

Transportation Systems Management & Operations Advisory Committee AGENDA

December 5, 2025, 8:30 AM

Transportation Systems Management and Operations (TSMO) Advisory Committee

DATE & TIME:

Friday, December 5, 2025, at 8.30 a.m.

LOCATION:

MetroPlan Orlando
250 S. Orange Ave., Ste. 200, Orlando, FL 32801
Parking Garage: 25 W. South St.

[CLICK HERE TO JOIN VIRTUALLY](#)

MEMBERS OF THE PUBLIC ARE WELCOME!

Participate at the location above or online from your computer, smartphone or Sectionlet. Zoom meeting ID and dial-in info available here on [web calendar](#).

WiFi available | Network: MpoGuest | Password: mpoaccess

I.	CALL TO ORDER	Chairman, Lee Pulham
II.	CHAIR'S ANNOUNCEMENTS	Chairman, Lee Pulham
III.	AGENDA REVIEW	Mr. Eric Hill
IV.	AGENCY REPORTS	Agency Staff
V	ROLL CALL & CONFIRMATION OF QUORUM	Ms. Rachel Frederick
VI.	PUBLIC COMMENTS ON ACTION ITEMS	

Comments on *Action Items* can be made in two ways:

1. In person at the meeting location listed at the top of this agenda.
2. Virtually via Zoom. Use the 'raise hand' feature during public comment to indicate you want to speak.

How to comment:

1. Complete an electronic speaker card at MetroPlanOrlando.gov/SpeakerCard. Hard copies of the speaker card are available in the meeting room and should be turned into MetroPlan Orlando staff. The chairperson will call on each speaker.
2. Each speaker has two minutes to address the board and should state his/her name and address for the record.

If your comment does not pertain to action items on the agenda, you may comment at the general public comment period at the end of the meeting.

VII.	ACTION ITEMS	Section 1 - 3
A.	October 24, 2025, Meeting Minutes (Section 1) Requesting approval. Meeting Minutes are provided in Section 1 .	Chairman, Lee Pulham
B.	Adoption of 2050 Metropolitan Transportation Plan (Section 2) Requesting Approval of the Adoption of the 2050 Metropolitan Transportation Plan (MTP). Action Item Fact Sheet provided in Section 2 .	Ms. Taylor Laurent MetroPlan Orlando
C.	Amendments to the FY 2025/26 - FY 2029/30 Transportation Improvement Program (Section 3) Requesting Approval of Amendments to the FY 2025/26 – FY 2029/30 Transportation Improvement Program. Letters from Florida's Turnpike Enterprise and the Florida Department of Transportation explaining the amendment requests is included in Section 3 , along with a summary prepared by MetroPlan Orlando staff and the draft resolution to be presented at the upcoming Board meeting.	Mr. Alex Trauger MetroPlan Orlando
D.	Election of TSMO Officers 2026 Report from TSMO Officer Selection Subcommittee to nominate and elect Chair and Vice-Chair for 2026.	Mr. Eric Hill MetroPlan Orlando
E.	Adoption of 2026 TSMO Bylaws (Section 4) Adoption of the updated TSMO Bylaws is requested by the Officer Selection and Bylaws Review Subcommittee. A copy of the Bylaws with noted changes is included in Section 4 .	Mr. Eric Hill MetroPlan Orlando
VIII.	PRESENTATIONS & STATUS REPORTS	
A.	Osceola County Traffic Signal Retiming Evaluations A presentation on Osceola County Signal Retiming Evaluations.	Mr. Carlos Bonilla Osceola County
B.	Seminole County Traffic Signal Performance A presentation on Seminole County Traffic Signal Performance program.	Mr. Charlie Wetzel Seminole County

IX. COMMON PRESENTATIONS & STATUS REPORTS		
A.	Presentation and Annual Report on Best Foot Forward Pedestrian Safety Initiative	Ms. Emily Bush Bike Walk Central Florida
	Best Foot Forward focuses on getting more drivers to yield and stop for pedestrians in marked crosswalks, as Florida law requires. Best Foot Forward works to accomplish this goal using the proven, “Triple-E” approach of combining community education with low-cost engineering changes and high-visibility enforcement. The full annual report on the Best Foot Forward pedestrian safety initiative can be viewed at: Best Foot Forward Annual Report	
B.	Metroplan Orlando 2023 – 2024 Retiming Before/After Study	Mr. Eric Hill MetroPlan Orlando
	A presentation on the MetroPlan Orlando 2023 – 2024 Retiming Before/After Study.	
C.	Presentation and Discussion: 2026 Call for Projects Guidelines (<i>TAC Only Presentation</i>)	Mr. Alex Trauger MetroPlan Orlando
	A follow-up from the October 2025 TAC meeting - Presentation and Status Update based on the November 20th Working Group Meeting relating to the proposed guidelines for the 2026 Call for Local Agency Safety Countermeasure Projects.	
X. GENERAL INFORMATION		Section 5
A.	FDOT Monthly Construction Status Report – 2025 FDOT Monthly Construction Status Reports for the MetroPlan Orlando area are enclosed.	
B.	Highlights from November 12, 2025, MetroPlan Orlando Board Meeting – A series of highlights and notable actions from the most recent MetroPlan Orlando Board Meeting.	
C.	Air Quality Report – The latest air quality report for the MetroPlan Orlando area is enclosed.	
D.	LYNX Press Release – a press release from LYNX detailing proposed service changes and other relevant information is enclosed.	
E.	Bicycle and Pedestrian Report - A report on bicycle and pedestrian projects in the MetroPlan Orlando region is enclosed for information purposes.	
F.	Approved 2026 MetroPlan Orlando Committee Meeting Calendar – A copy is enclosed.	
G.	Fiscal Year 2024/25 Federally Obligated Funds Report - The FY 2024/25 Federally Obligated Funds Report can be viewed at: https://metroplanorlando.gov/wp-content/uploads/MetroPlan-Orlando-FY-2024_25-Federally-Obligated-Funds-Report.pdf .	
H.	2024/25 BEBR Population Comparison - the University of Florida’s Bureau of Economic and Business Research (BEBR) has published annual population estimates for 2025. A comparison of estimates from 2024 to 2025 is enclosed for information purposes.	

XI. UPCOMING MEETINGS OF INTEREST

A list of selected upcoming meetings to be held at MetroPlan Orlando's office. For more information and a full list of upcoming meetings, visit the [MetroPlan Orlando Calendar](#)

- A. MetroPlan Orlando Board – December 10, 2025**
- B. Vision Zero Speaker Series – December 16, 2025**
- C. LYNX Board (at LYNX Central Station) – January 22, 2026**
- D. Central Florida Commuter Rail Commission (at LYNX Central Station) – January 22, 2026**
- E. TSM&O Advisory Committee (TSMO) – January 23, 2026**
- F. Technical Advisory Committee (TAC) – January 23, 2026**
- G. Quality Assurance Task Force – January 27, 2026**
- H. Community Advisory Committee (CAC) – January 28, 2026**
- J. Municipal Advisory Committee (MAC) – February 5, 2026**
- K. MetroPlan Orlando Board – February 11, 2026**
- L. Transportation Disadvantaged Local Coordinating Board (TDLCB) – February 12, 2026**
- M. Central Florida MPO Alliance – February 23, 2026**

XII. MEMBER COMMENTS

XIII. PUBLIC COMMENTS (GENERAL)

Public comments of a general nature can be made in two ways:

1. In person at the meeting location listed on page 1 of this agenda.
2. Virtually via Zoom. Use the 'raise hand' feature during public comment to indicate you want to speak.

How to comment:

1. Complete an electronic speaker card at MetroPlanOrlando.gov/SpeakerCard. Hard copies of the speaker card are available in the meeting room and should be turned in to MetroPlan Orlando staff. The chairperson will call on each speaker.
2. Each speaker has two minutes to address the board and should state his/her name and address for the record.

XIV. ADJOURNMENT

Public participation is conducted without regard to race, color, national origin, sex, age, disability, religion, or family status. Persons wishing to express concerns, who require special assistance under the Americans with Disabilities Act, or who require language services (free of charge) should contact MetroPlan Orlando by phone at (407) 481-5672 or by email at info@metroplanorlando.gov at least three business days prior to the event.

La participación pública se lleva a cabo sin distinción de raza, color, origen nacional, sexo, edad, discapacidad, religión o estado familiar. Las personas que deseen expresar inquietudes, que requieran asistencia especial bajo la Ley de Americanos con Discapacidad (ADA) o que requieran servicios de traducción (sin cargo) deben ponerse en contacto con MetroPlan Orlando por teléfono (407) 481-5672 (marcar 0) o por correo electrónico info@metroplanorlando.gov por lo menos tres días antes del evento.

A REGIONAL TRANSPORTATION PARTNERSHIP

Transportation Systems Management and Operations (TSMO)
Advisory Committee

MEETING MINUTES

DATE: Friday, October 24, 2025
TIME: 8:30 a.m.
LOCATION: MetroPlan Orlando
David L. Grovdahl Board Room
250 South Orange Avenue, Suite 200
Orlando, Florida 32801

Chair Lee Pulham, Presiding

Members Present:

Mr. Lenny Barden, City of Altamonte Springs
Mr. Cameron Crandell for Mr. Naol Barkessa, City of St. Cloud
Ms. Sydney Boswell, City of Lake Mary
Ms. Kenna Henry for Dr. Kelly Brock, City of Casselberry
Mr. Arisse Caba, City of Orlando
Mr. Jack Lott for Ms. Christina Colón, Osceola County
Mr. Chris DeLoatche, GOAA
Ms. Alyssa Eide, City of Maitland
Mr. Hazem El-Assar, Orange County
Ms. Tonya Elliot Moore, Town of Windermere
Mr. David Gomez, City of Kissimmee
Mr. Eric Gordin, FTE
Ms. Louann Huynh, UCF
Mr. Doug Jamison, LYNX
Mr. Butch Margraf, MPO Appointee
Mr. Adam Mendenhall, City of Sanford
Mr. Jeremy Owens, Orlando Sanford International Airport
Mr. Arturo Perez, Seminole County
Mr. Phil Price, City of Belle Isle

Ms. Lee Pulham, Central Florida Tourism Oversight District
Mr. Charles Ramdatt, City of Winter Park
Mr. Isaiah Sadler, City of Orlando
Mr. Brian Sanders, Orange County
Mr. Clete Saunier, City of Winter Springs
Mr. Ramon Senorans, Kissimmee Gateway Airport
Ms. Dalita Singh, Central Florida Expressway Authority
Mr. Shad Smith, City of Longwood
Mr. Charlie Wetzel, Seminole County
Mr. Bill Wharton, City of Apopka
Mr. Daniel Bollone for Mr. Jonathan Williams, City of Winter Garden (virtual)
Mr. Gary Yeager, Osceola County
Mr. Paul Yeargain, City of Oviedo

Voting Members Absent:

Mr. Milen Womack, City of Ocoee

Non-Voting Members/Advisors Absent:

Mr. Richard Horn, City of Edgewood
Vacant, Town of Eatonville
Vacant, Town of Oakland
Vacant, Orange County CTST
Vacant, Osceola County CTST
Vacant, Seminole County, CTST

Others in Attendance:

Mr. Jonathan Scarfe, FDOT District 5
Ms. Katina Kavouklis, Florida Turnpike Enterprise
Mr. Gary Huttman, MetroPlan Orlando
Ms. Virginia Whittington, MetroPlan Orlando
Mr. Alex Trauger, MetroPlan Orlando
Mr. Eric Hill, MetroPlan Orlando
Ms. Mary Ann Horne, MetroPlan Orlando
Ms. Taylor Laurent, MetroPlan Orlando
Ms. Lara Bouck, MetroPlan Orlando
Mr. Mighk Wilson, MetroPlan Orlando
Ms. Sarah Larsen, MetroPlan Orlando
Mr. Slade Downs, MetroPlan Orlando
Mr. Jason Sartorio, MetroPlan Orlando
Ms. Lisa Smith, MetroPlan Orlando
Ms. Rachel Frederick, MetroPlan Orlando

I. CALL TO ORDER

Chair Lee Pulham called the meeting to order at 8:30 a.m. and welcomed everyone. Chair Lee Pulham detailed the meeting guidelines and the public comment procedures.

II. CHAIRS ANNOUNCEMENTS

None

III. AGENDA REVIEW

Mr. Eric Hill invited members to remain for the TAC meeting to watch a presentation on '2050 MTP Boxed Fund Application Discussion', and also a 'Status Update: 2050 Metropolitan Plan (MTP)'. He shared the success of The Blind Experience, an event that MetroPlan Orlando has been organizing for several years, where attendees experience navigating a busy downtown street without visual cues.

Mr. Hill reminded members of future events:

- Bike Walk Central Florida, 9th Annual BIKE 5 - October 25th [BIKE 5 | Cities & Main Streets! | Bike/Walk Central Florida](#)
- Florida Bike Association Summit – November 14th [Florida Bicycle Association | Join the Movement](#)
- Florida Automated Vehicle summit on November 5 -7 [2025 FAV Summit | Autonomous Vehicle Conference](#)

Mr. Hill noted MetroPlan Orlando office closures on November 11th, 27th, and 28th.

Recognizing new members, Mr. Hill welcomed Mr. Arisse Caba, City of Orlando, Mr. Jeremy Owens, Orlando Sanford International Airport, and Mr. Daniel Bollone, City of Winter Garden.

