RE: Request to Modify Fiscal Year (FY) 2025/26-2029/30 Transportation Improvement Program (TIP)

Dear Mr. Huttman:

The following projects received state legislative appropriations for the construction phase in FY 2026 and have been added to FDOT's Five-Year Work Program: 456990-1, 456992-1, 456993-1, 456998-1, 456999-1, 457000-1. These projects should be included in the TIP via amendment to ensure planning and programming consistency with the STIP.

The following Railroad and Utilities projects are managed by FDOT and have received new funding in FY 2026: 457472-1, 457473-1, 457474-1, 457475-1, 457524-1. These projects are eligible for federal funding and must be included in the TIP to allow for authorization of those funds.

These improvements will help to accommodate future projected traffic demand and improve driver safety and efficiency.

- Contract: T5823
 - Contractor: The Middlesex Corporation
 - Construction Cost: \$ 11.9 million
 - Project Start: November 2024
 - Estimated Completion: Fall 2025
 - **Description:** This project intends to resurface State Road (S.R.) 535 from north of U.S. 192 to south of International Drive and implement operational and safety improvements along the corridor. The intersection at Poinciana Boulevard will also be modified to allow traffic on S.R. 535 to turn right or go straight through the intersection. S.R. 535 traffic desiring to turn left onto the side street would go through the intersection, make a U-turn and then turn right onto the side street. Traffic from the side streets can go straight through the intersection or turn right or left onto S.R. 535. Other safety improvements such as curb reconstruction to shorten pedestrian crossing distances, and turn lane and traffic signal upgrades, are planned at Kyns Heath Road, Osceola Parkway eastbound on-ramp, Poinciana Boulevard and LBV Factory Stores Drive. The project will add a third left turn lane from southbound S.R. 535 onto eastbound U.S. 192. Pedestrian crosswalks and upgrade pedestrian signals, as well as enhanced lighting at signalized intersections, are also planned.

[448783-1](#) | U.S. 192 from Bamboo Lane to Main Street

- Contract: T5843
- Contractor: Hubbard Construction Company
- Construction Cost: \$26 million
- Project Start: July 2025
- Estimated Completion: Late 2026

The project also proposes pedestrian safety by adding signalized crossing opportunities at Club Sevilla, south of Four Winds Boulevard and at Oren Brown Road. At Club Sevilla, the project proposes to add a pedestrian activated signal and reconstruct the existing bi-directional median. The crossing near Four Winds Boulevard will be equipped with a Pedestrian Hybrid Beacon (PHB), and there will be a new traffic signal, pedestrian signals, and crosswalks at Oren Brown Road. A turn lane extension and pedestrian improvements at Old Vineland Road are also planned, as well as pedestrian curb ramp upgrades and sidewalk connections at Yates Road and Mann Street.

445316-1 | S.R. 46 from U.S. 17-92 to Mellonville Avenue

- Contract: E57B2
- Contractor: Masci General Contractors, Inc.
- Project Cost: \$5.7 million
- Project Start: September 2024
- Estimated Completion: Complete
- **Description:** This project will improve safety and operations along State Road (S.R.) 46 from French Avenue (U.S. 17-92) to Mellonville Avenue in Sanford. The project proposes widening the sidewalk on the westbound side of S.R. 46 to 10 feet to enhance pedestrian mobility and accommodate bicycles. The sidewalk on the eastbound side of S.R. 46 will remain. The wider sidewalk is possible by changing the travel lane widths. The proposed widths are 11 feet for the outside lanes and 10 feet for inside lanes. A 6-foot-wide bicycle lane will also be added along eastbound S.R. 46, creating connectivity to the existing bicycle lane on Mellonville Avenue. To enhance safety, sections of raised, grassed or landscaped medians are included. The medians enhance safety by reducing the possibility of left turn and angle crashes at intersections.

Update: The project received final acceptance on 8/15/2025.
