#### XI. OTHER BUSINESS

#### A. Next LRTP Update

Mr. Nick Lepp will present several Administrative Amendments to the 2040 Long Range Transportation Plan. The amendments will add projects to the locally funded list for Orange County and that have recently been added to the Transportation Improvement Program. The Amendments have no impact on the Cost Feasible plan or funding of adopted projects and no action is required. The Board will also receive information on deadlines and updates to the Long Range Transportation Plan that are needed to meet the Planning Requirements identified in MAP-21 & the FAST Act.

B. Overview of FDOT's Proposed FY 2018/29 – 2022/23 Tentative Five Year Work Program – Mr. Brian Stanger, FDOT, and Ms. Carol Scott, FTE

#### C. Update on SR 436 Transit Corridor Study

Mr. Myles O'Keefe, LYNX, will give a presentation on LYNX's SR 436 Transit Corridor Study. This update will focus on the first half of the 18-month long study.

#### XII. BOARD MEMBER COMMENTS

#### XIII. PUBLIC COMMENTS (GENERAL)

#### XIV. NEXT MEETING: Wednesday, December 13, 2017

#### XV. ADJOURNMENT

In accordance with the Americans with Disabilities Act (ADA), if any person with a disability as defined by the ADA needs special accommodations to participate in this proceeding, he or she should contact Ms. Cathy Goldfarb, Senior Board Services Coordinator, at MetroPlan Orlando, 250 S. Orange Avenue, Suite 200, Orlando, Florida, 32801 or by telephone at (407) 481-5672 x315 or email at cgoldfarb@metroplanorlando.org at least three business days prior to the event.

Persons who require translation services, which are provided at no cost, should contact Ms. Cathy Goldfarb, Senior Board Services Coordinator, at MetroPlan Orlando at 250 S. Orange Avenue, Suite 200, Orlando, Florida 32801 or by telephone at (407) 481-5672 x315 or by email at cgoldfarb@metroplanorlando.org at least three business days prior to the event.

As required by Section 286.0105, Florida Statutes, MetroPlan Orlando hereby notifies all interested parties that if a person decides to appeal any decision made by MetroPlan Orlando with respect to any matter considered at such meeting or hearing, he or she may need to ensure that a verbatim record is made to include the testimony and evidence upon which the appeal is to be based.

#### I. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

Commissioner Bob Dallari called the meeting to order at 9:01 a.m. Council President John Dowless led the Pledge of Allegiance.

#### II. CHAIRMAN'S ANNOUNCEMENTS

Commissioner Dallari reported on the August 30, 2017 Commuter Rail Commission meeting where members received a brief overview of operating statistics and financial performance. Commission members discussed changes that Volusia County would like to make to the Interlocal Agreements and some options for funding Phase 2-North. FDOT, he noted, agreed to look at options for reducing the scope of the project and Volusia County officials were asked to check with Congressman DeSantis to determine if he supports Phase 2-North. Commissioner Dallari added that funding partners are moving forward with a procurement

action for a Transition Study and the Commission's next meeting will be held on November 1 at 3pm at MetroPlan Orlando.

Commissioner Clarke provided a report on the August 10<sup>th</sup> and September 7<sup>th</sup> TDLCB meetings. He told Board members that at the August TDLCB meeting members received a report from the Quality Assurance Task Force, an overview of the Community Transportation Coordinator Evaluation (CTC) process and were asked for input for the 2018 Legislative Priorities. The bulk of the meeting, he noted, was a workshop to better understand an ACCESS LYNX issue with uncollected fares. Based on the information presented, TDLCB made a recommendation which included changes to the fare collection policy. TDLCB met September 7<sup>th</sup> and due to additional information provided, voted to hold their previous decision in abeyance and review the issue again at their November 9<sup>th</sup> meeting.

Commissioner Dallari called upon Commissioner Emily Bonilla, Orange County who provided background information regarding her vote to not approve the Transportation Improvement Program at the July 2017 meeting. She called attention to several proposed/planned projects in East Orange County that she felt were incompatible with the areas and would be disruptive to existing neighborhoods. He called attention to FDOT's Mobility Week October 28<sup>th</sup> – November 3<sup>rd</sup> and introduced Ms. Lisa Portelli, Winter Park Health Foundation, who spoke about Bike Walk Central Florida's Bike Friendly Cities Ride on October 31<sup>st</sup>. Commissioner Dallari announced that the Regional Leadership Council was meeting immediately following the Board meeting. Ms. Virginia Whittington was recognized for a recent WTS Member of the Year award. She announced that future award programs will include a new Regional Partner Award recognizing a regional transportation partner for their commitment to furthering the region's transportation plans which was named in honor of Mr. Harry Barley.

#### III. EXECUTIVE DIRECTOR'S ANNOUNCEMENTS

Mr. Harold Barley introduced guests Ms. Helen Miller from Senator Nelson's office and Ms. Lauren Allen, Congresswoman Murphy's office. He noted that Mr. Bill Peebles, MetroPlan's representative in Tallahassee, would be participating by phone. Mr. Barley announced that a grant application submitted to USDOT by FDOT-MetroPlan Orlando-UCF was selected to receive \$12 million from the Advanced Transportation and Congestion Management Technologies Deployment Initiative. He told Board members that the Orlando Economic Partnership is developing a proposal for Amazon to locate their second corporate headquarters in Central Florida and MetroPlan Orlando had provided supporting material to address transportation infrastructure. Mr. Barley congratulated Ms. Cynthia Lambert and Ms. Mary Ann Horne on their FPRA awards for the new website and for the Transportation Disadvantaged video. He also congratulated Ms. Virginia Whittington on her 20<sup>th</sup> anniversary at MetroPlan. Mr. Barley announced the birth of a baby boy for Ms. Kellie Smith, FDOT and introduced Mr. Michael Ziarnek, FDOT's new Bicycle/Pedestrian Coordinator and new MetroPlan Orlando staff member, Ms. Robin Cusimano. Discussion ensued regarding possible assistance that could be offered to advance the Amazon proposal.

**MOTION:** Mayor Teresa Jacobs moved approval for submitting a letter of support from the MetroPlan Orlando Board, for the proposal for Amazon locating their second headquarters in Central Florida. Commissioner Pete Clarke seconded the motion, which passed unanimously.

Council President Dowless commented that Congressman Mica had played a role in securing Advanced Transportation and Congestion Management Technologies Deployment Initiative Grant funding and suggested some type of formal acknowledgement for Congressman Mica.

**MOTION:** Commissioner Lee Constantine moved approval for drafting a letter of thanks and a resolution from the MetroPlan Orlando Board, for Congressman Mica's efforts on behalf of the Advanced Transportation and Congestion Management Technologies Deployment Initiative grant. Council President John Dowless seconded the motion, which passed unanimously.

#### IV. CONFIRMATION OF QUORUM

Ms. Cathy Goldfarb confirmed a quorum of 17 voting members present. Also present were 3 advisors; and the meeting having been duly convened was ready to proceed with business.

#### V. AGENDA REVIEW

Mr. Barley reported that they were ready to move forward with the agenda.

#### VI. COMMITTEE REPORTS

Council President John Dowless reported that the Municipal Advisory Committee met on September 7, 2017 and welcomed Mr. Michael Ziarnek, the FDOT District Bike/Ped Coordinator. In addition to approving the July 6th meeting minutes, MAC also recommended approval of four FY 2017/18-2021/22 TIP Amendment requests. Committee members received a presentation on the Juice Bike Share program and staff requested input on the 2018 Legislative priorities and positions. The only suggested change MAC members recommended was to add the word "safety" to the item having to do with quiet zones.

Mr. Tom O'Hanlon reported that Community Advisory Committee members met on August 23, 2017 and recommended approval of four amendments to the Transportation Improvement Program. CAC members, he noted, provided input on MetroPlan Orlando's 2018 legislative priorities. A variety of topics were discussed, including transportation funding, technology, and safe routes to school projects. The committee had lengthy discussion, on a recent legislative change that negatively impacts the Miami-Dade Expressway Authority. The CAC ultimately made a motion to discourage a policy of redistributing bond proceeds after issuance. Committee members also received an enlightening presentation on the Juice Bike Share Program.

Ms. Mary Moskowitz reported that Technical Advisory Committee members met on August 25, 2017 and recommended approval of the of the TIP amendments. Committee members heard presentations on the Juice Bike Share Program, the Strategic Intermodal System (SIS) Connector Plan for FDOT District 5, and the Airsage Travel Time information. There was also a request from MetroPlan Orlando staff for input on legislative priorities for 2018.