Mr. Hill welcomed Mr. Mighk Wilson to present the Safety Moment for October, featuring pedestrian safety. He stated that in the last couple of years there has been a decline in pedestrian fatalities, which reflects a reduction in alcohol and drug use – by both drivers and pedestrians. Mr. Wilson showed the comparison of 2024-25 vs. 2017-23 with a downward trend in most categories of pedestrian fatalities, and unimpaired pedestrian fatalities being the only increase over the time period noted. He stated that these trends are related to a nationwide decline in alcohol consumption and drug use - particularly in younger drivers, with Gen Z involved in 70% fewer impaired related fatalities compared to older generations, which dropped only by 31%.

IV. AGENCY REPORTS – FDOT

No agency report.

V. ROLL CALL & CONFIRMATION OF QUORUM

Ms. Rachel Frederick conducted the roll call and confirmed there was a quorum.

VI. PUBLIC COMMENTS ON ACTION ITEMS

None.

VII. ACTION ITEMS

A. August 22, 2025, TSMO Meeting Minutes

Approval is requested of the meeting minutes for August 22, 2025.

MOTION: Mr. Hazem El-Assar moved to approve the August 22, 2025, TSMO meeting minutes, Mr. Shad Smith seconded the motion. Motion passed unanimously.

B. Amendments to Transportation Improvement Plan (TIP) FY 2025/26 – FY 2029/30

Mr. Jason Sartorio presented twelve TIP amendments, which consisted of six new projects which are receiving State Legislative Appropriation and are programmed for construction in FY 2026. Five further projects listed were new railroad projects which are receiving RHH funds for RRU phase in FY 2026. The final amendment was to add funds to the existing LYNX 5310 project.

Mr. Sartorio asked for the recommended approval of the TIP Amendments of the FY 2025/26 – FY 2029/30, as presented.

MOTION: Mr. Charles Ramdatt recommended approval of the TIP Amendments FY 2025/26 – FY 2029/30 TIP as presented. Mr. Shad Smith seconded the motion, which passed unanimously.

C. Appointment of Officer Selection Subcommittee

Mr. Hill requested volunteers to be part of the Selection Subcommittee. Mr. Gary Yeager (Osceola), Mr. Shad Smith (Seminole), and Mr. Hazem El-Assar (Orange County) all volunteered.

MOTION: Mr. Bill Wharton moved to approve the Selection Subcommittee as presented. Mr. Shad Smith seconded the motion, which passed unanimously.

D. Draft 2026 MetroPlan Orlando Committee Meeting Calendar

Mr. Hill presented the draft meeting schedule for the calendar year 2026.

MOTION: Mr. Hazem El-Assar moved to approve the meeting schedule as presented. Mr. Shad Smith seconded the motion, which passed unanimously.

VIII. PRESENTATIONS & STATUS REPORTS

A. MetroPlan Orlando 2023 – 2024 Retiming Before/After study.

Mr. Eric Hill presented on the annual Retiming study. He outlined why the signal timing program takes place and noted they had retimed across 4 independent intersections and 20 corridors this time. Mr. Hill brought attention to the handout which covered the information within this presentation. He also introduced Ms. Jennifer Musselman – Kittleson, who was attending virtually and had worked extensively on this project along with Mr. Hill.

Mr. Hill shared slides which showed the locations of the corridors retimed. He noted that over time, as the number of traffic signals increase in the region, so do the requests for retiming and retiming all requested are not possible. He outlined how the data is collected, the performance metrics, and then shared the project results. The overall benefit costs (b/c) ratio was -0.4, however Mr. Hill would like to discuss other ways of measuring this work. He shared a graphic which detailed the historic benefit-cost ratio and highlights how this figure has had a fairly consistent downward trend over time. He stated there is only so much signal retiming you can do and the signals may already be well optimized.

Mr. Hill stated with the project for next year he would like more coordination between the maintaining agencies and vendors and discussion with Kittelson on how to evaluate the work.

Member discussion included suggestions of different metrics, how data collection can be impacted and how the retiming effort is coordinated. Also to make roads more efficient for all modes of transit including pedestrians and not just vehicles. It was agreed that there is a need to modify how this program is done to be more reflective of what it is we are trying to accomplish. Further member discussion ensued. Mr. Hill agreed a meeting with the consultants, vendors and the TSMO Study Group would be beneficial.

B. TSMO Update: City of Altamonte Springs

Mr. Lenny Barden – City Engineer, City of Altamonte Springs presented on two topics, beginning with their Autonomous Vehicle Shuttle Program (CraneRIDES). He explained what CraneRIDES is and the route expansions that will connect the Altamonte Mall with both Advent Health and SunRail. He shared data stating the number of riders, and the percentage of down time when the service was not able to operate. Mr. Barden noted 61% of total downtime was preventable, and 39% was the non-preventable downtime such as weather interruptions, city events, holiday closures etc.

Mr. Barden then outlined the next steps in connecting the Seminole State College to the Advent Health Corporate campus, and highlighted the next generation vehicle – KARSAN which will be introduced in January. He outlined the differences to the current autonomous vehicle used and how this vehicle will not suffer downtime due to weather interruptions.

On the second topic, Mr. Barden presented on Robocist – the innovated roadway pavement assessment tool the city is deploying. Road Triage, by Robocist is an advanced AI-powered software tool designed to automate the assessment of road conditions, providing real-time data to help municipalities make smarter decisions about infrastructure maintenance. Mr. Barden explained it uses your cell phone video camera using AI and machine learning to identify road cracks, potholes, road stress etc. as you drive the streets. His aim is to be proactive with this tool, rather than reactive and identify issues before their condition worsens – reconstruction is four times more costly than resurfacing. He stated that they were able to cover the entire city over four days with three people, and the uploaded data was available two days later. The benefits to safety also mean with this data the city can become proactive in saving lives.

Mr. Barden outlined the process of data capture and the assessment maps generated which identify any road issues. He explained how they then can update as work is completed. Mr. Barden followed with a live demonstration of the web portal, the statistics, and the details it offers of your collected data. He explained some of the challenges they have worked to resolve including teaching the AI to better identify the type of issue that needs attention.

Mr. Barden concluded with a chart demonstrating the reduction in crashes and serious injuries across the state, region and city of Altamonte Springs from 2023 - 2024. With the new tools and measures being used having a significantly positive impact in reducing those numbers across the city. Mr. Barden encouraged the members to consider using such tools and invited members to contact him for any further information.

Member discussion ensued including pricing structure of Robocist, and method of data collection. Mr. Barden confirmed real-time data of the CraneRIDES will be shared with SunRail and Lynx.

IX. COMMON PRESENTATIONS & STATUS REPORTS

The following common presentations were on the agenda for the Technical Advisory Committee meeting immediately following the TSMOAC meeting.

**A. Status Update: 2050 Metropolitan Transportation Plan (MTP)
(Section 4)**

Ms. Taylor Laurent
MetroPlan Orlando

A preview of the 2050 MTP including the Cost Feasible Plan. This is an opportunity to provide feedback prior to next month's adoption action on the 2050 MTP. A monthly status report is provided in Section 4.

**B. Informational Presentation on FDOT District 5: Tentative Five-Year
Work Program**

Mr. Jonathan Scarfe
FDOT

The FDOT Tentative Five-Year Work Program is the proposed list of projects under consideration for funding. The Work Program only includes projects with state or federal funding. The Five-Year Work

Program includes planning activities, preliminary engineering, right-of-way acquisition, construction, and public transportation projects.

C. Informational Presentation on Florida's Turnpike Enterprise: Tentative Five-Year Work Program

Ms. Katina Kavouklis
Florida Turnpike
Enterprise

The Florida Turnpike Enterprise Tentative Five-Year Work Program is the proposed list of projects under consideration for funding. The Turnpike's Work Program includes toll revenue funded projects. The Five-Year Work Program includes planning activities, preliminary engineering, right-of-way acquisition, construction, and maintenance projects.

D. 2050 MTP Boxed Fund Application Discussion* (*TAC only presentation section*)

Mr. Alex Trauger
MetroPlan Orlando

Presentation and preliminary discussion for a proposed annual application and review process for boxed High Injury Network safety project funding identified in the 2050 MTP

X. GENERAL INFORMATION

- A. FDOT Monthly Construction Status Report** – August & September 2025 FDOT Monthly Construction Status Reports for the MetroPlan Orlando area was enclosed.
- B. Highlights from September 9, 2025, MetroPlan Orlando Board Meeting** – A series of highlights and notable actions from the most recent MetroPlan Orlando Board Meeting.
- C. Air Quality Report** – The latest air quality report for the MetroPlan Orlando area was enclosed.
- D. PD&E Tracking Status Report** - A report providing the latest status of the PD&E studies currently underway in the MetroPlan Orlando area was enclosed.
- E. LYNX Press Release** – a press release from LYNX detailing proposed service changes and other relevant information was enclosed.
- F. TIP Modification Letter** – A letter explaining modifications to the FY 2025/26 – FY 2029/30 Transportation Improvement Program (TIP) was included.
- G. 2025 Florida Autonomous Vehicle Summit** – the annual Florida Autonomous Vehicle Summit will be held November 5-7 in Orlando at the Omni Champions Gate Resort. For more details, please visit <https://favsummit.com/>

XI. UPCOMING MEETINGS OF INTEREST

A list of selected upcoming meetings is below. For more information and a full list of upcoming meetings: [MetroPlan Orlando Meeting Calendar](#)

- A. Quality Assurance Task Force – October 28, 2025
- B. **MetroPlan Orlando Board – November 12, 2025**
- C. Transportation Disadvantaged Local Coordinating Board (TDLCB) – November 13, 2025
- D. **TDLCB Public Meeting – November 13, 2025**
- E. Vision Zero Task Force – November 18, 2025
- F. Central Florida Commuter Rail Commission (*at LYNX Central Station*) – November 18, 2025
- G. Community Advisory Committee (CAC) – December 3, 2025
- H. Municipal Advisory Committee (MAC) – December 4, 2025
- I. **TSM&O Advisory Committee – December 5, 2025**
- J. Technical Advisory Committee (TAC) – December 5, 2025
- K. **MetroPlan Orlando Board – December 10, 2025**
- L. LYNX Board (*at LYNX Central Station*) – December 11, 2025

XII. MEMBER COMMENTS

None

XIII. PUBLIC COMMENTS (GENERAL)

Ms. Joanne Counelis, Seminole County commented, requesting mass transit for all residents, 24 hrs. a day, 7 days a week.

XIV. ADJOURNMENT

Chair Lee Pulham adjourned the meeting of the Transportation Systems Management & Operations Advisory Committee at 9:54 a.m. The meeting was recorded and transcribed by Ms. Rachel Frederick.

Approved this 5th day of December 2025.

Ms. Lee Pulham, Chairman

Ms. Rachel Frederick, Board
Services Coordinator

As required by Section 286.0105, Florida Statutes, MetroPlan Orlando hereby notifies all interested parties that if a person decides to appeal any decision made by MetroPlan Orlando with respect to any matter considered at such meeting or hearing, he or she may need to ensure that a verbatim record is made to include the testimony and evidence upon which the appeal is to be based.

Section 2

Board Action Fact Sheet

Meeting Date: December 10, 2025

Agenda Item: IX.A (Section 2)

Roll Call Vote: Yes

Action Requested: Board approval is requested for the 2050 Metropolitan Transportation Plan (MTP) – Resolution No. 25-12.

Reason: Federal and state regulations require MPOs to develop Metropolitan Transportation Plans (MTPs) through a performance-driven, outcome-based approach. The Plan must cover a 20-year horizon and is required to be updated every five years. Projects and programs must be in the Plan to receive federal and state funding. The MTP/LRTP was last updated December 9, 2020. Staff requests the Board take action to adopt the 2050 MTP and regional Congestion Management Process.

Summary/Key Information: The 2050 MTP was prepared cooperatively with partner agencies and engaged members of the public throughout the planning process. The Plan was adequately noticed and was made readily available for public review and comment, including electronically accessible formats. The 2050 MTP identifies roadway, transit, TSM&O, and active transportation (bicycle and pedestrian) facility improvements which are described in detail within the twenty chapters of the 2050 MTP and the Congestion Management Process. The Cost Feasible Plan (Chapter 19) identifies transportation projects that are expected to be able to be funded by the year 2050 within the Metropolitan Planning Area. Total value of the 2050 MTP Cost Feasible Plan is estimated at \$29.6 billion in federal, state, local, and toll funding.

MetroPlan Budget Impact: None.

Local Funding Impact: None.

Committee Action:

CAC:	To be taken up on December 3, 2025
MAC:	To be taken up on December 3, 2025
TSMO:	To be taken up on December 5, 2025
TAC:	To be taken up on December 5, 2025

Staff Recommendation: Recommends approval of the 2050 MTP.

