

2045 Metropolitan Transportation Plan (MTP)

Overview of Proposed Plan Revisions

February 2024

Reason for Amendment / Modification:

The Moving Florida Forward Infrastructure Initiative was approved in 2023, and three projects within/adjacent to the MetroPlan Orlando planning area have received funding for advanced construction. To proactively maintain compliance with state and federal long range planning requirements, MetroPlan Orlando staff is proposing to include the three projects for planning consistency.

Requested amendments and modifications will be made to the *Cost Feasible Plan: Strategies, Programs, and Projects* documentation of the adopted 2045 Metropolitan Transportation Plan, as follows:

1. **Amendment** – Table 6 (NHS/SIS projects) – Inclusion of three projects which have received advanced construction funding through the Moving Florida Forward Infrastructure Initiative.