Ms. Joedel Zaballero reported that the Transportation Systems Management & Operations Committee met on August 25, 2017 and approved the June 23, 2017 meeting minutes and amendments to the FY 2017/18 - 2021/22 Transportation Improvement Program (TIP). A subcommittee was established to recommend a MetroPlan Appointee to TSMO per the TSMO bylaws. Lastly, TSMO members received a presentation by Ms. Virginia Whittington, MetroPlan

Orlando staff, who requested input on MetroPlan Orlando's potential legislative priorities for the 2018 legislative session.

#### VII. PUBLIC COMMENTS ON ACTION ITEMS

Mr. Dan Kinchen, 128 Lazy Oaks Boulevard, Longwood, commented on the flooding issue at his home that he attributes to a breach of an I-4 Ultimate retention pond. The flooding has made his home uninhabitable. He commented that he had spoken to an attorney but was unable to retain him due to cost constraints and he wanted to bring the issue to community leaders in hopes of getting the flooding addressed.

Ms. Ashley Kinchen, 128 Lazy Oaks Boulevard, Longwood, commented on the flooding issue at her home that she attributes to a breach of an I-4 Ultimate retention pond the day before Hurricane Irma. The family, she stated, including their five children, has had to relocate due to the flooding making their home uninhabitable and she felt that someone needs to take responsibility for the flooding and address the problem.

Ms. Marianne King, 1339 Grace View Court, Longwood, commented on the flooding issue being faced in Longwood and her concern that the Wekiva Parkway construction could create a similar issue elsewhere in the area. She expressed the need to look at the long-term effect of projects and how local entities can work together to prevent future issues.

Ms. Michelle Cavanaugh Ronning, 206 Garden Lane, Longwood, commented on the flooding issue that has left 5 feet of water in her home. She commented that the water is contaminated with e-coli, they have no fresh water and the flooding is a health issue.

Ms. Karen Blaydes, 132 Lake Oaks Boulevard, Longwood, commented on the flooding issue at her home. She commented that in forty years the house has never flooded and the only change in the area is the I-4 Ultimate construction. She stated that there is still four feet of water in the house that can't be pumped out and they are losing their rental income from the property.

(The Board discussed this matter under Agenda Item IX.B.)

#### VIII. CONSENT AGENDA

- A. Approval of Minutes from July, 12, 2017 Board meeting
- B. Approval of June (preliminary unaudited), July and August 2017 Monthly Financial Reports and Acknowledgement of July and August 2017 Travel Reports
- C. Ratification of FY 2017 Budget Amendment #5
- D. Ratification of FY 2018 Budget Amendment #2
- E. Approval to Award Contract for State Legislative Consultant Services
- F. Approval of Central Florida MPO Alliance Priorities
- G. Ratification of Board Resolution in support of "Put the Brakes on Fatalities Day"

#### H. Approval of Board Resolution in support of "Blind Americans Equality Day"

**MOTION:** Mayor Jose Alvarez moved approval of the Consent Agenda. Commissioner Betsy VanderLey seconded the motion, which passed unanimously.

#### IX. OTHER ACTION ITEMS

A. 1. Ratification of Emergency TIP Amendment (Board Resolution No. 1705) for a railroad crossing safety project in the City of Orlando that was approved by the MetroPlan Orlando Board Chairman, consistent with the Board-approved Internal Operating Procedures (ROLL CALL VOTE REQUIRED)

An emergency TIP amendment for a railroad crossing safety project was approved by the MetroPlan Orlando Board Chairman in July. A copy of the FDOT letters requesting the amendment, a fact sheet prepared by MetroPlan Orlando staff and Resolution No. 17-05 were provided. Mr. Keith Caskey requested that the Board ratify the emergency TIP Amendment.

2. Approval of Amendment to the FY 2017/2018-2021/2022 Transportation Improvement Program (TIP) for Roll Forward Projects from FY 2016/2017 to FY 2017/2018 (ROLL CALL VOTE REQUIRED)

Mr. Keith Caskey, MetroPlan Orlando staff, requested the FY 2017/18 - 2021/22 TIP be amended to include projects that had funds that rolled forward from FY 2016/17 to FY 2017/18. A letter from FDOT explaining the amendment request along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution were provided.

3. Approval of Amendment to the FY 2017/2018-2021/2022 Transportation Improvement Program (TIP) for Roll Forward SunRail Projects from FY 2016/2017 to FY 2017/2018. (ROLL CALL VOTE REQUIRED)

Mr. Keith Caskey, MetroPlan Orlando staff, requested the FY 2017/18 - 2021/22 TIP be amended to include SunRail projects that had funds that rolled forward from FY 2016/17 to FY 2017/18. A letter from FDOT explaining the amendment request along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution were provided.

4. Approval of Amendment to the FY 2017/2018-2021/2022 Transportation Improvement Program (TIP) to include additional funding for the Hoagland Boulevard project in Osceola County (ROLL CALL VOTE REQUIRED)

Mr. Keith Caskey, MetroPlan Orlando staff, requested the FY 2017/18 - 2021/22 TIP be amended to include additional construction funding for the four-laning and realignment of Hoagland Boulevard in Osceola County due to updated cost estimates. A letter from FDOT explaining the amendment request, along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution were provided.

 Approval of Amendment to the FY 2017/2018-2021/2022 Transportation Improvement Program (TIP) to include funding for the Construction Engineering Inspection phase for the Wekiva Parkway project from Orange Boulevard to west of I-4 in Seminole County. (ROLL CALL VOTE REQUIRED) Mr. Keith Caskey, MetroPlan Orlando staff, requested the FY 2017/18 - 2021/22 TIP be amended to include funding for the Construction Engineering Inspection phase for the Wekiva Parkway project from Orange Blvd. to west of I-4. A letter from FDOT explaining the amendment request, along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution were provided.

- MOTION: Commissioner Samuel Ings moved approval of the Amendments A., 1-5 to the FY 2017/2018-2021/2022 Transportation Improvement Program. Commissioner Lee Constantine seconded the motion, which passed unanimously. (Roll Call Vote Taken)
- B. Approval of Emergency Amendment to the FY 2017/2018-2021/2022 Transportation Improvement Program (TIP) to include \$60.6 million in additional construction funding for the Wekiva Parkway project from Orange Boulevard to west of I-4 in Seminole County. (ROLL CALL VOTE REQUIRED)

Mr. Keith Caskey requested that the MetroPlan Orlando Board approve an emergency amendment to the TIP to add construction funding for the Wekiva Parkway project from Orange Boulevard to I-4. The letter from FDOT, fact sheet and TIP amendment resolution 17-13 were provided. Commissioner Constantine commented that he and Commissioner Dallari had both visited the site of the Longwood flooding east of I-4. He noted that the citizens had brought the issue to the Seminole County Commission meeting and he saw no other reason for the flooding except the breach of the I-4 retention pond. He added that the area of the Wekiva Parkway that was addressed in the Emergency TIP Amendment could possibly experience a flooding issue. Commissioner Constantine felt that Seminole County should have the opportunity to review and comment on future project plans. Mayor Alvarez requested that Board members hear from FDOT staff. Representatives from FDOT that were in attendance were asked to comment on the issue and what steps, if any, were being taken, to address the Longwood flooding. FDOT representatives were not able to provide any information at this time and indicated they would be speaking to the District Secretary regarding the issue. Wekiva Parkway project manager, Ashraf Elmaghraby, and FDOT staff member Hatem Aguib spoke on the project and its non-involvement with the Longwood flooding issue. Commissioner Dallari commented that there needs to be a dialog between FDOT and the citizens involved in the flooding. Mayor Alvarez asked what can be done to help the citizens move forward. FDOT staff and Commissioner Dallari met with the homeowners to discuss the issue after the Board meeting.

**MOTION:** Commissioner Lee Constantine moved approval of the Emergency Amendment to the FY 2017/2018-2021/2022 Transportation Improvement Program (TIP) to include \$60.6 million in additional construction funding for the Wekiva Parkway project from Orange Boulevard to west of I-4 in Seminole County with the caveat that prior to any final approval, Seminole County has the right to review and comment on issues pertaining to drainage and storm water retention in this project area. Commissioner Samuel Ings seconded the motion, which passed unanimously. (Roll Call Vote Taken)

#### C. Approval of State Legislative Priorities for the 2018 Session

Mr. Bill Peebles provided a report on the 2017 legislative session and looked ahead to the 2018 session via teleconference. He reported that the session had a negative overall feeling, revenue was down and future budgets did not look promising for improvement. He

cautioned that based on budget shortfalls, the Transportation Trust Fund would be a potential target for raiding. Ms. Virginia Whittington reviewed the draft priorities for the 2018 Legislative session that were being presented to the Board for approval. She reported that the Slosberg bill, making texting while driving a primary offense, was progressing. Ms. Whittington noted that \$1.2 million in funding for quiet "safety" zones for SunRail Phase II South was included as a top priority. MAC members, she added, had requested that "safety" be added to the quiet zone title as part of their 2018 legislative priority review. Ms. Whittington told Board members that another top priority was seeking flexibility in the use of local option transportation funding taxes such as Charter County & Regional Transportation System Surtax and the Local Government Infrastructure Surtax. She commented that staff had received a wide range of responses from local legislators regarding this priority.