Supporting Information: These documents are provided at Section 2:

- 2050 MTP Adopting Resolution 25-12
- 2050 MTP Summary of Plan Revisions (Draft vs Final)
- Official Record of Public Comments

Given the size of the file, the 2050 MTP Cost Feasible Plan is accessible at:

https://metroplanorlando.gov/wp-content/uploads/2050-MTP_Chapter19_Cost-Feasible-Plan_Draft_8-22-2025.pdf

Other 2050 MTP Technical Documentation is accessible at:
www.MetroPlanOrlando.gov/2050

Approval of the Orlando and Kissimmee Urbanized Areas' 2050 Metropolitan Transportation Plan

WHEREAS, MetroPlan Orlando is the duly designated and constituted body responsible for carrying out the urban transportation planning and programming process for the Orlando and Kissimmee Urbanized Areas; and

WHEREAS, Federal regulations 23 C.F.R. 450.306, 450.322, 450.324; 23 U.S.C. 134; Florida Statutes 339.175; 334.046, and 339.175; require that urban areas, as a condition to the receipt of federal capital or operating assistance, have a continuing, cooperative, and comprehensive transportation planning process that results in plans and programs consistent with the comprehensively planned development of the urban area; and

WHEREAS, a primary responsibility of MetroPlan Orlando, as the MPO, is the development and adoption of a Metropolitan Transportation Plan (formerly: Long Range Transportation Plan) for the Orlando and Kissimmee Urbanized Areas and approved Metropolitan Planning Area; and

WHEREAS, the 2050 Metropolitan Transportation Plan is multimodal in scope and considers the transportation needs of the region as well as identifying what is financially feasible to accomplish; and;

WHEREAS, the 2050 Metropolitan Transportation Plan identifies roadway, transit, technology, safety, and bicycle and pedestrian transportation facility improvements, all of which are incorporated as part of this plan; and

WHEREAS, the 2050 Metropolitan Transportation Plan establishes MetroPlan Orlando's Congestion Management Process (CMP) to improve efficiency, reliability and safety through implementation of Transportation Systems Management and Operations (TSM&O) solutions and continued performance monitoring; and

WHEREAS, the 2050 Metropolitan Transportation Plan also incorporated by reference aspects of the Florida Transportation Plan (FTP) and its safety and modal-focused plans, Expressway Authority Master Plans and Transit Development Plans (TDP); and

WHEREAS, the 2050 Metropolitan Transportation Plan consists of a Cost Feasible Plan element and an Unfunded Needs Plan element; and

WHEREAS, the Cost Feasible Plan identifies transportation projects that we expect to be able to fund, within an acceptable margin of estimation for both costs and revenues, by the year 2050 within Central Florida; and

WHEREAS, MetroPlan Orlando is committed to supporting and seeking the advancement of a comprehensive transportation system that places a high priority on safety as well as on transportation projects that facilitate the use of many different modes and accommodate a comprehensive group of users; and

WHEREAS, as a Due Diligence Disclosure Statement, the 2050 Metropolitan Transportation Plan acknowledges certain uncertainties that may affect the plan, including:

1. New federal transportation legislation in the future may alter the revenue estimates used in the preparation of the Year 2050 Metropolitan Transportation Plan.
2. FDOT revenue estimates used for the preparation of the 2050 Metropolitan Transportation Plan may change as a result of differing fuel tax collections, new federal transportation legislation and/or state funding policy changes.
3. The development of funding plans and their sources for such toll roads and components of the Central Florida Expressway Authority Master Plan and Florida Turnpike Enterprise Work Program.
4. The identification of new and/or alternate funding sources that could make federal and/or state funds currently programmed available for programming to other transportation projects; and

WHEREAS, it is acknowledged that as the uncertainties are resolved, the 2050 Metropolitan Transportation Plan will be revised as appropriate; and

WHEREAS, both the proposed funded and unfunded transportation projects within the 2050 Metropolitan Transportation Plan have been presented for public review and comment in a public meeting, and the comments received from the public review process have been reported to and considered by the MetroPlan Orlando Board;

NOW, THEREFORE, BE IT RESOLVED by the MetroPlan Orlando Board in its capacity as the Orlando Urbanized Area Metropolitan Planning Organization that the 2050 Metropolitan Transportation Plan is hereby approved as the adopted long range transportation plan for the Orlando and Kissimmee Urbanized Areas, superseding and replacing all previously adopted plans. The 2050 Plan:

- A. Sets the Direction for System Growth and Investment for the Next 25 Years
 - a. Identifies a multimodal transportation vision for long-term future projects in Orange, Osceola and Seminole Counties that includes roadway (Context-based Design, Capacity, and TSM&O) and transit projects, and identifies a Needs and Cost Feasible Plan based on goals, objectives, and targets.
 - b. The Cost Feasible Plan is established with a forecasted cost, based on year of expenditure, of \$29.6 billion for federal, state, local, and toll funded projects.
 - c. The Cost Feasible Plan follows the TMA funding allocation policy, directing eligible urbanized area funds to Off-State Highway System multimodal projects; and allocates funding annually to each of the following programs: Special Planning Studies, Safety Planning Studies, School Mobility, Signal Retiming, Regional Travel Data and Analyses, and Outreach and Training.
 - d. The Cost Feasible Plan includes:
 - i. 61 multimodal projects and programs on the National/State Highway System totaling \$1.1 billion;
 - ii. 2 high injury network countermeasures programs totaling \$146 million;
 - iii. 31 Context-based Design projects and programs totaling \$154 million;
 - iv. 30 TSM&O projects and programs totaling \$135 million;
 - v. 15 active transportation projects and programs totaling \$45 million; and
 - vi. \$13.3 billion in federal, state, and local transit investment (Capital, Operations & Maintenance).
- B. Coordinates Transportation System, Land Use and Funding
 - a. Land Use – Consistent with local government Comprehensive Plans, the 2050 Metropolitan Transportation Plan examines the impacts of land use and development upon the transportation system.
 - b. Funding – The 2050 Metropolitan Transportation Plan’s investment in the transportation system, based on existing revenue sources, is clearly unable to keep pace with the area’s population growth and its associated mobility needs.

- c. Year of Expenditure – The plan addresses Year of Expenditure requirements by forecasting inflation factors and programming projects in five-year increments (2026 - 2030, 2031 - 2035, 2036 - 2040) and a ten-year increment (2041-2050) for the final years of the Plan.
 - d. Coordination – The plan incorporates and includes coordination with the Central Florida Expressway Authority, FDOT, Florida’s Turnpike Enterprise, LYNX, SunRail, the Greater Orlando Aviation Authority, Sanford Airport Authority, and the Kissimmee Gateway Airport Authority plans and programs.
 - e. Other Factors – The plan includes future active transportation improvements; freight and goods movement strategies, environmental mitigation considerations, and recommendations for improving transportation system resilience, safety, and reliability.
- C. Is Guided by a Public Participation Plan and Incorporates Public Feedback
- a. Used a variety of creative communication tools to reach all parts of the region.
 - b. Provided public presentations throughout the area both in-person and in virtual environments.
 - c. Conducted a public meeting on September 29, 2025, to present the draft 2050 Plan and established an online summary and review of the Draft 2050 Plan at MetroPlanOrlando.org throughout the public comment period (September 29, 2025 – November 21, 2025).
 - d. Created and executed an additional Public Participation Plan for the 2050 Metropolitan Transportation Plan to ensure the plan update process included consideration of public input.
- D. Incorporated Feedback Received at Advisory Committee Meetings
- a. Community Advisory Committee (January 24, 2024 – December 3, 2025);
 - b. Technical Advisory Committee (January 26, 2024 – December 5, 2025);
 - c. Municipal Advisory Committee (February 8, 2024 – December 3, 2025);
 - d. Transportation Systems Management and Operations Advisory Committee (January 26, 2024 – December 5, 2025);
 - e. 2050 MTP Technical Workshops (February 8, 2024 – October 9, 2025); and
 - f. Transportation Disadvantaged Local Coordinating Board (February 15, 2024 – November 13, 2025)

Summary of Revisions to the 2050 MTP for Adoption

DATE: NOVEMBER 21, 2025

The purpose of this document is to summarize the changes to the 2050 Metropolitan Transportation Plan (MTP) after the draft documents were published for public review and comment. The revisions summarized below will be incorporated into the final 2050 MTP through its adoption, and are available to review upon request.

ALL CHAPTERS & APPENDICES

- Minor typographical revisions to address scrivener's errors.

CHAPTER 6 | ENVIRONMENTAL STEWARDSHIP & RESILIENCE

- Text changes to include additional information about the Florida Wildlife Corridor and its associated legislation.

CHAPTER 13 | MULTIMODAL NEEDS

- Minor edits to maps/figures to incorporate additional planning consistency projects.

CHAPTER 15 | PUBLIC PARTICIPATION FINDINGS, APPENDIX M | PUBLIC PARTICIPATION DOCUMENTATION AND RESULTS, AND APPENDIX N | RECORD OF PUBLIC COMMENTS

- Text changes to incorporate the final public participation and engagement metrics, documentation of events conducted, and outreach efforts made during the draft document public review period (September 2025 – December 2025), and documentation of public comments received by the 2050 MTP Team throughout the development of the 2050 Plan.

CHAPTER 17 | FINANCIAL RESOURCES

- Minor text changes to reference the Transportation Improvement Program (TIP) Fiscal Year (FY) 2026 – 2030, instead of a prior version of the TIP.

APPENDIX B | PLANS REVIEW SUMMARY

- Minor text changes to include additional information about the 2055 Florida Transportation Plan's Goals and Objectives for reference.

CHAPTER 19 | COST FEASIBLE PLAN AND APPENDIX Q | LOCAL TRANSPORTATION NEEDS AND OPPORTUNITIES

- Minor typographical revisions to address scrivener's errors.
- Request to change a local project's starting limit from Eagle Rock Lane to Eagles Trail (MTP ID# 80256).
- Addition of an interchange ramps project to Table Q-3 for planning consistency (MTP ID# 80276).
- Minor corrections to Table 19-6 | Florida's Turnpike Enterprise for planning consistency, including: updated cost estimates for a few projects, reordering of project records for consistency with future plans, and consolidation of maintenance projects into a single line item for record-keeping purposes.
- Revisions to incorporate the latest financial information for projects from the Transportation Improvement Program (TIP) Fiscal Years 2026 – 2030, per the modifications and amendments approved in October 2025, November 2025, and December 2025.

Public Comments on the Draft 2050 Metropolitan Transportation Plan

This document serves as the official record of public comments for the draft 2050 Metropolitan Transportation Plan (MTP). Content includes: 1) a summary of comments; 2) a report on our public meeting; 3) all comments received before the comment period, and 4) all public comments received during the comment period, September 29, 2025 – November 21, 2025.

COMMENTS WERE ACCEPTED IN VARIOUS WAYS

1. Written comment via email to MTP@metroplanorlando.gov
2. Written comment via mail sent to 250 S. Orange Ave., Suite 200, Orlando, FL 32801
3. Written comment during community events
4. Spoken comment at public meetings
5. Spoken comment via phone message on comment line (321-430-0721)

SUMMARY OF COMMENTS

Central Floridians are passionate about transportation. A total of 34 comments were submitted, 14 before the public comment period, and 20 during. Commenters were thanked for participating in the planning process and provided additional information when needed.

The accompanying chart shows popular topics for comments, and the word cloud provides a visualization of the comments received. More details are provided about the top three topics mentioned below.

TRANSIT

Commenters encourage the improvement and expansion of the existing transit system. Especially more frequent service (nights, weekends, and buses every 15 minutes). Those who do have access to SunRail or LYNX appreciate the services and want more residents in the region to have access to transit.

CONGESTION

The second most popular was congestion. Commenters expressed frustration over the levels of traffic throughout the region. Citing regular bottlenecks that prolong their drives when entering or leaving suburban areas like Poinciana, St. Cloud, Lake Mary, and Oviedo.

SAFETY

A couple of commenters discussed the dangerous conditions created during construction. They cited impeded visibility and overall poor safety infrastructure during the projects, making them feel unsafe (comments #20 and #21). One commenter is concerned about the intersection, Lake Sue Dr. and Corrine Dr. and suggests the addition of a traffic signal. (comment #23)

2050 MTP Public Meeting

The MTP Public Meeting was held on Monday, September 29, 2025 at the Orange County Multicultural Center, from 5-7 p.m., 18 participants came to get information on the 2050 Plan.

In a break with past formats, MetroPlan Orlando made this public meeting an open-house event, at which attendees could browse 13 information stations and discuss transportation issues with experts at each table. Each station had a digital monitor showing slides relevant to the content. Everyone was given a map of the room, so they could locate the stations that interested them most. Each map had a comment form on the back, which participants turned in at the end for a gift.

The most popular stations among attendees were the 2050 Issues & Drivers of Change and Safety (Vision Zero).

After the meeting, staff posted a video version of the public meeting content, which is available on YouTube and at MetroPlanOrlando.gov/2050. This video covers the high points of all the information stations and includes images and video clips from attendees.

THERE WAS A LOT TO TALK ABOUT

At the end of the night, five people turned in public comments. Topics of conversation were varied: transit, Brightline, safety, and the need for more multimodal transportation. Attendees told us that they enjoyed the public meeting format in which they could choose the topics they wanted to learn about and talk to people who had developed those portions of the plan.

PUBLIC NOTIFICATION.

The meeting was advertised through our website, email, and social media (LinkedIn and Facebook) beginning on September 11, 2025. Staff also promoted the meeting at events and meetings leading up to it.

Record of Public Comments Received Before the Comment Period

Why is public transportation only to 11 p.m.? If you're out and don't drive, you're stuck out. Also, the train does not go to Davenport, only from Poinciana Blvd to Davenport. A lot of people would take the train.			
Comment No.	Name	Date Received	Comment Method
5	Esther Bennet	7/24/2025	Written Comment @ Community Event
Poinciana needs an overpass to take off the traffic. Village 8.7 Haines City traffic, all through Poinciana. Fine driver, don't stop, got children and adults.

A suggestion: To create an emergency lane on major thoroughfares to avoid traffic stoppage.			

Comment No.	Name	Date Received	Comment Method
10	Joan Bender	7/24/2025	Written Comment @ Community Event

The road, Old Tampa meets 17-92 and was closed to divert traffic from Old Tampa. It's closed at the end, near the Electric Power Plant (see diagram on back). Reopen Old Tampa to the Polk/Osceola Line Rd.

More frequent access; bus every 15 minutes, it takes me 3 hours.

