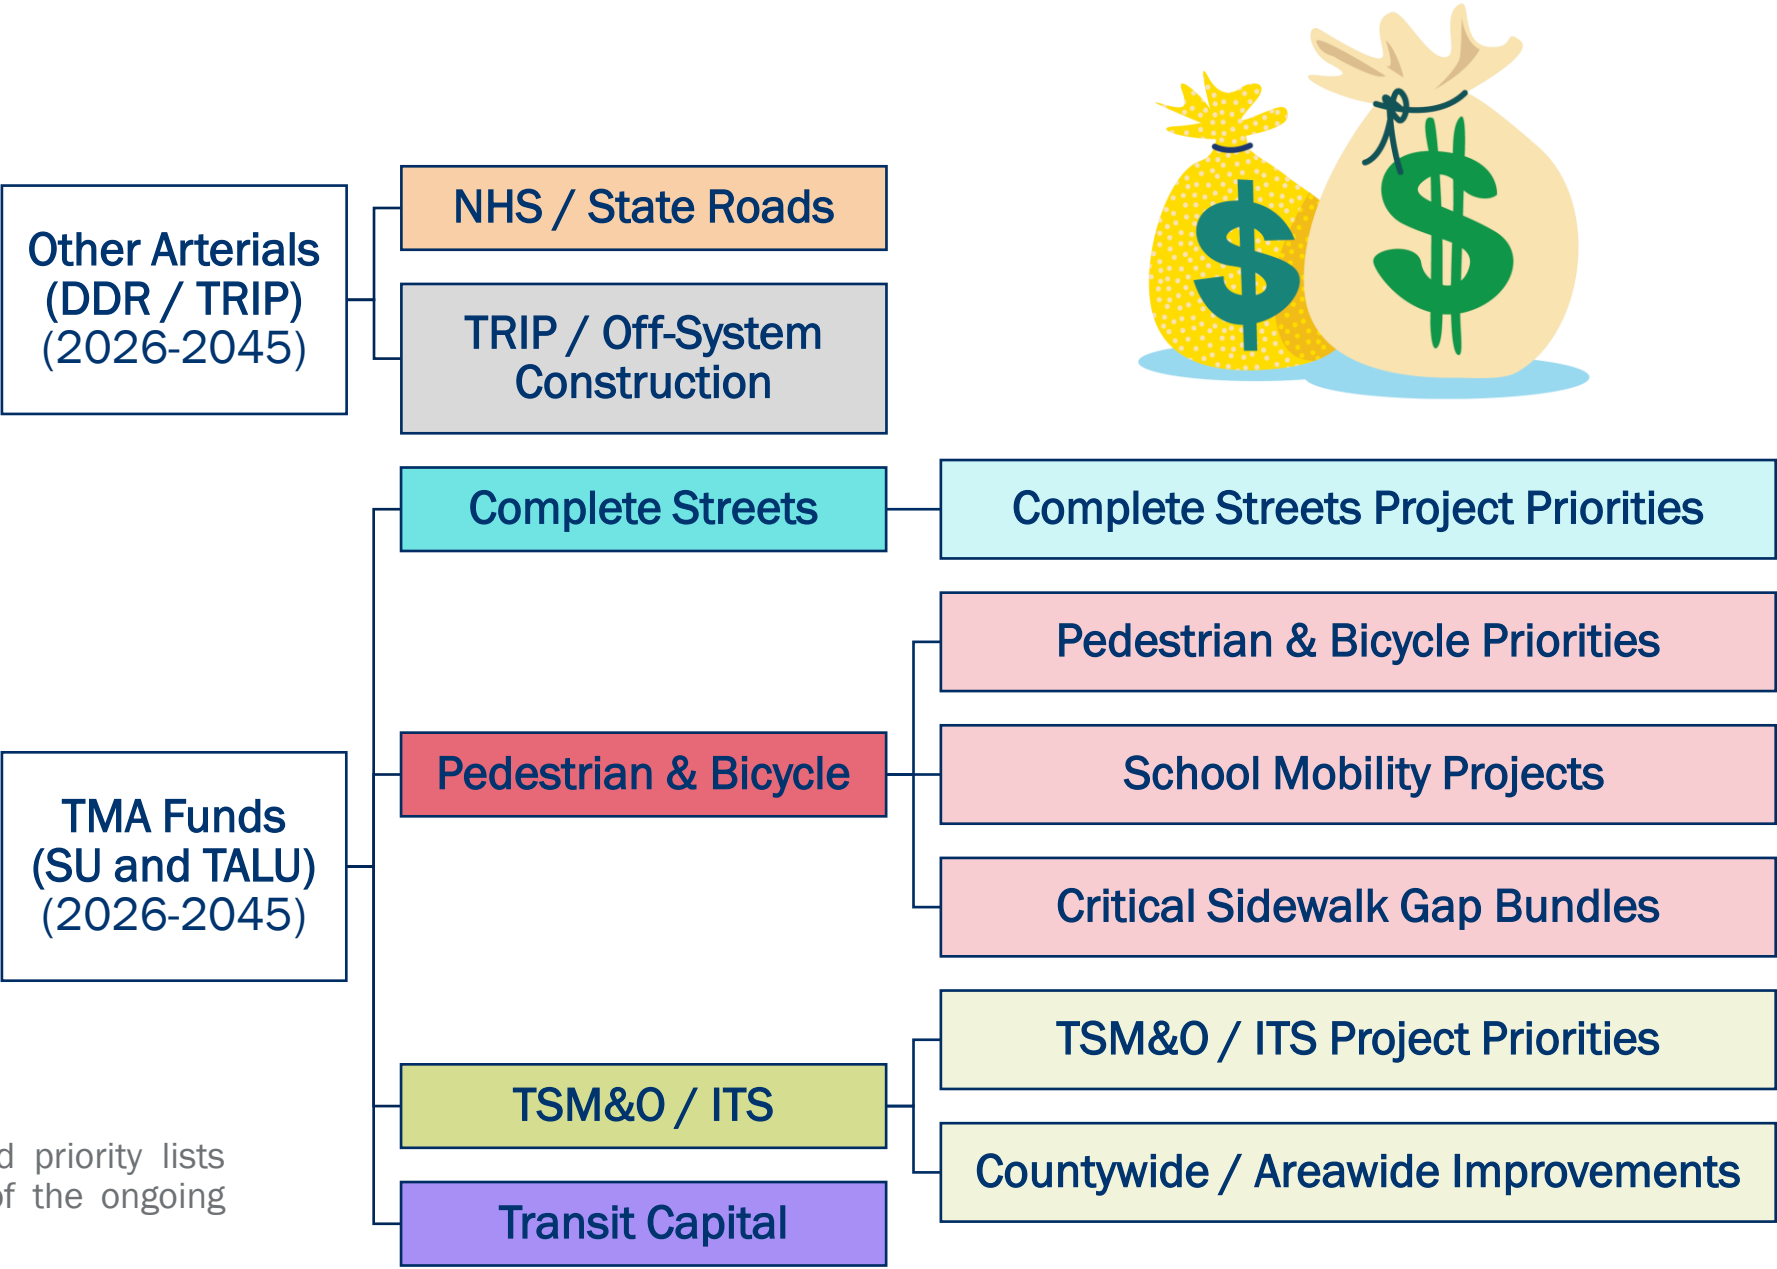

Approach and Considerations

- Ensure Planning Consistency (TIP + MTP)
- Follow Board Policy / Direction
- Advance regionally significant local projects
- Project Funding Eligibility and Availability
- Project Phasing / Readiness

2045 MTP Funding Programs & Associated Prioritized Project Lists

Note: MPO Board funding policies and priority lists currently being reconsidered as part of the ongoing 2050 MTP update process.