**MOTION:** Commissioner Pete Clarke moved approval of MetroPlan Orlando's State Legislative Priorities for the 2018 Session. Commissioner Samuel Ings seconded the motion, which passed unanimously.

#### D. Approval of Board Resolution No. 17-12 on Texting While Driving

Ms. Virginia Whittington told Board members that the proposed resolution was in support of the Slosberg bill making texting while driving a primary offense.

**MOTION:** Commissioner Samuel Ings moved approval of Board Resolution No. 17-12 on Texting While Driving. Commissioner Pete Clarke seconded the motion, which passed unanimously.

#### X. INFORMATION ITEMS FOR ACKNOWLEDGEMENT (Action Item)

#### A. <u>Correspondence</u>

- Letter from the Lake County Board of County Commissioners to Governor Scott dated July 27, 2017 regarding the future of the Lake-Sumter MPO
- Memorandum from Commissioner Emily Bonilla to the MetroPlan Orlando Board members dated August 16, 2017 regarding the Five-Year Transportation Improvement Program (TIP)
- Florida MPO Advisory Council Legislative Policy Positions for the 2018 Session
- Memorandum from Mr. Barley to the Central Florida Commuter Rail Commission Members dated September 18, 2017 regarding TIGER Grant Funding for SunRail Phase 2-North

#### XI. OTHER BUSINESS

A. Overview of the Corrine Drive Study, Phase 1, highlighting the public workshop video, the existing conditions analysis and the study's public involvement activities

Ms. Elizabeth Whitton provided background information on the Corrine Drive Study and what has been undertaken during Phase I of the study, which kicked off in January 2017. Ms. Cynthia Lambert reviewed the public involvement aspects of the study including

survey results and the public workshop held July 27<sup>th</sup> at Leu Gardens. Phase II, she reported, will involve road design options with input solicited from the public and in Phase III, a draft plan will be submitted. Ms. Lambert added that the Corrine Drive Study is expected to wrap up in summer 2018.

#### XII. BOARD MEMBER COMMENTS

None.

#### XIII. PUBLIC COMMENTS (GENERAL)

Ms. Joanne Counelis expressed the need for 24 hour bus and train service seven days a week.

#### XIV. ADJOURNMENT

There being no further business, the meeting adjourned at 11:04 a.m. The meeting was transcribed by Ms. Cathy Goldfarb.

Approved this 8th day of November 2017.

Commissioner Bob Dallari, Chairman

Ms. Cathy Goldfarb, Senior Board Services Coordinator/ Recording Secretary

As required by Section 286.0105, Florida Statutes, MetroPlan Orlando hereby notifies all interested parties that if a person decides to appeal any decision made by MetroPlan Orlando with respect to any matter considered at such meeting or hearing, he or she may need to ensure that a verbatim record is made to include the testimony and evidence upon which the appeal is to be based.

### Travel Summary - September 2017

Traveler:	Nikhila Rose
Dates:	September 5-8, 2017
Destination:	Daytona Beach, FL
Purpose of trip:	APA Conference
Cost:	\$604.58
Paid By:	MetroPlan Orlando funds
Traveler:	Eric Hill
Dates:	September 19-21, 2017
Destination:	Hanover, MD
Purpose of trip:	WISE Demonstration Workshop
Cost:	\$580.88
Paid By:	Metro Plan Orlando funds
Traveler:	Virginia Whittington
Dates:	September 26 - October 1, 2017
Destination:	Arlington, VA
Purpose of trip:	WTS Executive Leadership Program
Cost:	\$942.59
Paid By:	Metro Plan Orlando funds

	Board Action Fact Sheet					
	Meeting Date: November 8, 2017					
	Agenda Item: VIII.D. (Tab 1)					
metroplan orlando	Roll Call Vote: No					
Action Requested:	Approval of Budget Amendment #3					
Reason:	To add an additional \$150,000 of SU funds for additional traffic signal retiming studies; to add \$20,000 of revenue for the Central Florida Regional Public Transit Study; and to add local fund expenditures including \$12,936 for the Interactive TIP.					
Summary/Key Information:	Additional roadways have been selected for traffic signal retiming totaling \$150,000. Available SU funds will be used to conduct these studies. Also, new FTA funds were not available for the Interactive TIP expense as budgeted.					
MetroPlan Budget Impact:	No change to overall budget					
Local Funding Impact:	None					
Committee Action:	CAC: N/A TSMO: N/A TAC: N/A MAC: N/A					
Staff Recommendation:	Recommends approval					
Supporting Information:	The revised budget amendment document and updated agencywide budget are available under tab 1.

#### **RESOLUTION NO. 17-15**

#### SUBJECT:

#### Board Resolution Honoring Congressman John L. Mica

WHEREAS, Congressman John L. Mica represented Central Florida in the United States House of Representatives with distinction between 1992-2016; and

WHEREAS, Congressman Mica was committed to serving his constituents by addressing both immediate needs and long-range planning; and

WHEREAS, Congressman Mica was recognized as a leader in the transportation industry among fellow members of Congress and by practitioners across the country; and

WHEREAS, Congressman Mica served on the House Transportation & Infrastructure Committee where surface transportation policy and modernizing the nation's air traffic control system were among his top priorities; and

WHEREAS, Congressman Mica was instrumental in strengthening the region's partnership with the federal government to accomplish major projects including the completion of the beltway, the rebuilding of I-4, SunRail, expanding the capacity of the region's three commercial airports, enhancing Port Canaveral and supporting efforts by Space Florida; and

WHEREAS, Congressman Mica worked tirelessly in a bi-partisan fashion with the Administration and Congress to obtain approval of a series of federal transportation bills, most recently the FAST Act (Fixing America's Surface Transportation System) which was signed into law by President Obama on December 4, 2015; and

WHEREAS, Congressman Mica played a major role with getting the Advanced Transportation and Congestion Management Technologies Deployment Initiative grant program in the FAST Act which provides \$60 million/year for each of five years to demonstrate the value of investing in technology to improve the efficiency and reliability of the nation's transportation system; and

WHEREAS, MetroPlan Orlando partnered with the Florida Department of Transportation and the University of Central Florida to submit a grant application in 2017 and the application was selected by the United States Department of Transportation to receive \$11.9 million in federal funding

Board Resolution No. 17-15 Page <u>2</u> of <u>2</u> pages

**NOW, THEREFORE, BE IT RESOLVED**, that the MetroPlan Orlando Board expresses the region's sincere appreciation for Congressman Mica's extraordinary efforts over the past 25 years to improve Central Florida's regional transportation system for residents, visitors and businesses; and

**BE IT FURTHER RESOLVED**, that the Board recognizes the nationwide impact that Congressman Mica's work has had on transportation policy development and calling attention to the importance of making wise investments in the nation's infrastructure.

Passed and duly adopted at a regular meeting of the MetroPlan Orlando Board on the 8<sup>th</sup> day of November, 2017.

#### **Certificate**

The undersigned duly qualified as Chairman of the MetroPlan Orlando Board certifies that the foregoing is a true and correct copy of a Resolution adopted at a legally convened meeting of the MetroPlan Orlando Board.