Comment No.	Name	Date Received	Comment Method
13	Nadia Ramdas on behalf of St Cloud Residents	9/27/2025	Email

As we all know, Osceola County, specifically Saint Cloud, is growing exponentially. We are in dire need of additional roads. What should take 15 minutes takes 1 hour to get around. Narcoossee is the only way in and out of Sunbridge (Tavistock's master planned community, which will encompass 27,000 acres between Orange and Osceola counties). The values of our homes are going down because people are absolutely fed up dealing with horrendous traffic every single day. Narcoossee bottle necks at the Boggy Creek intersection and continues until after Cyrils Drive. It takes forever to drive just a few miles. We are patiently waiting for Sunbridge Parkway, which will connect us to the 528 allowing for more traffic flow but that still won't be sufficient.

20	Emily McCormick	10/8/2025	Written Comment @ Community Event
The exit area for Running Bull Rd into Econlockhatchee Rd is extremely dangerous and has been under construction since the beginning of 2024. I am moving out soon, but it needs to be seriously addressed. I was in a severe crash in May 2024 due to the unsafe design and lack of safety infrastructure along the road.			

Comment No.	Name	Date Received	Comment Method
21	Aidan Tucker	10/8/2025	Written Comment @ Community Event
The section of 417 and the Oviedo area has been under improvement for a while. At night and during rain, visibility is awful, and the bends caused by the sectioned off area make it difficult (scary) to drive on. A floodlight/improved visibility would be nice.

Did you consider placing a light at Lake Sue Drive and Corrine? I could not get a direct answer at the meeting and was told "probably there is a DOT requirement on distances between lights. What is the DOT requirement for distances between lights? The Beeman Park neighborhood is landlocked to Corrine. I believe we are the only neighborhood connected to Corrine this way, with no traffic light to exit our area. Compounding the traffic of the neighborhood is commercial traffic from Palmer's Nursery. When I asked the staff about this, they pointed to a spring on the backside of the neighborhood and said, "You can exit this way". I pointed out that it was indeed a spring and not a roadway and was a little concerned that staff thought a spring was a roadway. Additionally, we have no line of sight exiting on Corrine from Woodlawn due to the bike path, Palmer's and a fence that all about the intersection of Woodlawn and Corrine. There have been several accidents at this intersection in the past year alone. This is a hazardous situation and is not addressed in the plan. Would you consider a traffic light at Lake Sue Drive instead of a pedestrian crossing at Janice? Thank you for your time, Sean and Beth Anne Cuda

34	Margarette Dorelien	11/18/2025	Email
Please consider the rail expansion strongly!! Thank you!			

Section 3

Board Action Fact Sheet

Meeting Date: December 10, 2025

Agenda Item: IX.B (Section 3)

Roll Call Vote: Yes

Action Requested: FDOT and Florida's Turnpike Enterprise (FTE) request approval of amendments to the FY 2025/26 – FY 2029/30 Transportation Improvement Program (TIP).

Reason: FDOT is requesting the addition of one (1) project which received a federal discretionary grant be added to the TIP so that federal funds for the project can be authorized. FTE is requesting to amend one (1) project to include additional funds in FY 2026 and FY 2027.

Summary/Key Information: Items of particular significance for our Committees and the Board are as follows:

- FM# 456094-1: Osceola County Basin Studies for Resilience – PROTECT Grant. This amendment adds a new project to receive a federal discretionary grant. Funding is for planning in FY 2026 and consists of \$1,750,000 in federal (PROD) funds.
- FM# 446581-4: Poinciana Connector. New Road Construction Project in Osceola County. Funding is for right-of-way in FY 2027 and consists of \$75,000,000 in state (MFF) funds, and construction in FY 2026 and consists of \$200,000,000 in state (MFF) funds.

MetroPlan Budget Impact: None.

Local Funding Impact: None.

Committee Action:

CAC:	To be taken up on December 3, 2025
MAC:	To be taken up on December 3, 2025
TSMO:	To be taken up on December 5, 2025
TAC:	To be taken up on December 5, 2025

Staff Recommendation: Recommends approval

Supporting Information: The following documents are provided at Section 3:

- FDOT letter dated November 12, 2025
- FTE letter dated November 19, 2025
- Proposed Board Resolution No. 25-13

RE: Request to Revise Fiscal Year (FY) 2025/26-2029/30 Transportation Improvement Program (TIP)

Dear Mr. Huttman:

The Florida Department of Transportation requests that MetroPlan Orlando revise the FY 2025/26-2029/30 TIP to reflect project changes as described below.

Osceola County received funding through the PROTECT grant program for basin studies for resilience. Project #456094-1 has been added to the TIP. This will require a formal amendment so that federal funds for the project can be authorized.

Please use the information below to revise the TIP accordingly:

FM#	Project Description	Project Limits	Length	Phase	Fund Source	Amount	FY
456094-1	Osceola County Basin Studies for Resilience – PROTECT Grant	N/A	N/A	PLN	PROD	\$1,750,000	2026

As always, feel free to contact the Liaison Group at D5-MPOLiaisons@dot.state.fl.us if you would like to discuss further.

Sincerely,

DocuSigned by:

Dear Mr. Huttman:

Subject: REQUEST FOR TRANSPORTATION IMPROVEMENT PROGRAM AMENDMENT

The Florida Department of Transportation (FDOT), Florida's Turnpike Enterprise (The Enterprise) requests the following modifications to be made to MetroPlan Orlando's Adopted Fiscal Year 2026 – Fiscal Year 2030 Transportation Improvement Program (TIP) in compliance with the corresponding changes to the Department's Adopted Work Program.

Update Section 6: Toll Road Projects (page 180-266). Please amend the project information as described below.

FM# 446581-4 POINCIANA CONNECTOR

Current TIP Status: Project is included in the FY 2026-FY 2030 TIP.

PHASE	FUND SOURCE	FY2026	FY2027	FY2028	FY2029	FY2030	Total
ENV	MFF		\$40,465,539				\$40,465,539
Total ENV			\$40,465,539				\$40,465,539
PE	PKYI	\$905,996	\$26,272,260				\$27,178,256
TOTAL PE		\$905,996	\$26,272,260				\$27,178,256
ROW	MFF		\$50,000,000				\$50,000,000
ROW	PKYI	\$1,000					\$1,000
TOTAL ROW		\$1,000	\$50,000,000				\$50,001,000
RRU	PKYI	\$1,000					\$1,000
TOTAL RRU		\$1,000					\$1,000
Total Active Years		\$907,996	\$116,737,799				\$117,645,795
Total Prior Cost							\$17,294,499
Total Programmed		\$907,996	\$119,739,799				\$134,940,294

Proposed Amendment:

PHASE	FUND SOURCE	FY2026	FY2027	FY2028	FY2029	FY2030	Total
ENV	MFF		\$40,465,539				\$40,465,539
Total ENV			\$40,465,539				\$40,465,539
PE	PKYI	\$905,996	\$26,272,260				\$27,178,256
TOTAL PE		\$905,996	\$26,272,260				\$27,178,256
ROW	MFF		\$75,000,000				\$75,000,000
ROW	PKYI	\$1,000					\$1,000
TOTAL ROW		\$1,000	\$75,000,000				\$75,001,000
RRU	PKYI	\$1,000					\$1,000
TOTAL RRU		\$1,000					\$1,000
CST	MMF	\$200,000,000					\$200,000,000
Total CST		\$200,000,000					\$200,000,000
Total Active Years		\$200,907,996	\$141,737,799				\$342,645,795
Total Prior Cost							\$17,294,499
Total Programmed		\$200,907,996	\$141,737,799				\$359,940,294

Difference: The ROW cost has increased to \$75,000,000 and we have added Construction cost which is \$200,000,000.

Explanation: The scope of the project has been modified, and cost estimates have changed.

Thank you for your assistance with this matter. If you have any questions, please contact me at (407) 264-3808.

Sincerely,

Katina Kavouklis, Planning Manager
Florida's Turnpike Enterprise

Amendment to the FY 2025/26 – 2029/30 Transportation Improvement Program

WHEREAS, the Orlando Urbanized Area Metropolitan Planning Organization (MPO), d.b.a MetroPlan Orlando, is the duly designated and constituted body responsible for carrying out the urban transportation planning and programming process for the Orlando Urbanized Area, including the Transportation Improvement Program; and

WHEREAS, the Florida Department of Transportation (FDOT) and Florida's Turnpike Enterprise (FTE) are requesting to amend the FY 2025/26 – FY 2029/30 Transportation Improvement Program (TIP) in accordance with the MetroPlan Orlando Internal Operating Procedures; and

WHEREAS, the requesting amendment is described as follows:

- FM #456094-1: Osceola County Basin Studies for Resilience – PROTECT Grant. Funding is for planning in FY 2026 and consists of \$1,750,000 in PROD funds;
- FM # 446581-4: Poinciana Connector. New Road Construction Project in Osceola County. Funding is for right-of-way in FY 2027 and consists of \$75,000,000 in MFF funds, and construction in FY 2026 and consists of \$200,000,000 in MFF funds; and

WHEREAS, the requested amendments described above are consistent with MetroPlan Orlando's project priorities and currently adopted Long Range Transportation Plan.

NOW, THEREFORE, BE IT RESOLVED by the MetroPlan Orlando Board that the Florida Department of Transportation's amendment to the FY 2025/26 – FY 2029/30 TIP be approved as requested.

CERTIFICATE

The undersigned, duly qualified serving in the role as chairman of the MetroPlan Orlando Board, certifies that the foregoing is a true and correct copy of a Resolution adopted at a legally convened meeting of the MetroPlan Orlando Board.

Commissioner Bob Dallari, Chair

**Passed and duly adopted by the MetroPlan Orlando Board at its meeting on:
10th day of December 2025**

Section 4

TRANSPORTATION SYSTEMS MANAGEMENT AND OPERATIONS COMMITTEE BYLAWS

Section 1. Authority, Creation

In accordance with the 1962 Federal Aid Highway Act requiring that transportation planning be comprehensive, cooperative, and continuing in nature, a transportation systems management and operations committee known as the "Orlando Urbanized Area Transportation Systems Management and Operations Committee" is hereby created.

Section 2. Definitions

For the purpose of these Bylaws, the acronym "TSMO" shall mean the Orlando Urbanized Area Transportation Systems Management and Operations Committee.

For the purpose of these Bylaws, TSMO shall mean: an integrated program to optimize performance of infrastructure through implementation of systems, services, and projects to preserve capacity and improve the safety, security, enforcement, education, and reliability of a multimodal surface transportation system.

For the purpose these Bylaws, a TSMO program may include but not be limited to the following strategies: traffic signal retiming, transportation improvements, traffic incident management, traveler information, data management, and Intelligent Transportation Systems (ITS). Additionally, the following disciplines shall be included: traffic engineering, transportation planning, information technology, public safety, emergency management, fire and rescue and emergence of Automated, Connected, Electric and Shared Vehicles (ACES).

Section 3. Purpose

Transportation Systems Management and Operations specialists shall represent the various public governmental bodies, authorities, agencies, and safety-related organizations of the Orlando Urbanized Area and shall be involved in the process of integrating various strategies to optimize performance and safety of the region's surface transportation system by the establishment of a TSMO advisory committee. It shall be the function of the TSMO Committee to:

- A. Serve the MPO in an advisory capacity on TSMO matters relating to the update of the MPO's Congestion Management Process (CMP) of the MPO's Metropolitan Transportation Plan (MTP) and the coordination of TSMO with the regional ITS architecture.
- B. Be responsible for the review of all studies, reports, plans and/or programs germane to TSMO and to recommend action pertinent to the subject documents to MetroPlan Orlando.
- C. Develop priority recommendations to the MetroPlan Orlando Board and/or other agencies responsible for plan and program implementation based upon the needs as determined by TSMO studies and project applications.
- D. Advise staff in the development of an Annual Congestion Management System Report as called for in the Congestion Management Process (CMP) Element of the MPO's long range plan, and subsequently revise the CMP Element as needed to ensure that it functions efficiently and effectively.
- E. Annually review and revise the TSMO Prioritized Project List. This list will be the source of candidate projects to be implemented with the MPO's Congestion Management System (CMS) Box funds for the region and each County; for projects meeting state and federal eligibility, and any new funds identified at the local, state or federal level. In addition, the list can be a resource for local governments looking for traffic operations improvements to be implemented by developers as part of a Development Order.
- F. Develop and recommend a list of traffic operations and TSMO project priorities to be implemented with CMS Box funds and/or MetroPlan Orlando's share of District Five Allocated STP and State funds. Projects may include improvements including, but not limited to, studies, plans, installing or synchronizing traffic control devices, safety and/or evacuation efficiency improvements, adding or extending turn lanes at intersections, TSMO deployments, system maintenance projects, operations, Road Side Units (RSUs) such as sensors and projects that shift automobile congestion to other modes and change or reduce single occupant vehicle trip demand.
- G. When appropriate, review state Project Development and Environmental (PD&E) studies and design plans to ensure that adequate provisions for ITS, traffic operations and flow are included in the planning and design of new and reconstructed highways, and consistent with any specific committee recommendations that may have come out of the TSMO prioritized project list and consistent with the list of recommended TSMO projects. MetroPlan Orlando staff or any committee member may bring design plans to the committee for review at the discretion of the committee.
- H. Participate in updates to the regional ITS architecture; and coordinate with the MPO's other advisory committees.

Section 4. *Membership, Appointments, Term of Office, Vacancies, Removal from Office*

A. Membership

The intent of the membership composition of the TSMO Committee is to represent planning and engineering expertise from Federal, State, regional or local agencies.