Honorable Bob Dallari, Chairman

Attest:

Cathy Goldfarb, Sr. Board Services Coordinator and Recording Secretary

Action Requested:	FDOT requests approval of an amendment to the FY 2017/18 - 2021/22 Transportation Improvement Program which primarily includes funding for new projects.		
Reason:	FDOT is adding funding for an existing LYNX project and providing additional funding for new projects throughout the MetroPlan Orlando region.		
Summary/Key Information:	Items of particular significance for our Committees and the Board are as follows:		
	<ul> <li>Adds a total of about \$3 million in FTA and LF funds for the expansion of the LYNX Operating Center at John Young Parkway and Princeton Street in FY 2017/18</li> </ul>		
	<ul> <li>Adds over \$4 million in ACNP funds for construction of new widening and traffic operations improvements on a segment of SR 60 in Osceola County</li> </ul>		
	<ul> <li>Adds nearly \$2 million in SU funds for design of access management improvements on US 17/92 in Winter Park (#5 State Road priority in FY 2022/23 – 2039/40 PPL)</li> </ul>		
	<ul> <li>Adds about \$7 million in SU funds for construction of the Orlando Trail Extension project in Orlando (#28 Bike &amp; Ped priority in FY 2022/23 – 2039/40 PPL)</li> </ul>		
	<ul> <li>Adds a total of \$12.8 million in SU funds for construction of 10 new Transportation Systems Management and Operations (TSMO) projects in Orange, Osceola and Seminole Counties</li> </ul>		
MetroPlan Budget Impact:	None		
Local Funding Impact:	None		
Committee Action:	CAC:Recommended approval on October 25, 2017TSMO:Recommended approval on October 27, 2017TAC:Recommended approval on October 27, 2017MAC:To be taken up on November 2, 2017		
Staff Recommendation:	Recommends approval

	Proposed Board Resolution No. 17-14		

RICK SCOTT GOVERNOR 719 S. Woodland Boulevard DeLand, Florida 32720-6834 MIKE DEW SECRETARY

October 16, 2017

Mr. Gary Huttmann Deputy Executive Director MetroPlan Orlando 250 South Orange Ave., Suite 200 Orlando, FL 32801

Dear Mr. Huttmann:

#### Subject: REQUEST FOR TRANSPORTATION IMPROVEMENT PROGRAM CHANGES

The Florida Department of Transportation requests the following changes to be made to MetroPlan Orlando's Transportation Planning Organization's Adopted Fiscal Years 2017/2018 – 2021/2022 Transportation Improvement Program (TIP) in coordination with the corresponding changes to the Department's Adopted Work Program. Please make sure that you put the amendment date on your cover page of the TIP and the page of the TIP that the project is listed on.

#### **ORANGE COUNTY**

#### FM#246556-1 Orange-CFRTA/LYNX Expansion of Operating Center Land Acquisition, Engineering and Construction. Project Sponsor: LYNX

#### **Current TIP Status:**

Project is currently in the TIP for Fiscal Years 2017/2018 – 2021/2022.

#### **Current TIP:**

Phase	Original Funding Type	Original Amount	Fiscal Year
Transit Capital Grant	None	\$0.00	2018
	TOTAL	\$0.00	

www.fdot.gov

#### **Proposed Amendment:**

Phase	Amended Funding Type	Amended Amount	Fiscal Year
Transit Capital Grant	FTA	\$3,300,000.00	2018
Transit Capital Grant	LF	\$825,000.00	2018
•	TOTAL	\$4,125,000.00	

#### Difference: \$4,125,000.00

**Explanation:** Federal Transit Administration funding awarded to MetroPlan Orlando Metropolitan Planning Organization for Fiscal Year 2018.

#### FM#439066-1 Orlando Trail Extension North Along Orange and South to Orlando health/Amtrak - Bike Path/Trail. Project Sponsor: City of Orlando

#### **Current TIP Status:**

Project is currently not in the TIP for Fiscal Years 2017/2018 – 2021/2022.

#### **Current TIP:**

Phase	Original Funding Type	Original Amount	Fiscal Year
PE (Design)	None	\$0.00	2018
CST (Construction)	None	\$0.00	2021
	TOTAL	\$0.00	

#### **Proposed Amendment:**

Phase	Amended Funding Type	Amended Amount	Fiscal Year
PE (Design)	SU (Federal)	\$819,546.00	2018
CST (Construction)	SU (Federal)	\$6,140,000.00	2021
· · · · · · · · · · · · · · · · · · ·	TOTAL	\$6,959,546.00	

#### Difference: \$6,959,546.00

**Explanation:** New project programmed into the Department's Work Program System for the City of Orlando due to availability of funding for Fiscal Year 2018.

#### FM#408429-2 SR 15 (US 600/17-92) Orlando Avenue From North of Orange Avenue to South of Monroe – Access Management Improvements and Widen Sidewalks. Project Sponsor: FDOT

#### **Current TIP Status:**

Project is currently not in the TIP for Fiscal Years 2017/2018 – 2021/2022.

#### **Current TIP:**

## **RESOLUTION NO. 17-14**

# SUBJECT:

# Amendment to the FY 2017/18 - 2021/22 Transportation Improvement Program

WHEREAS, the Orlando Urbanized Area Metropolitan Planning Organization (MPO), d.b.a. MetroPlan Orlando, is the duly designated and constituted body responsible for carrying out the urban transportation planning and programming process for the Orlando Urbanized Area, including the Transportation Improvement Program; and

WHEREAS, the Florida Department of Transportation (FDOT) is requesting to amend the FY 2016/17-2020/21 Transportation Improvement Program (TIP) in accordance with the MetroPlan Orlando Internal Operating Procedures; and

WHEREAS, the requested amendment is described as follows:

#### Orange County

- FM #2465561 Expansion of LYNX Operating Center Funding consists of \$3,300,000 in FTA funds and \$825,000 in LF funds for a capital grant in FY 2017/18;
- FM #4390661 Orlando Urban Trail Extension North along Orange Avenue and South Street to Orlando Health/Amtrak Bike Path/Trail Funding consists of \$819,546 in SU funds for design in FY 2017/18 and \$6,140,000 in SU funds for construction in FY 2020/21;
- FM #4084292 SR 15 (US 600/17-92) Orlando Avenue from North of Orange Avenue to South of Monroe Avenue Access Management Improvements and Widen Sidewalks Funding consists of \$1,980,000 in SU funds for design in FY 2017/18;
- FM #4414901 University Boulevard at Dean Road Intersection Improvement Funding consists of \$430,800 in SU funds for design in FY 2017/18, \$270,750 in SU funds for right-of-way in FY 2019/20, and \$1,868,681 in SU funds for construction in FY 2021/22;
- FM #4425441 City of Orlando ATSPM (Automated Traffic Signal Performance Measures) Traffic Control Devices - Purchase of Signal Performance Equipment - Funding consists of \$480,000 in SU funds for capital purchase in FY 2017/18;
- FM #4425481 City of Orlando ATMS Module Traffic Control Devices Purchase of Signal Performance Equipment - Funding consists of \$85,000 in SU funds for capital purchase in FY 2017/18;
- FM #4425491 Orange County ATMS Module Traffic Control Devices/System Project -Purchase of Signal Performance Equipment - Funding consists of \$65,000 in SU funds for capital purchase in FY 2017/18;

Resolution No. 17-14 Page 2 of 3

- FM #4425501 MetroPlan Orlando Area Remote ATSPM Equipment Traffic Control Devices/System Purchase of Signal Performance Equipment Funding consists of \$450,000 in SU funds for capital purchase in FY 2017/18;
- FM #4426871 ICM (Integrated Corridor Management) for MetroPlan Orlando Area Signal Device Installation Funding consists of \$548,530 in SU funds for construction in FY 2017/18;

#### Osceola County

- FM #4374701 Osceola County ATM Project Various Locations Traffic Control Devices/System Funding consists of \$275,000 in SU funds for design in FY 2017/18 and \$2,840,000 in SU funds for construction in FY 2018/19;
- FM #4410361 SR 60 from East of SR 15 (US 441) to West of SR 91 (Florida Turnpike) Widening/Traffic Operations Improvements Funding consists of \$520,000 in ACNP funds for design in FY 2017/18 and \$3,730,000 in ACNP funds for construction in FY 2020/21;
- FM #4425471 Osceola County Video Detection Upgrades Traffic Control Devices Purchase Video Detection Equipment - Funding consists of \$485,000 in SU funds for capital purchase in FY 2017/18;

#### Seminole County

- FM #4412111 Seminole County ATMS-DMS Phase 1 ITS Communication System Funding consists of \$205,000 in SU funds for design in FY 2017/18 and \$4,362,636 in SU funds for construction in FY 2018/19;
- FM #4425461 Seminole County Intersection Movement Traffic Control Devices Purchase of Equipment for Intersection Movement Counts Funding consists of \$475,000 in SU funds for capital purchase in FY 2017/18; and

**WHEREAS**, the requested amendment described above is consistent with MetroPlan Orlando's project priorities and currently adopted Long Range Transportation Plan.

**NOW, THEREFORE, BE IT RESOLVED** by the MetroPlan Orlando Board that the Florida Department of Transportation's amendment to the FY 2017/18 - 2021/22 Transportation Improvement Program be approved as requested.

Passed and duly adopted at a regular meeting of the MetroPlan Orlando Board on the  $8^{th}$  day of November, 2017.

Resolution No. 17-14 Page 3 of 3

## Certificate

The undersigned duly qualified as Chairman of the MetroPlan Orlando Board certifies that the foregoing is a true and correct copy of a Resolution adopted at a legally convened meeting of the MetroPlan Orlando Board.

Honorable Bob Dallari, Chairman

Attest:

Cathy Goldfarb, Sr. Board Services Coordinator and Recording Secretary

Recommends approval

Staff Recommendation:

Required final communication from the auditors is available under tab 3.

November 8, 2017

To the Members of the Board of MetroPlan Orlando Orlando, Florida

We have audited the basic financial statements of MetroPlan Orlando (the "Organization") as of and for the year ended June 30, 2017, and have issued our report thereon dated September 27, 2017. Professional standards require that we provide you with the following information related to our audit.

#### OUR RESPONSIBILITY UNDER U.S. GENERALLY ACCEPTED AUDITING STANDARDS, GOVERNMENT AUDITING STANDARDS, AND THE UNIFORM GUIDANCE

As stated in our engagement letter dated November 16, 2016, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

In planning and performing our audit, we considered your internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide assurance on the internal control over financial reporting. We also considered internal control over compliance with requirements that could have a direct and material effect on the Organization's major federal programs and major state project in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the OMB Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, as applicable.

As part of obtaining reasonable assurance about whether your financial statements are free of material misstatement, we performed tests of the Organization's compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit.

In accordance with the OMB Uniform Guidance, we examined, on a test basis, evidence about compliance with the types of compliance requirements described in the OMB Uniform Guidance *Compliance Supplement* and the Florida Department of Financial Services *State Compliance Supplement* applicable to the Organization's major federal programs and major state project for the purpose of expressing an opinion on the Organization's compliance with those requirements. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on those compliance requirements.

#### PLANNED SCOPE AND TIMING OF THE AUDIT

We performed the audit according to the planned scope and timing previously communicated to management.

<sup>255</sup> South Orange Avenue, Suite 600 • Orlando, FL 32801-3428 • 407.740.5400 • 407.740.0012 (facsimile) • www.mslcpa.com

To the Members of the Board of MetroPlan Orlando November 8, 2017 Page 2

#### SIGNIFICANT AUDIT FINDINGS

#### Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Organization are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The significant estimates included in the Organization's financial statements are estimates for depreciation expense.

The disclosures in the financial statements are neutral, consistent, and clear.

#### DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We did not note any misstatements which would be required to be communicated.

#### DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in a management representation letter dated September 27, 2017.

#### MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

To the Members of the Board of MetroPlan Orlando November 8, 2017 Page 3

#### **OTHER AUDIT FINDINGS OR ISSUES**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

#### OTHER INFORMATION IN DOCUMENTS CONTAINING AUDITED FINANCIAL STATEMENTS

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the U.S., the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

\*\*\*\*\*

This information is intended solely for the use of the Board and management of the Organization and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Moore Attephens Lovelace, P.a.

October 16, 2017

Amazon HQ2 Site Selection Team:

I am writing on behalf of the MetroPlan Orlando Board in support of the proposal being submitted by the Orlando Economic Partnership pertaining to your search for an ideal location for Amazon HQ2.

MetroPlan Orlando is the metropolitan planning organization for Seminole, Orange and Osceola Counties. We are established by federal law and state statutes to be responsible for regional transportation planning. Our Board is comprised primarily of elected officials from across the three-county area.

We are very enthused about Central Florida's proposal. The four prospective locations that have been identified are in jurisdictions we serve. We have provided the Orlando Economic Partnership with information on existing transportation facilities near each of the sites, improvements that are funded over the next five years and future plans.

Our track record demonstrates our commitment to investing in critical infrastructure projects. In addition to addressing mobility needs in our fast growing region, these projects also have contributed to our economic prosperity. After all, transportation <u>is</u> economic development.

We understand that transportation is expected to be a major factor in making the location decision for Amazon HQ2. Please know that if one of the prospective sites in Central Florida is chosen, we are open to modifying our priorities and our long-range plans to meet the needs of Amazon's employees and your customers.

You should also know that elected officials in our region pride themselves in being able to work across county lines for the benefit of Central Florida. This spirit of cooperation goes beyond our three-county area to include our neighboring jurisdictions. This 7-county area is what truly defines our region, making us a larger and stronger market than people realize.

Sincerely,

Commissioner Bob Dallari Board Chairman

October 17, 2017

HWB

Subject: Correction/Clarification for the Record

As a follow-up to last week's Board meeting, this memorandum is to correct the record and provide some clarification to all Board members (along with Orange County Commissioner Emily Bonilla, an alternate Board member) pertaining to an item that was not adequately addressed.

This matter has to do with projects being managed by Florida's Turnpike Enterprise, how these projects are incorporated in MetroPlan Orlando's Long Range Transportation Plan and the Transportation Improvement Program, and our Board's role in this process.

Reference is made to the attached memorandum from Mr. Steve Bechtel, our General Counsel, dated July 25, 2016. This legal research was done pertaining to the controversy over plans by Florida's Turnpike Enterprise to add express toll lanes on SR 417 in Seminole County.

Several relevant provisions in state statutes are cited in Mr. Bechtel's memorandum. Although Florida's Turnpike Enterprise is a component of FDOT, these citations make a distinction between Florida Turnpike Enterprise projects and other FDOT projects. These citations served as the basis for an opinion from Mr. Bechtel on how Florida's Turnpike Enterprise projects should be handled.

At this point, I believe it would be helpful to go one step beyond what is stated in Mr. Bechtel's memorandum for clarification purposes:

<u>For projects being managed by Florida's Turnpike Enterprise</u>, the MetroPlan Orlando Board does not approve these projects nor do they have the authority to remove them from the Long Range Transportation Plan or the Transportation Improvement Program. However, given the regional significance of the projects, they must be included in our documents for network analysis purposes and to evaluate overall regional mobility.

<u>For other FDOT projects</u>, the MetroPlan Orlando Board is responsible for approving the projects to be included in the Long Range Transportation Plan and the Transportation Improvement Program. If there is an interest in removing a project, this can be done by the MetroPlan Orlando Board before the project reaches the design stage; after this, the project can be removed only by joint action of the MetroPlan Orlando and FDOT.

One of the points raised in Commissioner Bonilla's presentation at last week's Board meeting was her concern regarding the Colonial Parkway project which is being managed by Florida's Turnpike Enterprise. This project would add general toll lanes in the SR 50 corridor east of SR 408 to SR 520.

Memorandum to Board Members October 17, 2017 Page 2

This study is just getting underway. Given the significance of this project, updates on the PD&E study will be provided to the Board. It is important to remember that the Board does not have approval authority of this project, although Florida's Turnpike Enterprise will take into account comments that are offered and concerned raised through their public involvement activities.

Commissioner Bonilla also mentioned her objection to the proposed SR 408 extension project being managed by the Central Florida Expressway Authority (CFX). The PD&E study for this project is underway to study alternatives and a presentation will be made to the MetroPlan Orlando Board. CFX is an autonomous organization with its own governing board comprised of elected officials and appointments made by the Governor. Here again, we reflect CFX projects in our Long Range Transportation Plan and the Transportation Improvement Program to provide a complete picture of the region's transportation system. However, the MetroPlan Orlando Board does not have approval authority for these projects. Osceola County Commissioner Fred Hawkins, Jr. represents CFX on the MetroPlan Orlando Board. In addition, three other MetroPlan Orlando Board members (Mayor Jacobs, Mayor Dyer and Commissioner Thompson) also serve on the CFX Board. So mechanisms are in place at both the staff and policy levels to ensure proper coordination.

I hope this clarifies how we need to handle toll road projects in documents we are required to produce by federal laws and state statutes, along with a path for addressing concerns that may come up during the planning process.

Attachment

c: Orange County Commissioner Emily Bonilla Mr. Steve Bechtel, General Counsel

#### **MEMORANDUM**

TO: Harry Barley, Executive Director, MetroPlan Orlando

FROM: Steven R. Bechtel Mateer & Harbert, P.A.

DATE: July 25, 2016

RE: RELATIONSHIP OF FLORIDA TURNPIKE ENTERPRISE PROJECTS TO MetroPlan ORLANDO TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

This will enumerate the Florida statutes and provisions of the federal law which pertain to the relationship of Florida Turnpike Enterprise Projects and the requirement for those projects to be included in the MetroPlan TIP.

1. The Florida Statutes which pertain to Florida Turnpike Enterprise projects are as follows:

Section 338.22 et. seq., the "Florida Turnpike Enterprise Law" provides:

Section 338.22 (1) No governmental entity other than the Department may acquire, construct, maintain or operate the turnpike system subsequent to the enactment of this law, except upon specific authorization of the Legislature.

Section 338.223(1)(b) Turnpike projects that add capacity, alter access, affect feeder roads, or affect the operation of the local transportation system shall be included in the transportation improvement plan of the affected metropolitan planning organization.