1. The following jurisdictions are eligible to appoint voting members as indicated. Appointees should have an interest or active involvement in TSMO related activities:

- (a) Orange County (2)
- (b) Osceola County (2)
- (c) Seminole County (2)
- (d) City of Orlando (2)
- (e) City of Belle Isle (1)
- (f) City of Kissimmee (1)
- (g) City of Sanford (1)
- (h) City of Altamonte Springs (1)
- (i) City of Apopka (1)
- (j) City of Casselberry (1)
- (k) City of Lake Mary (1)
- (l) City of Longwood (1)
- (m) City of Maitland (1)
- (n) City of Ocoee (1)
- (o) City of Oviedo (1)
- (p) City of St. Cloud (1)
- (q) City of Winter Garden (1)
- (r) City of Winter Park (1)
- (s) City of Winter Springs (1)

2. Municipalities whose population is less than 5,000 may each appoint one (1) non-voting member. These municipalities would include:

- (a) Town of Eatonville
- (b) City of Edgewood
- (c) Town of Oakland
- (d) Town of Windermere

3. The following transportation agencies/authorities are also eligible for voting representation. Each agency may appoint one (1) voting representative:

- (a) Central Florida Regional Transportation Authority/LYNX
- (b) Central Florida Expressway Authority
- (c) ~~Reedy-Creek-Improvement-District~~ Central Florida Tourism Oversight District
- (d) Greater Orlando Aviation Authority

- (e) Kissimmee Gateway Airport
- (f) Orlando Sanford Airport
- (g) MetroPlan Orlando appointee, such as a community advocate that is not serving on a MetroPlan Orlando Advisory Committee.

4. In addition, representatives from the following shall serve as non-voting advisors or members:

- a. Florida Department of Transportation, District Five, non-voting advisor
- b. Florida's Turnpike Enterprise, non-voting advisor
- c. University of Central Florida, non-voting member
- d. Orange County Community Traffic Safety Team (Chair or designee), non-voting member
- e. Seminole County Community Traffic Safety Team (Chair or designee), non-voting member
- f. Osceola County Community Traffic Safety Team (Chair or designee), non-voting member

B. Appointments

- 1. Each eligible jurisdiction and agency shall appoint voting members and one designated alternate from each of the membership agencies listed in Section 4 A for which it is eligible. Voting members and their designated alternates must be employees of the jurisdiction or agency represented. These appointments shall be made in writing by the County Commission Chair/Mayor, City Mayor, County Administrator, City Administrator or Manager, or the Executive Director of other agencies. The failure of an agency to appoint a primary representative will result in that agency losing its voting authority on the TSMO Committee until such time as the vacancy is filled.
- 2. The appointed representatives, both primary and alternates, shall be selected from the agency membership listing under Section 4 A.
- 3. In the absence of the primary member, the alternate member shall have the same privileges as the primary member and may serve on a subcommittee or task force.

C. Term of Office

The term of office for a TSMO Committee member shall be for an indefinite period, or until reappointment, or until the appointment of a successor. Separation from employment of the jurisdiction or agency represented constitutes the end of an appointment. The MetroPlan Orlando appointee may serve four (4) years or until reappointed or until the appointment of a successor.

D. Vacancies and Membership Revisions

Any vacancies in membership shall be filled in the same manner as the initial appointment.

E. Removal from Office

1. Members serve in an advisory capacity, as volunteers, without compensation, and at the pleasure of the MetroPlan Orlando Board and the applicable appointing authority.

2. Grounds for Removal

a. Removal for excessive absenteeism

- i. Each member is expected to demonstrate interest in the committee's activities through the member's or a designated alternate's participation in the scheduled meetings.
- ii. If a member has three (3) consecutive absences from the meetings or has missed a majority of meetings during the year, the supporting MetroPlan Orlando staff person shall notify the appointing authority and said member in writing in an effort to ensure full participation in the committee.
- iii. Staff may recommend removal of members with excessive absences to the MetroPlan Orlando Board and appointing authority.

b. Removal for cause:

i. A member may be removed for cause for:

- a) Any conduct by a member, which in the opinion of MetroPlan Orlando, is inappropriate or unsuitable and which has a tendency to adversely affect, lower, or destroy the respect or confidence of MetroPlan Orlando in the ability of the member to perform his or her duties as a member of the committee, or conduct which brings disrepute or discredit to the committee or to MetroPlan Orlando;
- b) Violation of any provision of an applicable statute, county, or city code of ethics governing the conduct of officials;
- c) Malfeasance, misfeasance, neglect of duty, or inability to perform his or her official duties; or

d) Conviction of a felony.

ii. Staff may recommend the removal of a member for cause to the MetroPlan Orlando Board and applicable appointing authority.

3. Procedure for Removal. Removal of a member may be effected by majority vote of the MetroPlan Orlando Board.

Section 5. Officers, Term of Office

- A. The November/December meeting shall be known as the Annual Meeting of the TSMO Committee and shall be for the purpose of electing new officers and conducting such other business as may come before the members. The TSMO Committee shall elect from its membership the following officers:
 - 1. Chairperson
 - 2. Vice-Chairperson
- B. Each officer shall be from a different jurisdiction or agency.
- C. Each elected officer shall serve for one (1) year or until that officer is re-elected or until a successor is elected. The newly elected officers shall be declared installed following their election and shall assume the duties of office at the first meeting of the new calendar year.
- D. Neither the position of Chairperson or Vice-Chairperson shall be given individual votes. In order for either the Chairperson or vice-Chairperson to cast a vote, they must do so as a representative of an agency listed in Section 4 A.
- E. In the absence of the Chairperson, the Vice-Chairperson shall assume the duties and responsibilities of the Chairperson. Should both Chairperson and Vice-Chairperson be absent, the TSMO Committee shall elect a temporary Chairperson to chair the meeting.
- F. The Chairperson shall represent the TSMO as a non-voting advisor on the MetroPlan Orlando Board. In the absence of the Chairperson, the Vice-Chairperson is the designated alternate.

Section 6. Rules of Procedure

- A. An annual meeting schedule will be adopted in November/December for the following year. The Chairperson of the Committee may waive a monthly meeting, however two consecutive meetings may not be waived. Business to have been conducted at the waived meeting shall be considered at the next successive monthly meeting. When necessary, the Chairperson may call special meetings to deal with immediate issues.
- B. TSMO Committee members or their designated alternates must be present to cast a vote. A quorum shall consist of the majority of those appointed members entitled to vote, and any business transacted by the TSMO Committee must be approved by not less than a majority of the votes cast. Business shall be transacted only at regular or called meetings and shall be duly recorded in the minutes thereof.
- C. Minutes shall be kept of the TSMO Committee's proceedings and official actions, which shall be public record.
- D. Voting shall be by voice, but a member shall have his or her vote recorded in the minutes if he or she so desires. A roll call vote shall be held upon request and whenever an opposing vote is recorded. All other questions or procedures shall be guided by Robert's Rules of Order, Revised.
- E. Meeting agendas shall include two Public Comment periods, one at the beginning of the meeting for action items and again at the conclusion of the scheduled business items which shall be for discussion purposes only. Public requests for TSMO Committee action or recommendation shall be placed on the agenda as a scheduled business item.

Section 7. General Policies

- A. MetroPlan Orlando Board and Committee structure consists of five (5) committees, including the Board;
 - 1. MetroPlan Orlando Board
 - 2. Community Advisory Committee
 - 3. Municipal Advisory Committee
 - 4. Technical Advisory Committee
 - 5. Transportation Systems Management & Operations Committee
- B. All Committees and studies shall follow the intent and further the Mission Statement adopted by the MetroPlan Orlando Board, which is as follows:

“MetroPlan Orlando’s mission is to provide leadership in transportation planning by engaging the public and fostering effective partnerships.”

- C. All Committees shall maintain a broad perspective covering the range of all modes of transportation and associated facilities (including, but not limited to, roadways, bicycle and pedestrian facilities, safety, and transit) in all recommended planning work programs so that proper study and evaluation of transportation needs shall result in a multi-modal transportation system plan, balanced with respect to areawide needs and properly related to areawide comprehensive plans, goals and objectives.
- D. Reports, studies, plans, programs and databases shall be approved or endorsed by the MetroPlan Orlando Board after review and recommendation by the TSMO Committee and such other committees as may be interested or affected. A recommendation may be noted as officially adopted by the TSMO Committee and placed into effect upon signature by the TSMO Committee Chairperson without waiting for the minutes of the previous meeting to be officially approved at the next TSMO Committee meeting.
- E. Reports, studies, plans, programs or databases that have been approved or endorsed by the MPO are, by definition, public records and shall be available to the public for inspection and copying upon request. This may be limited however by the custodian of the records, to that time necessary to review the records and excise the information which is deemed to be exempt from the Public Records Act, as stipulated by Florida Law. A reasonable fee may be charged for copying costs.
- F. Reports, studies, plans, programs or databases that are working papers or draft documents and have therefore not been approved by the MetroPlan Orlando Board shall also be releasable upon request as public records. The receiver of the information however shall be cautioned that it has not been formally approved and is therefore subject to change and may only be used at their own risk.
- G. The release of databases shall be reported to the TSMO Committee at their next scheduled meeting.
- H. Databases, computer software or other information that has been access-limited through contractual agreement shall be protected from disclosure, as authorized by Florida Statutes.

Section 8. *Procedures for Amending Adopted Studies, Plan, or Programs*

- A. The procedures for amending the Orlando Urban Area Metropolitan Transportation Plan, the Transportation Improvement Program, and the Urban Boundary are established in the MetroPlan Orlando Board Rule 35I-1.009 which is incorporated by reference herein.
- B. The TSMO Committee shall review the proposed change based on a TSMO evaluation of its merit and shall recommend approval or disapproval to the MetroPlan Orlando Board.
- C. The MetroPlan Orlando Board shall have final approval or disapproval disposition action of the requested change or changes.

Section 9. *Ad hoc Subcommittees or Task Force*

- A. An ad hoc subcommittee or task force may be appointed by the Chairperson to address specific issues or investigate and report on specific subject areas of interest to the TSMO Committee.
- D. Designation of representatives to each of the ad subcommittee or task force shall be made by TSMO Committee members representing that jurisdiction or agency. In the case of multiple TSMO Committee members, the designation of representatives shall be made by caucus of the members. To be a designated representative, it is not necessary to be a TSMO Committee member.
- E. Each ad hoc subcommittee or task force may appoint a Chairperson who will report the subcommittee's findings to the TSMO Committee. In the absence of a Chairperson, a temporary Chairperson shall be appointed in accordance with Robert's Rules of Order.
- F. Each meeting shall be recorded. Minutes of a meeting shall be provided upon request. A written record of actions taken shall be provided to any member or the public upon request.

Section 10. *Bylaws Review and Amendment*

- A. A bylaws review subcommittee shall review these bylaws at least every other year on odd numbered years or as may be deemed necessary. These bylaws can be amended at any regular meeting of the TSMO by voting members or appointed alternates (provided there is a quorum) if the proposed amendment has been submitted in writing to the TSMO members with the proper notification of the meeting.

- B. These Bylaws may be altered, amended, or added to by vote of the TSMO Committee provided that:
1. Notice of the proposed changes shall normally contain a full statement of the proposed amendments.
 2. The proposed amendment(s) is/are placed on the agenda for the next scheduled meeting following such presentation.
 3. The proposed written changes shall be forwarded to all TSMO Committee members at least five (5) business days prior to the meeting at which a vote will be held.
 4. TSMO Committee members may propose relevant changes from the floor to any proposed amendment under consideration on the agenda.
 5. The TSMO Committee adopts the proposed amendment(s) by a majority vote of the members present at the TSMO Committee meeting.
- C. MetroPlan Orlando staff may also initiate a review and recommendation of changes to these bylaws that may result from a review of the organization's internal operating procedures, and/or in coordination of implementation of the strategic plan.

Approved

Orange, Osceola, and Seminole Counties Project Status Update as of November 3, 2025

The following is a brief status update on major FDOT road construction projects in Orange, Osceola, and Seminole counties as of November 3rd. The next cutoff date is December 8, 2025. Information is also available on www.cflroads.com. For questions, please contact Jonathan Scarfe at 386-943-5791 or via email at D5-MPOLiaisons@dot.state.fl.us.

ORANGE COUNTY

ORANGE COUNTY UPCOMING PROJECTS:

441113-2 | I-4 at Daryl Carter Parkway Interchange Landscaping

- Contract E56F9
- Contractor: Superior Construction Company Southeast, LLC
- Project Cost: \$83 million
- Project Start: October 2025
- Estimated Completion: Summer 2028
- **Description:** This project will landscape the Daryl Carter Parkway diverging diamond interchange overpass, between Central Florida Parkway and State Road 535. The interchange gives motorists an alternative route to reach retailers and restaurants in the Lake Buena Vista area.

[445772-1](#) | U.S. 441 at Clarcona-Ocoee Road

- Contract: T5859
- Contractor: American Design Engineering Construction Inc.
- Construction Cost: \$2.7 million
- Project Start: December 2025
- Estimated Completion: Summer 2026
- **Description:** The purpose of this project is to reconstruct and upgrade the existing traffic signal at the intersection of Orange Blossom Trail (U.S. 441/ State Road 500) and Clarcona-Ocoee Road to include new signal poles, new signal heads with enhanced visibility for drivers, and new pedestrian signals. Additional intersection improvements include the extension of the eastbound right-turn lane.

[continued on next page]

ORANGE COUNTY CURRENT PROJECTS:

436433-1 & 447104-1 | S.R. 500 (U.S. 441) – From North of S.R. 50 to S.R. 414 Interchange Ramps

436433-1 Coast to Coast Trail - Orange County Gap Trail Segment 2

The purpose of this project is to construct a multi-use trail facility, which will connect the Clarcona-Ocoee Connector Trail to the west and the Seminole Wekiva Trail to the east. This is part of the Coast-to-Coast Trail in Orange County.