2. Federal law that is pertinent is as follows:

23 U.S.C. 134 and 49 U.S.C. 5303 (the Federal Transit Acts) of the federal statutes establish metropolitan planning organizations and authorize the promulgation of regulations. 23 C.F.R. Section 450.326 dealing with TIP requirements provides in subsection (f) the TIP shall contain "all regionally significant projects requiring an action by the FHWA or the FTA whether or not the projects are to be funded under title 23 U.S.C. Chapter 1 and 2 or Title 49 U.S.C. Chapter 53 (e.g. addition of an interchange to the interstate system with State, local and/or private funds if designated projects not funded under 23 U.S.C. or 49 U.S.C. Chapter 53). For public information and conformity purposes the TIP shall include all regionally significant projects proposed to be funded with federal funds other than those measured by the FHWA or the FTA as well as all regionally significant projects to be funded with non-federal funds.

#### Page 2

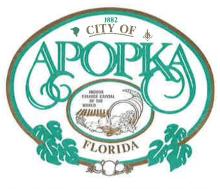

3. Section 339.175 Florida Statutes pertains to metropolitan planning organizations. Section 339.175(8) provides that an MPO shall in cooperation with the State develop a TIP.

Section 339.175(8)(d) provides that projects included in the transportation improvement program and that have advanced to the design stage of preliminary engineering may be removed from or rescheduled in a subsequent transportation improvement program only by joint action of the MPO and the department.

It may appear that this statute provides an opportunity for the MetroPlan Board to remove a project from the TIP which has not advanced to the design stage of preliminary engineering without the consent of the department. However, to be consistent with section 338.223 and in accordance with the principle of *in pari materia*, a rule of statutory construction which says that the laws of the same matter and on the same subject must be construed with reference to each other so as to promote uniformity and predictability, Section 339.175(8)(d) should be construed so as to not apply to Florida Turnpike Enterprise projects but only to other projects in the TIP.

Conclusion: The MetroPlan Orlando TIP must include all Florida Turnpike Enterprise Projects. These may be shown as for informational purposes only.

4833-9009-2085, v. 1

P.O. BOX 1229 • APOPKA, FLORIDA 32704-1229 PHONE (407) 703-1700

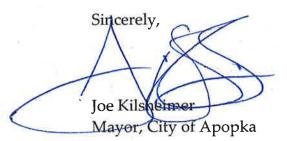

October 20, 2017

Mr. Harold Barley Executive Director, Metro Plan Orlando 250 S. Orange Ave., Suite 200 Orlando, FL 32801

Dear Mr. Barley:

As you may be aware, recent news stories suggest there is a last-minute effort to persuade the Central Florida Expressway Authority and the Florida Legislature to construct another interchange on the Wekiva Parkway in an environmentally sensitive location. This proposal to re-open the original Wekiva Parkway and Protection Act at this late hour is a violation of the public trust. It comes more than a decade after the passage of the Wekiva Parkway and Protection Act, a landmark piece of legislation that was crafted with input and cooperation from the State of Florida; Central Florida Expressway Authority; Orange, Lake and Seminole Counties; environmental advocates; private entities; the City of Apopka and the late Mayor John Land, among others. The existing plan was reached after years of research and consideration by the Wekiva River Basin Coordinating Committee and achieves the goal of constructing the much-needed Wekiva Parkway while protecting environmentally sensitive lands by keeping development away from the Wekiva River Basin.

The City of Apopka opposes **any** change to the original Wekiva Parkway and Protection Act. On October 18, 2017, the Apopka City Council voted unanimously to adopt Resolution 2017-24 outlining its position. I hope that you will read the enclosed resolution which briefly summarizes the history of the original Wekiva Parkway and Protection Act and the City of Apopka's position — and join us in opposing the dismantling of the Wekiva Parkway and Protection Act.

RECEIVED OCT 2 4 2017

METROPLAN ORLANDO

#### Enclosure

#### **RESOLUTION 2017-24**

#### A RESOLUTION OF THE CITY OF APOPKA OPPOSING THE CONSIDERATION OF A SECOND WEKIVA PARKWAY INTERCHANGE IN NORTHWEST ORANGE COUNTY OR LAKE COUNTY.

WHEREAS, the 2004 Wekiva Parkway and Protection Act (Ch. 2004-384, Laws of Florida), passed unanimously by the Florida Legislature, was a landmark piece of legislation that provided for both the construction of the Wekiva Parkway and the incorporation of numerous measures intended to protect the Wekiva springshed, and other aspects of the environment and wildlife for future generations, and

WHEREAS, the Wekiva Parkway and Protection Act calls for limiting the number of Wekiva Parkway interchanges in its preamble for the purpose notifying all parties with interests along the parkway that the specific intent of the legislation was to preclude the type of urban sprawl often seen around highway intersections, and

WHEREAS, the Wekiva Parkway and Protection Act specifically limits the number of interchanges on the Wekiva Parkway through its adoption by reference of the transportation and conservation principles identified within the Final Report of the Wekiva River Basin Coordinating Committee dated March 16, 2004, and

WHEREAS, the City of Apopka has long desired the construction of the Wekiva Parkway and has worked diligently alongside the State of Florida, the Central Florida Expressway Authority, Orange County, with environmental advocates, with private interests and with other governmental agencies to bring about the construction and completion of the Wekiva Parkway based on the original intent of the legislation, and

WHEREAS, the City of Apopka has long acted to comply with the Wekiva Parkway and Protection Act's provisions that it would adopt an interchange land use plan, and incorporate that land use plan into its comprehensive code. The intent of these provisions is to focus and concentrate development away from the vicinity of the Wekiva River, a haven for wildlife and which has been designated as an "Outstanding Florida Water." The City of Apopka recently adopted a form-based code, as required by the Wekiva Parkway and Protection Act, to guide expected development within a 1-mile radius of the planned intersection of Kelly Park Road and the Wekiva Parkway, and

WHEREAS, the City of Apopka has worked alongside private interests who have assembled multiple parcels of land near the Kelly Park Road/Wekiva Parkway intersection under a single ownership structure. Within the framework of the Wekiva Parkway and Protection Act, these private interests endeavored to be forthcoming with residents and regional interests about the nature of their development plans and their willingness to abide by the guidelines established by the City's form-based code. These private interests sought and won approval of a Development of Regional Impact application that provides guidance for how development will proceed around the Kelly Park Road interchange to assure consistency with the transportation and conservation principles identified within the Final Report of the Wekiva River Basin Coordinating Committee dated March 16, 2004, and

WHEREAS, recent news reports have suggested there is a new last-minute effort to persuade the Central Florida Expressway Authority to construct another interchange at the intersection of the Wekiva Parkway and Mount Plymouth Road, and

WHEREAS, adding another interchange to the Wekiva Parkway at or near this location would induce unplanned growth and development in an inappropriate location, in some of the lands most valuable for groundwater recharge in the entire Wekiva Springshed and would induce development in the immediate vicinity of conservation lands acquired by the State of Florida at great public expense, and

WHEREAS, another Wekiva Parkway interchange in Northwest Orange County or in Lake County would: A) Obviate the original intent of the 2004 Wekiva Parkway and Protection Act; B) Thwart the goals of environmentalists and state officials alike to keep development focused away from the Wekiva Protection Basin; C) Jeopardize years of work by the City of Apopka and private interests to develop sensible land-use guidelines and D) Lead to uncontrolled urban sprawl in precisely the area that the Wekiva Parkway and Protection Area was designed to protect.

NOW, THEREFORE BE IT RESOLVED that the City of Apopka opposes any suggestion of a second Wekiva Parkway interchange in Northwest Orange County or Lake County and urges any governmental entity that might consider such an idea to reject it firmly.

**APPROVED AND ADOPTED** by the City Council of the City of Apopka, Florida at a regular meeting assembled on October 18, 2017.

CITY OF APOPKA RHDA OE KILSHEIMER, MAYOR

ATTEST:

# **Orlando Operations Construction Project Status Update**

# Hurricane Irma had significant impacts to project schedules. All projects were shut down from 9/6 - 9/14. This is not reflected in the contract time information on this update, but it will be next month.

- 1. Contract T5313 –FM # 239535-3-52-01 West SR 50 Six Lane Widening and Twin Bridge Construction – FDOT PM = Carlton Daley, Consultant CEI = CDM Smith Contractor = Lane
  - a. 1,0011 current allowable and \$42.4 million current  $\rightarrow$  86% time, 86% money
  - b. Traffic shift on west end of project near SR 429 is complete
  - c. Continue to build WB bridge
  - d. Working on building new west bound roadway
  - e. Minimal project damage and recovery efforts needed due to Irma
- 2. Contract T5506 FM #418403-2-52-01 US 17/92, SR 600, JYP widening project FDOT PM = Thomas Delli Bovi, Consultant CEI = Jacobs Contractor = Masci
  - a. 891 current days and currently \$13.2 million  $\rightarrow$  76% time, 71% money
  - b. Current operations include sanitary line installation, concrete removal and replacement, and videoing drainage.
  - c. Continue to work on finishing up work on Mabbette St
  - d. Minimal project damage and recovery efforts needed due to Irma
- 3. Contract T5521 FM #239266-3-52-01 SR 15 widen to 4 lanes from Lee Vista Blvd to Conway – FDOT PM = Trevor Williams Consultant CEI = Target Contractor = Prince
  - a. 1,387 current days and currently \$37.3 million  $\rightarrow$  56 % time, 71% money
  - b. Traffic is in Phase 2
  - c. Utility work and relocation is continuing with Duke Energy and AT&T.
  - d. Traffic shift completed
  - e. A lot of public participation, particularly near Hoffner Ave and Conway Rd intersection. Project team is very aggressive in researching and resolving issues.
  - f. Work at Shenandoah Elementary School completed
  - g. Minimal project damage and recovery efforts needed due to Irma
- 4. T5530 FM # 239682-52-01 US 192 widen to 6 lanes from Aeronautical Dr to Buddinger Ave –FDOT PM = Ray Gopal Consultant CEI = SAI Contractor = Jr Davis
  - a. Currently 1272 days, and currently \$38.2 million  $\rightarrow$  42% time 49% money
  - b. Working on storm pipe and structure, UWHC work for St Cloud, new bridge construction, curb and gutter, base for new roadway, sidewalks. Lots of work going on throughout project limits
  - c. Traffic shift complete
  - d. Medium amount project damage and recovery efforts needed due to Irma

- 5. Contract T5552 FM # 407143-4-52-01 Sand Lake Rd from I Drive to JYP FDOT PM = Trevor Williams Consultant CEI = TranSystems Contractor = Prince
  - a. 1076 days, \$75.8 million → 28% time, 27% money
  - b. Ongoing communications with Skyplex and Pedestrian Walkway developers, as well as businesses and stakeholders in area, including I Drive Business Improvement District and their board members
  - c. Placing MSE wall at NE corner of SR 482 and John Young Parkway. Lots of work ongoing in the construction corridor, including repairing damaged areas from Irma
  - d. Utility work ongoing for OUC and Orange County
  - e. Traffic shift completed onto new bridge. Next traffic shift will be on John Young Parkway
  - f. Major project damage and recovery efforts needed due to Irma
- 6. Contract T5569 FM # 434426-1-52-01 SR 482 mill and resurface from Goldensky Lane to Lake Gloria Blvd FDOT PA = Carlton Daley Contractor = Hubbard Construction
  - a. 198 days, \$1.9 million  $\rightarrow$  70% time, 65% money
  - b. Working on, installation of new sidewalks, and final lift of asphalt paving, as well as repairing damage from Irma
  - c. Major project damage and recovery efforts needed due to Irma
- Contract T5578 FM # 433648-1-52-01 Orange Ave widening at Holden FDOT PA = Ray Gopal Contractor = with Masci
  - a. 309 days, \$3.3 million  $\rightarrow$  91% time 51% money
  - b. Mobi mat paid for and installed. Will monitor performance to see if it can be used as temporary sidewalk. Working great as a temporary walkway.
  - c. Still working on installing force main for Orange County, water main for OUC and storm drainage. Need to complete FM, WM and storm drain before able to work on roadway widening.
  - d. Major underground conflicts for installing OUC water main continue to arise causing challenges to the project and the schedule
- 8. Contract T5583 FM # 435052-1-52-01 I4 lighting at Champions Gate FDOT PA = Thomas Delli Bovi Contractor = Highway Safety Devices
  - a. Final accepted on 8/21
- 9. Contract T5586 FM#434694-1-52-01 turn lane additions on SR 552 @ SR 436 PA = Ray Gopal Contractor = Atlantic Civil
  - a. 89 days, \$727K → 85% time, 50% money
  - b. Traffic shifted on SR 552
  - c. Short duration project is a challenge, but contractor is pursuing work diligently and is on pace to finish on time.
  - d. Minimal project damage and recovery efforts needed due to Irma

- 10. Contract E5Y06 FM # 435443-2-52-01 ITS (Bluetooth installation) FDOT PA = Ray Gopal Contractor = Chinchor Electrical
  - a. Supplier still working on troubleshooting the issues with the hardware they provided
  - b. No project damage and recovery efforts needed due to Irma

#### 11. Contract E5Y64 FM # 418321-1-20-01 US 441 turn lane widening FDOT PA = Ryan Flipse Contractor = Atlantic Civil

- b. 230 days, \$1,888,542.30 → 75% time, 54% money
- c. Contractor completed the work at Donegan and working on widening at US 441
- d. Installed foundations for new signals at US 441
- e. Minimal project damage and recovery efforts needed due to Irma

#### 12. Contract E5T99 – FM # 431734-1-72-07 Pipe repair contract FDOT PA = Ryan Flipse Contractor = VacVision

- f. 300 days, \$778,992.00 → 85% time, 43% money
- g. Has work at 5 locations
- h. Contractor resumed working on 9/25 and is looking at finishing before end of October.
- i. No project damage and recovery efforts needed due to Irma

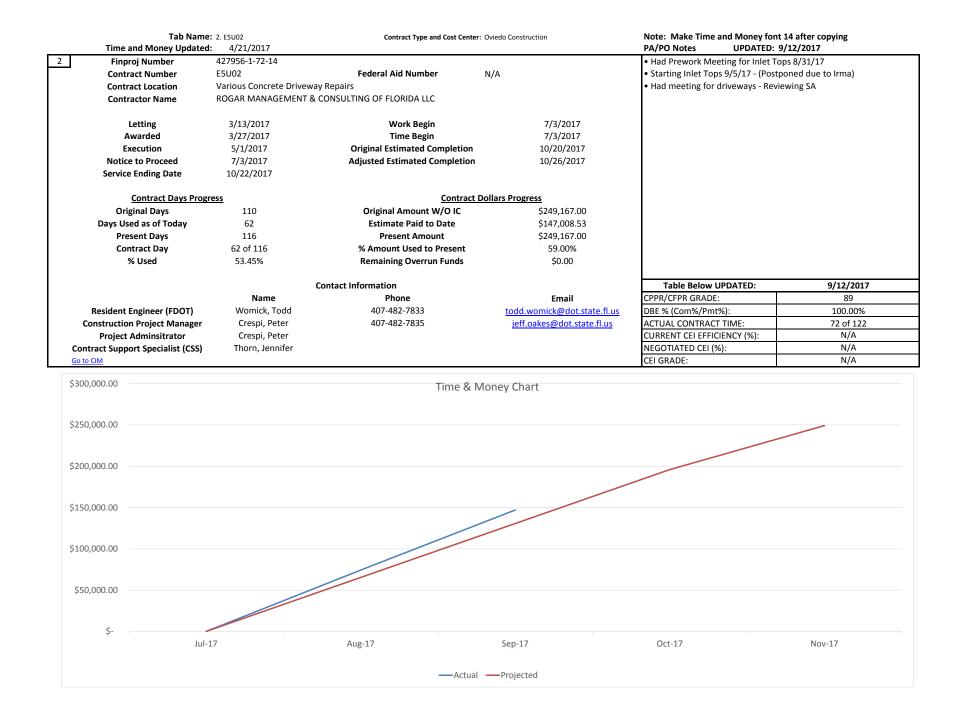

#### 13. Contract E5Y79 FM#435443-3-52-01 ITS Installation Contract, PA = Thomas Delli Bovi Contractor SICE

- a. 148 days, \$1,179,058.78 → 59% time, 59% money
- b. There are 60 locations on the project.
- c. Most of the equipment and hardware is installed in the field. Looking at starting to test the software in the next few weeks.
- d. Minimal project damage and recovery efforts needed due to Irma
- 14. Contract E5W84 FM # 435435-1-52-01 SR 423/434 at SR 500 (US 441) Landscape Contract FDOT PA = Carlton Daley Contractor = LaFleur Nurseries
  - a. Installation complete. 2 year establishment period started on 10/24/15.
  - b. DBE commitment: 0% DBE paid: 0% could potentially become DBE and be 100%
  - c. Minimal project damage and recovery efforts needed due to Irma. This has extended the contract by an additional 90 days to the end of January 2018