447104-1 U.S. 441 from S.R. 50 to S.R. 414 Ramps

The Florida Department of Transportation (FDOT) is resurfacing approximately 6.5 miles of U.S. 441 (Orange Blossom Trail) from north of Colonial Drive (State Road (S.R.) 50) to the S.R. 414 ramps. This work will extend the life of the existing roadway and enhance overall safety.

Other improvements include the installation of bike lanes in select locations, filling in sidewalk gaps, and reconstructing pedestrian curb ramps to meet current Americans with Disabilities Act (ADA) standards. FDOT will also replace the existing open median at Mott Avenue with a directional median to reduce potential conflict points. This change will allow left turns from U.S. 441 onto Mott Avenue while restricting left turns from Mott Avenue and Pope Road onto U.S. 441. A bi-directional median will also be installed at Busby Avenue/National Street to help improve traffic flow.

Additional safety improvements include narrowing travel lanes by one foot to help moderate vehicle speeds, widening turn lanes, adding median landscaping, and upgrading traffic signals and lighting to improve visibility and traffic efficiency.

- Contract: T5851
- Contractor: Jr. Davis Construction Co., Inc.
- Project Cost: \$35.2 million
- Project Start: Fall 2025
- Estimated Completion: Summer 2027

Update: Project began on 11/2/25. Contractor is working on milling and resurfacing.

448799-1 | S.R. 434 from Centaurus Boulevard to McCulloch Road

- Contract: T5846
- Contractor: American Design Engineering Construction, Inc.
- Construction Cost: \$1.4 million
- Project Start: June 2025
- Estimated Completion: Fall 2025
- **Description:** The purpose of this project is to resurface Alafaya Trail (State Road (S.R.) 434) from Centaurus Boulevard to McCulloch Road (Seminole County line).

Update: The contractor is currently finalizing signalization work.

[continued on next page]

[447610-1](#) | U.S. 441 from Wadsworth Road to Lake County Line

- Contract: T5838
- Contractor: Masci General Contractors, Inc.
- Construction Cost: \$7.7 million
- Project Start: April 2025
- Estimated Completion: Spring 2026
- **Description:** The purpose of this project is to implement operational and safety enhancements along U.S. 441 from Wadsworth Road to the Lake County line, between the cities of Apopka and Mount Dora. The project plans to resurface this segment of U.S. 441 to extend the life of the existing roadway. To enhance safety, the project includes modifications at the intersection of U.S. 441 and County Road (C.R.) 500A, which involves removing the left turn from eastbound C.R. 500A to northbound U.S. 441 and realigning the left turn from northbound U.S. 441 to westbound C.R. 500A. Pedestrian improvements are also planned at the Stoneybrook Hills Parkway intersection, including new crosswalks and pedestrian signals, as well as enhanced lighting.

Update: The contractor continues to work on concrete improvements, roadway widening, and paving, as well as sidewalk tie-ins for the intersection of U.S. 441 and C.R. 500A. The contractor has also begun driveway demolition and repouring on C.R. 500A as of late October.

[continued on next page]

452932-1 | S.R. 50 at Corner School Drive and Chuluota Road

- Contract: E52F4
- Contractor: Garcia Civil Contractors
- Project Cost: \$1.6 million
- Project Start: January 2025
- Estimated Completion: Late 2025
- **Description:** The project incorporates safety improvements at the intersections of Corner School Drive and Chuluota Road with Colonial Drive (State Road (S.R.) 50) in east Orange County. Proposed improvements include installing a new signal at the intersection of Corner School Drive and Colonial Drive and adding new pedestrian signals and crosswalks. At the intersection of Chuluota Road and Colonial Drive, new crosswalks and pedestrian signals will be added to the existing signal. New accessible ramps will be constructed at both intersections and intersection lighting will be included.

Update: The contractor has turned on the new traffic signal at the intersection of S.R. 50 and Corner School Drive. The traffic signal was activated on Oct. 14.

[continued on next page]

444315-1 & 444315-3 | I-4 at Sand Lake Road Interchange

444315-1	444315-3
	
Description: This project will convert the Sand Lake Road and I-4 interchange into a diverging diamond interchange. The Diverging Diamond Interchange (DDI) is a type of interchange in which the two directions of traffic at an interchange cross to the opposite side of the road on both sides of the bridge. A DDI eliminates several traffic conflict points by moving drivers to the side of the road where they can turn left without having to cross in front of oncoming traffic. These improvements will help to accommodate future projected traffic demand and improve driver safety and efficiency. For the most up-to-date information and status on this project log onto www.i4beyond.com/project-designs/sand-lake-road-interchange-improvements/ Click on the link to learn more about using a Diverging Diamond Interchange: Diverging Diamond Interchange (DDI) Video.	Description: The project will construct a single buffer separated express lane on I-4 in the westbound direction from west of State Road (S.R.) 528 to west of Central Florida Parkway. The project will also add the final striping, friction course, and tubular markers for the full length of the single buffer express lane on I-4 in the westbound direction from west of S.R. 528 to west of S.R. 536 For the most up-to-date information and status on this project log onto www.i4beyond.com/project-designs/sand-lake-road-interchange-improvements/

- Contract E59A6
- Contractor: Lane Construction Corp.
- Project Cost: \$218 million
- Project Start: April 2023
- Estimated Completion: Late 2027

Update: The project has been extended to December 2027. Crews are pile-driving on both sides of Sand Lake Road, between the eastbound and westbound I-4 bridges, to build the new bridge that will become the I-4 Express extension. A jack and bore operation is taking place under Sand Lake Road.

[continued on next page]

445220-1 | S.R. 527 from Magnolia Avenue to north of Rollins Street

- Contract: E50F4
- Contractor: Ranger Construction Industries, Inc.
- Construction Cost: \$4 million
- Project Start: January 2025
- Estimated Completion: Fall 2025
- **Description:** The purpose of the project is to make safety and operational improvements along North Orange Avenue (State Road (S.R.) 527) from Magnolia Avenue to Rollins Street in Orlando. The project plans to reconfigure the roadway to include a single travel lane in each direction and use the existing outside travel lanes for additional on-street parking. In some areas, the curb line will be extended, and in other areas floating islands will be built to help define the on-street parking and help to encourage safer driving speeds along the corridor. Pedestrian safety improvements are also planned. Additionally, the roadway will be repaved to extend the service life of the existing roadway. Drainage modifications and upgraded pedestrian curb ramps to comply with current Americans with Disabilities Act (ADA) standards are also planned.

Update: Contractor is finalizing paving operations throughout the project corridor. Once this layer is completed, the contractor will wait two weeks for the final layer.

[continued on next page]

445694-1 | Colonial Drive/Martin Luther King Boulevard from Pine Hills Road to Tampa Avenue

- Contract T5798
- Contractor: Watson Civil Construction, Inc.
- Project Cost: \$15 million
- Project Start: April 2024
- Estimated Completion: Fall 2025
- **Description:** This Florida Department of Transportation (FDOT) project is intended to enhance safety and operations along the corridor of Colonial Drive (State Road (S.R.) 50) between Pine Hills Road and Tampa Avenue. The project will improve crosswalk conditions and install new signal improvements. Additionally, the project will modify several existing median openings along the corridor to improve safety and operations.

Update: The contractor is working on punch list items and signage.

[continued on next page]

447090-1 | S.R. 15 from Devonshire Lane to Lake Underhill Road

- Contract: E57B8
 - Contractor: Ranger Construction Industries, Inc.
 - Construction Cost: \$4 million
 - Project Start: November 2024
 - Estimated Completion: Winter 2025
 - **Description:** The goal of this project is to provide improvements along Conway Road (State Road (S.R.) 15) from Devonshire Lane to Lake Underhill Road in Orlando. In addition to resurfacing the travel lanes, the project includes safety enhancements such as a separate bicycle lane and medians in certain locations to help reduce left-turn and angle crashes.
- Update:** The contractor is working on final striping, signage, and punch list items for conditional final acceptance. Final walkthrough was held on 10/2/25. The contractor is still waiting on the mast arm for the PHB and RRFBs to finish the project.

[continued on next page]

<u>447607-1</u> S.R. 50 at Highland Avenue	<u>447717-1</u> S.R. 50 at North Fern Creek Avenue and Primrose Drive
 Description: The project will reconstruct the existing traffic signal at the intersection of East Colonial Drive (State Road 50) and Highland Avenue with upgraded signal poles and signal heads. The project also proposes reconstructing and extending the curb on all four corners to help define the on-street parking and reduce pedestrian crossing distances at the intersection. The curb reconstruction also includes modifications to more easily accommodate large vehicles making turns onto Highland Avenue. Other safety improvements include reconstructing the sidewalk curb ramps in accordance with current Americans with Disabilities Act (ADA) standards, upgrading pedestrian signals, and constructing sidewalk connections to bus pads. Necessary drainage modifications are also planned.	 Description: This project will reconstruct the existing traffic signals at the intersections of Colonial Drive (State Road (S.R.) 50) and North Fern Creek Avenue and Colonial Drive at Primrose Drive with upgraded signal poles and signal heads. Pedestrian safety improvements include reconstructing the curbs on all four corners, reconstructing sidewalk curb ramps in accordance with current Americans with Disabilities Act (ADA) standards, upgrading pedestrian signals, and constructing a new bus pad at Primrose Drive.

- Contract T5817
- Contractor: Chinchor Electric, Inc.
- Combined Project Cost: \$5 million
- Project Start: November 2024
- Estimated Completion: Late 2025

Update: The contractor is working on clearing and grubbing, excavation, milling, and resurfacing.

[continued on next page]

[448801-1](#) | Silver Star Road (S.R. 416) from S.R. 438 to U.S. 441

- Contract E53F6
- Contractor: Jr. Davis Construction Co., Inc.
- Construction Cost: \$4.9 million
- Project Start: December 2024
- Estimated Completion: Fall 2025
- **Description:** This project intends to implement operational and safety improvements along Silver Star Road (State Road (S.R.) 416) from Princeton Street (S.R. 438) to Orange Blossom Trail (U.S. 441). In addition to repaving the roadway, the project will install a raised traffic separator along Silver Star Road east of the John Young Parkway (S.R. 423) intersection, as well as channelizing islands at the Hansrob Road and the Wawa driveway, which will restrict left turns onto Silver Star Road at these locations. Traffic signal and pedestrian signal upgrades at Princeton Street, Eunice Avenue, and Mercy Drive are also proposed. Pedestrian and bicycle safety improvements along the project corridor are also planned. These include constructing a new crosswalk on Silver Star Road near Princeton Street (S.R. 438), filling in sidewalk gaps, and improving bicycle connectivity along the paved shoulders where possible, providing bus stops, and reconstructing curb ramps to meet current Americans with Disabilities Act (ADA) standards. Lighting improvements are proposed at the signalized crosswalks at Princeton Street, Eunice Avenue, and Mercy Drive, as well as new signing and pavement marking features.

Update: The contractor is working on final punch list items.

[continued on next page]

[448914-1](#) & [449771-1](#) | I-4 at S.R. 535 Interchange Improvements

448914-1

Description: This project will partially reconstruct the Interstate 4 (I-4) and Apopka-Vineland Road (State Road (S.R.) 535) interchange to enhance safety and improve access to and from westbound I-4.

Planned improvements include:

- Constructing a new loop ramp from northbound Apopka-Vineland Road to westbound I-4. The ramp will enhance safety and mobility by eliminating the need for motorists to turn left across traffic.
- Realigning the westbound I-4 entrance ramp from southbound Apopka-Vineland Road, improving traffic flow, and giving motorists more time to merge onto I4.
- Lengthening the westbound I-4 exit ramp to Apopka-Vineland Road to reduce backups onto the I-4 mainline.
- Milling and resurfacing Apopka-Vineland Road and extending storage for left- and right-turn lanes.

To learn more, please visit: www.i4beyond.com

449771-1

Description: This project will add a single, buffer-separated, westbound managed lane to Interstate 4 (I-4) from west of State Road (S.R.) 536 to west of Daryl Carter Parkway. The complete managed lane will be built in three separate projects extending from west of S.R. 536 to west of Sand Lake Road (S.R. 482). The single, buffer-separated express lane will be open once all three segments are completed.

To learn more, please visit: www.i4beyond.com

- Contract E55B8
- Contractor: Lane Construction Corp.
- Project Cost: \$102 million
- Project Start: October 2023
- Estimated Completion: Summer 2028

Update: The project has been extended until 2028. Crews decided to leave the eastbound I-4 entrance ramp from S.R. 535 to a single lane. Pond dewatering and temporary critical wall installation are ongoing. Crews are installing MSE walls on the loop ramp to create the foundation.

[continued on next page]

[448915-1](#) | I-4 Interchange at S.R. 528

- Contract E58B1
- Contractor: Adaptive Consulting Engineers
- Project Cost: \$20 million
- Project Start: January 2024
- Estimated Completion: Early 2026
- **Description:** The purpose of this project is to add capacity to the I-4 westbound on-ramp to eastbound State Road 528 (the Beachline Expressway) by widening the ramp from one to two lanes.

Update: Over the next few weeks, crews will be conducting traffic shifts on the westbound I-4 exit ramp to eastbound S.R. 528 to finish paving and painting the bridge. The westbound I-4 ramp to eastbound S.R. 528 will be closed overnight on Nov. 5 - 6 from 10 p.m. to 6 a.m.

OSCEOLA COUNTY

OSCEOLA COUNTY UPCOMING PROJECTS:

None to report.

OSCEOLA COUNTY CURRENT PROJECTS:

[443702-1](#) | S.R. 60 EB & WB Passing Lanes from Blanket Bay Slough to Peavine Road

- Contract T5836
- Contractor: C.W. Roberts Contracting, Inc.
- Project Cost: \$18.3 million
- Project Start: July 2025
- Estimated Completion: Late 2026
- **Description:** The purpose of the project is to add an eastbound and westbound passing lane on State Road 60. Other improvements include reapplying audible and vibratory roadway treatments, enhancing signs, and drainage improvements.

Update: The contractor is working on drainage installation, structure installations, and shoulder work.

[continued on next page]

445299-1 | S.R. 535 from north of U.S. 192 to south of International Drive

- Contract: T5823
- Contractor: The Middlesex Corporation
- Construction Cost: \$ 11.9 million
- Project Start: November 2024
- Estimated Completion: Fall 2025
- **Description:** This project intends to resurface State Road (S.R.) 535 from north of U.S. 192 to south of International Drive and implement operational and safety improvements along the corridor. The intersection at Poinciana Boulevard will also be modified to allow traffic on S.R. 535 to turn right or go straight through the intersection. S.R. 535 traffic desiring to turn left onto the side street, would go through the intersection, make a U-turn, and then turn right onto the side street. Traffic from the side streets can go straight through the intersection or turn right or left onto S.R. 535. Other safety improvements such as curb reconstruction to shorten pedestrian crossing distances, and turn lane and traffic signal upgrades, are planned at Kyngs Heath Road, Osceola Parkway eastbound on-ramp, Poinciana Boulevard and LBV Factory Stores Drive. The project will add a third left turn lane from southbound S.R. 535 onto eastbound U.S. 192. Pedestrian crosswalks and upgrade pedestrian signals, as well as enhanced lighting at signalized intersections, are also planned.

Update: The contractor is continuing work on milling and resurfacing, rumble strips installation, and punch list items.

[continued on next page]

448783-1 | U.S. 192 from Bamboo Lane to Main Street

- Contract: T5843
- Contractor: Hubbard Construction Company
- Construction Cost: \$26 million
- Project Start: July 2025
- Estimated Completion: Late 2026
- **Description:** The purpose of this project is to improve safety and operations along U.S. 192 (Vine Street) from Bamboo Lane to Main Street in Kissimmee. In addition to repaving the roadway, the project will provide new 7-foot-wide buffered bicycle lanes from east of Bamboo Lane to Hoagland Boulevard. The project also proposes pedestrian safety by adding signalized crossing opportunities at Club Sevilla, south of Four Winds Boulevard and at Oren Brown Road. At Club Sevilla, the project proposes to add a pedestrian activated signal and reconstruct the existing bi-directional median. The crossing near Four Winds Boulevard will be equipped with a Pedestrian Hybrid Beacon (PHB), and there will be a new traffic signal, pedestrian signals, and crosswalks at Oren Brown Road. A turn lane extension and pedestrian improvements at Old Vineland Road are also planned, as well as pedestrian curb ramp upgrades and sidewalk connections at Yates Road and Mann Street.

Update: The contractor continues to work on driveways, sidewalks, and signalization.

[continued on next page]

448796-1 | U.S. 192/U.S. 441 from C.R. 532 to Arthur J. Gallagher Boulevard

- Contract: T5854
 - Contractor: Jr. Davis Construction Co., Inc.
 - Construction Cost: \$16 million
 - Project Start: October 2025
 - Estimated Completion: Fall 2026
 - **Description:** The Florida Department of Transportation (FDOT) is resurfacing U.S. 192/U.S. 441 (State Road (S.R.) 500/East Irlo Bronson Memorial Highway) from Nova Road (County Road (C.R.) 532) to Arthur J. Gallagher Boulevard to extend the life of the existing roadway. A 6-foot sidewalk will be added along westbound U.S. 192/U.S. 441 to enhance pedestrian safety and mobility along the corridor. This project includes improvements at the Arthur J. Gallagher Boulevard intersection, such as upgraded traffic signals, signage, and pavement markings. Safety enhancements include the installation of a supplemental traffic signal closer to the intersection for increased visibility, as well as a new pedestrian signal detector and crosswalk at the west end of the intersection. A bicycle through lane (or keyhole lane) will be added at the Nova Road intersection, and new intersection lighting is planned at Old Melbourne Highway (C.R. 500A). Pedestrian curb ramps will be reconstructed to meet current Americans with Disabilities Act (ADA) standards. Landscaping enhancements will also be placed between Lake Lizzie Court and Lake Lizzie Drive.
- Update: The contractor has begun working on soft digs, relocating utilities, and installing drainage structures.

[continued on next page]

450623-1 | S.R. 60 From Florida's Turnpike to Indian River County Line

- Contract: E58F4
 - Contractor: AJAX Paving Industries of Florida LLC
 - Construction Cost: \$1.3 million
 - Project Start: October 2025
 - Estimated Completion: Spring 2026
 - **Description:** The purpose of this project is to mill and resurface State Road (S.R.) 60 from the Florida's Turnpike interchange to the Indian River County line in southeast Osceola County. The project will also make shoulder repairs and add "Wrong Way" driving signs along the corridor.
- Update:** Contractor is beginning to work on milling and resurfacing along the corridor.

453058-1 | U.S. 192 from east of Harmony Square Drive to Nova Avenue

- Contract E56F7
 - Contractor: Middlesex Paving, LLC
 - Project Cost: \$6.6 million
 - Project Start: October 2025
 - Estimated Completion: Early 2026
 - **Description:** The Florida Department of Transportation (FDOT) is repaving U.S. 192/U.S. 441 (East Irlo Bronson Memorial Highway/State Road 500) from east of Harmony Square Drive to Nova Avenue to extend the life span of the existing roadway. Additional improvements include the refreshed pavement markings and installation of wrong-way signage at median openings.
- Update:** The contractor is continuing milling and resurfacing.

OSCEOLA COUNTY RECENTLY COMPLETED PROJECTS:

None to report.

Seminole County

SEMINOLE COUNTY UPCOMING PROJECTS:

449214-1 | S.R. 423 from Kingswood Drive to Adanson Street

- Contract: T5867
- Contractor: Chinchor Electric, Inc.
- Construction Cost: \$3.3 million
- Project Start: December 2025
- Estimated Completion: Early 2027
- **Description:** The project includes new crosswalks, upgraded pedestrian signals, and “Yield to Pedestrian” signs at Kingswood Drive and Adanson Street. The first directional median west of Adanson Street will be closed, and a new traffic signal will replace the existing directional median near the McDonald’s and RNR Tire Express entrances at the Lee Road Shopping Center. The roadway will be repaved as needed to accommodate new pavement markings. In addition, the eastbound left-turn lane onto northbound Kingswood Drive, the westbound left-turn lane into the Lee Road Shopping Center, and the eastbound left-turn lane at S.R. 423 and Adanson Street will be extended to improve traffic flow.

Update: Structural asphalt resurfacing work began on 10/29/2025.

[continued on next page]

SEMINOLE COUNTY CURRENT PROJECTS:

447103-1 | S.R. 46 from east of Monroe Road/Upsala Road to French Avenue

- Contract: T5824
 - Contractor: Masci General Contractors, Inc.
 - Project Cost: \$16.7 million
 - Project Start: September 2024
 - Estimated Completion: Early 2026
 - **Description:** The Florida Department of Transportation (FDOT) will resurface State Road (S.R.) 46 from east of Monroe Road/ Upsala Road (County Road 15) to French Avenue (U.S. 17-92). In addition to resurfacing the roadway, the project recommends replacing the existing center two-way left turn with a raised median to enhance safety and help encourage slower driving speeds. Safety improvements will be made to pedestrian and transit facilities. Curb ramps will be reconstructed to current ADA criteria and new sidewalk will be constructed to fill gaps, providing a continuous route through the project limits. Some on-street parking will be eliminated to provide 7-foot-wide buffered bicycle lanes. New midblock crossings, along with new sidewalk to fill gaps and upgraded pedestrian curb ramps, are also planned. Existing lighting will be retrofitted to current criteria at three intersections: Central Park Dr/Old England Loop, Martin Luther King Jr. Boulevard/Rand Yard Road, and Airport Boulevard/West First Street. Obsolete driveways are to be removed to improve pedestrian mobility.
- Update:** Permanent sign installation, thermoplastic striping installation, and other restorative work continue, with the connection of the new traffic signals to power sources still pending.

[continued on next page]

447411-1 | S.R. 436 at S.R. 434 Intersection Improvement

- Contract: E51F5
- Contractor: Alexander Design + Build, LLC
- Project Cost: \$2.7 million
- Project Start: November 2024
- Estimated Completion: Early 2026
- **Description:** The purpose of the project is to construct operational and safety improvements at the intersection of State Road (S.R.) 436 and S.R. 434. This project plans to reconstruct and upgrade the existing traffic signal, including new mast arm signal poles. The project also proposes removing the free flow right turn lanes and bringing all turning movements under signal control. Pedestrian crosswalk and signal upgrades, as well as turn lane widening are included.

Update: The contractor has completed drill shaft work for the mast arms at the southeast and southwest corners of the intersection. They also graded the sidewalk and curb in these areas and are preparing to install bullnose extensions and conduits in advance of final mast arm erection. Mast arm erection operations are currently scheduled for late November, along with the completion of final sidewalk and asphalt work.

[continued on next page]

449845-1 | S.R. 419 Gee Creek Culvert, S.R. 434 Little Wekiva River Bridge & S.R. 436 Flyover

- Contract: E53F7
- Contractor: Bridge Masters Construction, LLC
- Construction Cost: \$925,000
- Project Start: March 2025
- Estimated Completion: Fall 2025
- **Description:** The purpose of this project is to rehabilitate and maintain three bridges. The first bridge is a culvert on State Road (S.R.) 419 above Gee Creek. At this location, the culvert will be cleaned and repaired. Another protective layer of concrete will be sprayed onto the culvert as a preventative measure. The second bridge is on S.R. 434 over the Little Wekiva River. Multiple repairs will occur at this location, including waterproofing the bridge deck to protect it from cracking. Finally, joint seal replacements are planned for the flyover spanning S.R. 436 to Red Bug Lake Road.

Update: The shotcrete application at the Gee Creek culvert is ongoing, and the contractor continues to address insufficiency items pertaining to the prior shotcrete work.

[continued on next page]

450576-1 | S.R. 434 from S.R. 414/Maitland Boulevard to S.R. 436

- Contract: E56F2
- Contractor: Jr. Davis Construction Company, Inc.
- Construction Cost: \$6.9 million
- Project Start: July 2025
- Estimated Completion: Spring 2026
- **Description:** The purpose of this project is to resurface a segment of State Road (S.R.) 434 from S.R. 414 (Maitland Boulevard) to S.R. 436 to maintain the roadway. The project will also include new signing and pavement markings and upgrading some pedestrian curb ramps as needed to comply with current Americans with Disabilities Act (ADA) standards.

Update: The contractor has begun paving the friction course on the outside turn lanes in both directions, as well as pulling cable for pedestrian pushbuttons at Orange Avenue, performing conduit bores, and installing conduit and cabinets for TMS stations. The contractor is also currently working on the installation of permanent signs along the corridor.

[continued on next page]

441015-1 | S.R. 434 from Rangeline Road to west of Talmo Street

- Contract: E59F3
- Contractor: Hubbard Construction Company
- Construction Cost: \$5.4 million
- Project Start: October 2025
- Estimated Completion: Early 2027
- **Description:** The purpose of the project is to resurface the sections of State Road (S.R.) 434 from Rangeline Road to Milwee Street and from Myrtle Street to west of Talmo Street, with the non-contiguous segment between Milwee and Myrtle Streets addressed separately under Project [439040-1](#). The project will also upgrade pedestrian curb ramps as needed to comply with current Americans with Disabilities Act (ADA) standards.

Update: Structural asphalt resurfacing work began on 10/29/2025.

SEMINOLE COUNTY RECENTLY COMPLETED:

None to Report.

Board Meeting Highlights – November 12, 2025

- **Chairman's Announcements:** Chairman Bob Dallari opened the meeting at 9:00 a.m. Mayor Pat Bates, City of Altamonte Springs, led the Pledge of Allegiance. Councilman Ken Gilbert reported on the October 10th Central Florida MPO Alliance Meeting. Commissioner Viviana Janer reported on the October 23rd Central Florida Commuter Rail Commission Meeting. Commissioner Mayra Uribe reported on the October 23rd MPOAC Meeting. Chairman Dallari thanked the Board members that participated in the Peer Exchange with the MPO/TPOs from Hillsborough, Pinellas and Pasco Counties held on October 27th. Chairman Dallari thanked the jurisdictions that provided resolutions of support for FDOT to pursue new funding for the I-4 St. Johns River Bridge and DeLand Mayor Chris Cloudman for bringing the item to the CFMPOA for support. MetroPlan Orlando staff member Mighk Wilson provided the Safety Moment highlighting Pedestrian Safety.
- **MetroPlan Orlando Executive Director's Announcements & Agenda Review:** Mr. Huttman acknowledged Mayor Art Woodruff who participated virtually. Mr. Huttman highlighted the Blind Experience held on October 15th and the 2050 MTP Public Meeting held on September 29th. Mr. Huttman discussed his attendance at the AMPO Annual Meeting in September and the NARC Executive Director's Council meeting in October. He gave an overview of the Lake-to-Lake Regional Trail workshop held on October 16th, and the Peer Exchange with MPO/TPOs from Hillsborough, Pinellas and Pasco Counties on October 27th. He called attention to legislation filed during committee weeks that address school zone and pedestrian safety, and e-bikes and scooters safety. Mr. Huttman also called attention to the items in supplemental folders.
- **Agency Reports:**

GOAA Orlando International Airport: Mr. Lance Lytle, Chief Executive Officer, Orlando International Airport, provided an overview of the airport's priorities, governance and financial structure. He discussed the airport's strategic and tactical focus including parking solutions, baggage handling systems, and gate additions. Mr. Lytle highlighted the airport's unique features, the Brightline rail connection and the upcoming direct flights from OIA to Tokyo in 2026. He showed a video highlighting the airport's future plans which include advanced technologies and improved passenger experience.

FDOT: Secretary John Tyler recognized Ms. Nicola Liquori, Executive Director, FTE. He discussed the growing concern for e-bike crashes and the work being done by FDOT e-bike safety campaign.
- **Public Comments on Action Items:** None.
- Unanimously **Approved** Consent Items: A through F
- Unanimously **Approved** the FY2025-26/FY2030-31 Amendments to the Transportation Improvement Program (TIP) (Roll Call vote conducted)
- Unanimously **Approved** Information Items for Acknowledgement Items: A through G
- **Other Business:** Presentations: **2050 MTP Update, Cost Feasible Projects** (Ms. Taylor Laurent, MetroPlan Orlando); **FDOT District 5 Tentative Work Program** (Mr. Jim Stroz, FDOT); **Florida's Turnpike Enterprise Tentative Work Program** (Ms. Carol Scott, FTE)
- **General Public Comments:**

Ms. Joanne Counelis, Lake Mary, commented on the need for 24/7 mass transit in the region, and complimented Scout on-demand transportation.
- **Board Member Comments:** None.
- **Next Board Meeting – December 10, 2025**

LYNX Announces January 2026 Service Changes

[Home](#) | [News and Events](#) | LYNX Announces January 2026 Service Changes

Navigate

Oct 23, 2025

The Central Florida Regional Transportation Authority (LYNX) will make system-wide changes effective Jan. 11, 2026. The January changes will include the following:

- Discontinuing Links 34, 45, 46E, 46W, 103, 434 and NeighborLink 822 and 851.
- Route/schedule changes on Links 1, 23, 102, 436N, 436S and the LYMMO Lime line.
- Schedule improvement on NeighborLink 811.
- Schedule reductions on the LYMMO Orange and Grapefruit lines and Link 701.
- Schedule adjustments on Links 8, 21, 44, 304 and 311.
- Bus bay changes at Pine Hills Transfer Center.

Maps and schedules are available at golynx.com.

January Service Changes

DISCONTINUED ROUTES

- Link 34 – N. U.S. 17-92/Sanford. (Seminole County)
- Link 45 – Lake Mary (Seminole County)
- Link 46E – East first St./Downtown Sanford (Seminole County)
- Link 46W – West SR 46/Seminole Towne Center (Seminole County)
- Link 103 – N. U.S. 17-92/Seminole Center (Seminole County)
- Link 434 - S.R. 434 (Seminole County)
- NL 822 – Oviedo (Seminole County)
- NL 851 – Sanford (Seminole County)

ROUTE/SCHEDULE CHANGES

- **Link 1** – Winter Park/Maitland/Altamonte Springs (Orange/Seminole County) – Changing route to operate between Winter Park SunRail and Maitland Center. Service north of Maitland Center will be discontinued. Change routing to Winter Park SunRail Station to use Webster Avenue and Denning Drive. Weekday and Saturday schedule adjustments.
- **Link 23** – Winter Park/Rosemont/Springs Plaza (Orange/Seminole County) – Route will end at SR 436/SR 434. Discontinuing service to Springs Plaza. Weekday and Saturday schedule adjustments.
- **Link 61** – LYMMO Lime Line (City of Orlando) – Changing route alignment to operate in a loop via Gore Street, Orange Avenue, Rosalind Street, Magnolia Avenue, Marks Street, Orange Avenue, Anderson Street and Delaney Avenue. Timepoint will move to a new bus stop on Gore Street. Service frequency will change to 30 minutes.
- **Link 102** – Orange Ave./South U.S. 17-92 (Orange/Seminole County) – Discontinuing service on Fernwood Boulevard. Extending route to Altamonte Springs SunRail via Oxford Road, SR 436 and Ronald Reagan Boulevard. Daily schedule adjustments.
- **Link 436N** – SR 436/Fernwood/Apopka (Orange/Seminole County) – Changing route to operate between Apopka SuperStop and Altamonte Springs SunRail. Service to Fern Park will be discontinued. Discontinuing weekday trips from Fern Park to Apopka SuperStop at 9:05 p.m., 10:05, 11:05 and 12:20 a.m.; Saturday from Fern Park to Apopka SuperStop at 6 a.m., 9:35, 10:25, 11:35 p.m. and midnight; and from Apopka SuperStop to Fern Park at 4:40 and 5:10 a.m., 8:40 and 9:40 p.m.
- **Link 436S** – SR 436/Fern Park/Orlando International Airport (Orange/Seminole County) – Discontinuing service on Fernwood Boulevard. Extending route to Altamonte Springs SunRail via SR 436 and Ronald Regan Boulevard. Minor daily schedule adjustments.

SCHEDULE IMPROVEMENTS

- **NeighborLink 811** – Ocoee (Orange County) – Extending weekday evening service to 8:35 p.m.

SCHEDULE REDUCTIONS

- **Link 60** – LYMMO Orange Line (City of Orlando) – Changing service to end at 8 p.m. daily. Reducing Sunday frequency to 30 minutes.
- **Link 62** - LYMMO Grapefruit Line (City of Orlando) – Changing service to end at 8 p.m. daily. Reducing Sunday frequency to 30 minutes.
- **Link 701**– Orange Tech College Shuttle (Orange County) – Discontinuing 4:55 p.m. weekday trip from West Oaks Mall and 8:45 p.m. trip from Orange Technical College.

SCHEDULE ADJUSTMENTS

- **Link 8** – Oak Ridge Road/International Drive. (Orange County) – Minor schedule adjustments daily. Timepoint moved from Oak Ridge Road and Rio Grande Avenue to Oak Ridge Road and Texas Avenue.
- **Link 21** – Raleigh Street/Kirkman Road/Universal Orlando (Orange County) – Minor weekday schedule adjustments.
- **Link 44** – Hiawassee Road/Zellwood/Apopka (Orange County) – Minor schedule adjustments Monday-Saturday. Timepoint moved from Errol Plaza to Highway 441 and Opal Court.
- **Link 304** – Disney Direct/Rio Grande Ave./Vistana (Orange County) – Daily minor schedule adjustments. Timepoint moved from Oak Ridge Road and Rio Grande Avenue to Oak Ridge Road and Texas Avenue.
- **Link 311** – Disney/OIA/Epic Universe (Orange County) – Minor weekday schedule adjustments to align with new SunRail schedule.

BUS BAY CHANGES

- Pine Hills Transfer Center
- Link 37 from Bay D to Bay E.
- Link 44 from Bay B to Bay H.
- Link 48 from Bay C to Bay D.
- Link 49 outbound from Bay F to Bay B.
- Link 49 inbound from Bay E to Bay C.
- Link 125 outbound from Bay H to Bay F.
- Link 301 from Bay B to Bay H.
- Link 302 from Bay F to Bay B.
- Link 303 from Bay E to Bay C.

A REGIONAL TRANSPORTATION PARTNERSHIP

Memorandum

November 25,
2025

To: MetroPlan Orlando Advisory Committee Members

From: Mighk Wilson, Senior Planner

Subject: December 2025 Bicycle & Pedestrian Activity Update

City of Casselberry

The City of Casselberry anticipates awarding construction of the Central Casselberry Connectivity project in October 2025, which was prioritized for funding through MetroPlan Orlando. Construction is anticipated to begin shortly after the “Bike 5” event and be completed by summer 2026. This project will add new shared use paths and sidewalks to various City streets, including an extension of the City’s trail system along S Winter Park Drive from Cannon Way to Marigold Rd. It will also replace the existing signalized intersection at Wilshire Dr/S Winter Park Dr with a roundabout.

City of Orlando

On May 29th, the City hosted a ribbon cutting ceremony to mark the completion of Phase I of the Grand National Drive capacity improvements, a key milestone in the City’s broader effort to revitalize the North International Drive corridor. Enhancements stretch from Oak Ridge Road to Vanguard Street and include: 10–12-foot multi-use sidewalks to improve bike/ped safety, redesigned streetscapes and upgraded landscaping, improved drainage, and traffic flow enhancements.

In July, the City kicked off a Bike and Micromobility Parking Study. The purpose of the study is to assess bike facilities available within the downtown core and recommend best practice strategies to improve city policies, infrastructure, and road design to address and enhance end of trip experiences for cyclists and scooterists.

The CROSS project, led by the Orlando Vision Zero Program Manager, has implemented several public workshops in the community to gather public input on its proposed transportation projects. Workshops have been held in Parramore, Downtown, and the Semoran and Curry Ford area. Virtual outreach opportunities will soon be available for other Safe Mobility projects such as FORWARD.

In October, the City held a kickoff meeting for the 2025 Bike Plan update. The update will ensure that the Plan continues to be a robust blueprint for maintaining, improving, and expanding bicycle infrastructure, policies, and programming in the City.

In October, the City participated as a main stop for the Annual Bike 5 Cities with Bike/Walk Central Florida where we were the start for both the Bike 5 Cities ride and the new Bike 5 Main Streets ride. Additionally, the Bind Experience was held in the City during October and several City staff participated in the informative event.

Fiscal Year 2024/25

Federally Obligated Funds

for Orange, Osceola, and Seminole Counties, Florida

November 2025

Transportation Projects for Which Federal Funds Were Obligated During Fiscal Year 2024/25

This document contains a list of transportation projects in the MetroPlan Orlando region (Orange, Osceola, and Seminole Counties) for which federal funds were obligated during Fiscal Year 2024/25 (FY 2024/25) and may indicate funds spent or removed/reduced on certain projects. This has no impact on funding of projects in the current Transportation Improvement Program (TIP). This was prepared to meet a federal requirement for Metropolitan Planning Organizations (MPOs) under Title 23, Chapter 1, Subchapter E, Part 450.334 of the Code of Federal Regulation, which states:

- (a) In metropolitan planning areas, on an annual basis, no later than 90 calendar days following the end of the program year, the State, public transportation operator(s), and the MPO shall cooperatively develop a list of projects (including investments in pedestrian walkways and bicycle transportation facilities for which funds under 23 U.S.C. or 49 U.S.C Chapter 53 were obligated in the preceding program year.*
- (b) The listing shall be prepared in accordance with §450.314(a) and shall include all federally funded projects authorized or revised to increase obligations in the preceding program year, and shall at a minimum include the TIP information under §450.326(g)(1) and (4) and identify, for each project, the amount of Federal funds requested in the TIP, the Federal funding that was obligated during the preceding year, and the Federal funding remaining and available for subsequent years.*
- (c) The listing shall be published or otherwise made available in accordance with the MPO’s public participation criteria for the TIP.*

This pertains to the fact that the federal fiscal year runs from October through September while the fiscal year of most MPOs runs from July through June. As a result, those projects for which funds were obligated during July through September 2025 would be shown as programmed during FY 2024/25 according to the federal fiscal year but would be shown as programmed during FY 2025/26 according to the MPO fiscal year. Therefore, this legislation ensures that the projects in each MPO’s TIP for which federal funds were obligated during the preceding fiscal year are published in a list that matches the federal fiscal year time period.

Projects can be found on the following pages of this report, organized by County:

- Interstate Projects pages 5-6
- State Highway Projects pages 7-9
- Traffic Operations and Safety Projects pages 10-13
- Bicycle and Pedestrian Projects pages 14-15
- Aviation Projects pages 16-17
- Transit and Transportation Disadvantaged Projects, and Commuter Rail Projects pages 18-20

The amounts of federal funding for these projects and the funding sources (codes) are shown in separate columns on the spreadsheets. Many of these projects also utilized funds from state and local sources, which are not shown in this document. The explanations for the funding codes and project phases contained in this document are shown on pages 3-4.

Abbreviations & Acronyms

Federal Funding Codes

22-CMPJ-1 2022 Community Project Funding

BRTZ Bridge Replacement Program, Off-System

CAR Carbon Reduction Program (i.e. CARB, CARU)

A REGIONAL TRANSPORTATION PARTNERSHIP

November 20, 2025

To: Board and Committee Members
From: Gary Huttman AICP, Executive Director
Subject: 2025 Population Estimates

The official 2025 population estimates were recently released by the University of Florida's Bureau of Economic and Business Research (BEBR).

The attached table compares the 2024 population estimates with the 2025 population estimates for our three-county region, as well as for our neighboring counties and the State of Florida. The original BEBR statewide 2025 population estimates are available at <https://bebr.ufl.edu/population/population-data/>, and archived population estimates and associated data can be accessed at <https://www.bebr.ufl.edu/population/population-data-archive/>.

Highlights are as follows:

- From 2024 to 2025, there was a 2.44% increase in the population of our three-county area – higher than the percentage increase for the 2023-2024 report (1.53%). This is an increase of more than 59,985 new residents – which is nearly the current population of the City of Apopka.
- In our three-county region, Osceola County continued to have the highest rate of growth this year (7.46%).
- The Orange County municipality with the largest percentage increase was the Town of Eatonville (35.06%, 864 new residents), and the municipality with the largest numerical increase was the City of Orlando (1.68%, 5,615 new residents).
- The Osceola County municipality with the largest percentage increase and numerical increase was the City of St. Cloud again (7.98%, 5,268 new residents).
- The Seminole County municipality with the largest percentage increase and numerical increase was the City of Altamonte Springs (0.63%, 296 new residents).

The 2025 population figures will be considered in developing our Unified Planning Work Program and budget for the upcoming year.