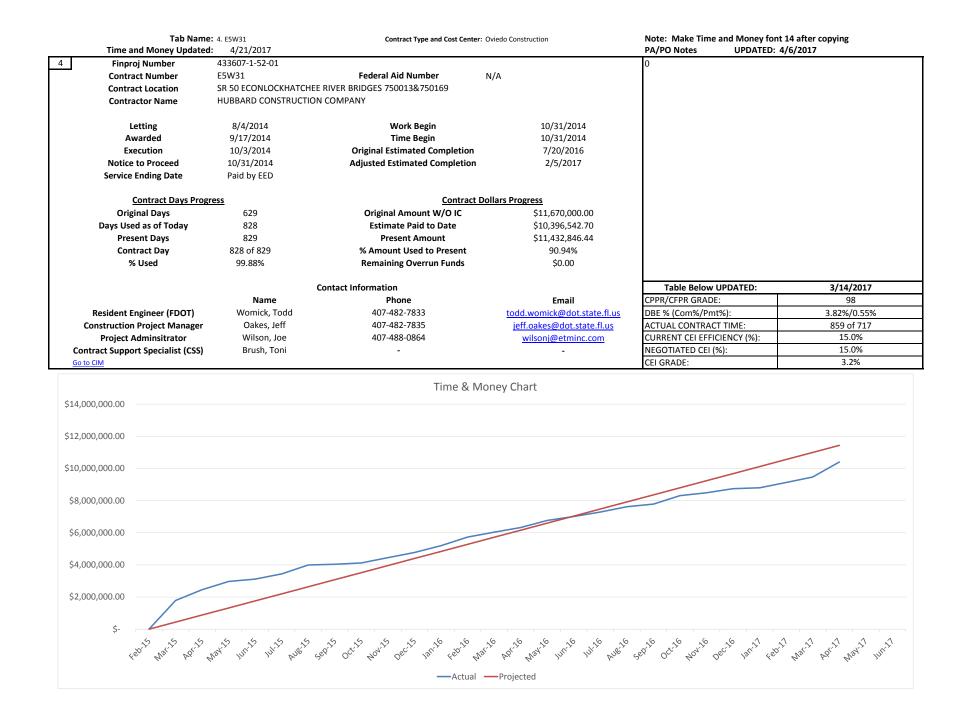

Starting shortly

Florida Department of Transportation

RICK SCOTT GOVERNOR 719 South Woodland Boulevard DeLand, Florida 32720 MIKE DEW SECRETARY

October 18, 2017

Mr. Harold W. Barley Executive Director MetroPlan Orlando MPO 250 South Orange Avenue Suite 200 Orlando, Florida 32801

RE: First Quarter Variance Report (July 2017 – September 2017)

Dear Mr. Barley:

This letter is in reference to a request made by MetroPlan Orlando Metropolitan Planning Organization (MPO) regarding the first quarter variance report for the period of July 2017 through September 2017. This quarter's variance report compares the July 1, 2017 adopted work program with changes made to the adopted work program in the first quarter of Fiscal Year 2017/2018. The projects listed below includes a cost increase that is equal to or greater than the minimum parameters set by MetroPlan Orlando.

### ORANGE COUNTY PROJECTS

FM#239496-3 – State Road 423 (John Young Parkway) from State Road 50 to Shader Road – Add Lanes & Reconstruct Project

<u>7/1/17 Adopted Phase Cost</u>: Construction Engineering Inspection Phase = \$2,670,200 (FY 2017/18) <u>Revised Phase Cost</u>: Construction Engineering Inspection Phase = \$3,382,041 (FY 2017/18) <u>Phase Cost Increase</u>: Construction Engineering Inspection Phase = (27%)

Reason for Cost Increase

Funding added to meet new negotiated contract amounts.

Impact of Phase Cost Increase

The cost increase has no impact on the work program.

FM#242484-8 – State Road 400 (I-4) from East of State Road 522 (Osceola Parkway) to West of State Road 528 – Add Lanes & Reconstruct Project

7/1/17 Adopted Phase Cost:Right of Way Phase = \$905,000 (FY 2017/18)Revised Phase Cost:Right of Way Phase = \$6,085,000 (FY 2017/18)Phase Cost Increase:Right of Way Phase = (672%)

#### Reason for Cost Increase

Original relocations included 25 parcels. An additional 4 parcels were required from major restaurant businesses. New information on costs are higher than originally estimated.

Impact of Phase Cost Increase

The cost increase has no impact on the work program.

#### OSCEOLA COUNTY PROJECTS

## FM#428328-4 – Hoagland Boulevard from US 17/92 to North of Shingle Creek – Add Lanes & Reconstruct Project

<u>7/1/17 Adopted Phase Cost</u>: Construction Grant Phase = \$3,572,642 (FY 2017/18) <u>Revised Phase Cost</u>: Construction Grant Phase = \$4,838,369 (FY 2017/18) <u>Phase Cost Increase</u>: Construction Grant Phase = (35%)

Reason for Cost Increase

Funding added due to construction cost estimate updates along the corridor.

Impact of Phase Cost Increase

The cost increase has no impact on the work program.

#### FM#437451-1 - US 192 at Hoagland Boulevard - Add Left Turn Lane(s) Project

<u>7/1/17 Adopted Phase Cost:</u> Right of Way Phase = \$1,621,313 (FY 2017/18) <u>Revised Phase Cost:</u> Right of Way Phase = \$2,355,735 (FY 2017/18) Phase Cost Increase: Right of Way Phase = (45%)

Reason for Cost Increase

Funding added due to Right of Way estimate updates along the corridor

Impact of Phase Cost Increase

The cost increase has no impact on the work program.

### SEMINOLE COUNTY PROJECTS

## FM#240200-4 – State Road 429 (Wekiva Parkway) from Orange Boulevard to West of I-4 (SR 400) – New Road Construction Project

7/1/17 Adopted Phase Cost:Construction Consultant/Contractor Phase = \$220,538,188 (FY 2018/19)Revised Phase Cost:Construction Consultant/Contractor Phase = \$281,601,148 (FY 2018/19)Phase Cost Increase:Construction Consultant/Contractor Phase = (28%)

#### Reason for Cost Increase

The additional cost increases are a result of accommodating the overlapping work from the updated I-4 and the Beyond the Ultimate PD&E to the Wekiva parkway. The changes included adding braided ramps for the entrance ramp of County Road 46A to eastbound I-4 and the exit ramp from eastbound I-4 to State Road 46. Additional drainage, earthwork, retaining walls and mechanical stabilized walls are being added to the project.

#### Impact of Phase Cost Increase

The cost increase has no impact on the work program.

## FM#436679-1 – State Road 15/600 (US 17/92) from North of Lake Mary to North of Airport Road – Add Right Turn Lane(s) Project

7/1/17 Adopted Phase Cost:Right of Way Phase = \$1,411,000 (FY 2017/18)Revised Phase Cost:Right of Way Phase = \$1,919,000 (FY 2017/18)Phase Cost Increase:Right of Way Phase = (36%)

Reason for Cost Increase

Funding added due to right of way cost estimate updates along the corridor.

Impact of Phase Cost Increase

The cost increase has no impact on the work program.

As always, we appreciate all the opportunities that we get to work with MetroPlan Orlando staff and if you should have any additional questions or concerns please do not hesitate to contact me at 386-943-5391.

Sincerely,

3: M.St=

Brian M. Stanger, P.E. District Planning & Environmental Management Administrator

cc: Gary Huttmann, Deputy Executive Director, MetroPlan Orlando Keith Caskey, Manager of Planning Services, MetroPlan Orlando

### 2018 Legislative Priorities and Positions

APPROVED BY METROPLAN ORLANDO 10/11/2017

#### Top priorities:

- Increase funding to improve bicycle and pedestrian safety awareness programs and bicycle and pedestrian facility improvements.
- Advocate for changes in legislation that makes texting while driving and/or distracted driving a primary offense.
- Seek funding for implementation of quiet safety zones along the SunRail corridor, Phase II South.
- Seek flexibility in the use of local option discretion taxes such as Charter County & Regional Transportation System Surtax and the Local Government Infrastructure Surtax.

#### We support legislation that:

- Provides funding for implementation of wrong-way driving detection equipment on limited access facilities where not currently in use.
- Further allows for testing and implementation of Autonomous Vehicle technology, including funding for infrastructure improvements that may be needed.
- Includes vulnerable road users (cyclists) in current Move Over Law (316.126 F.S.).
- Removes provision requiring FDOT Secretary approval of Central Florida Expressway Authority projects in Lake County.
- Authorizes a local option rental car surcharge (up to \$3.00; implemented through a public referendum) with proceeds committed to regional transportation projects.
- Preserves the State Transportation Trust Fund and funding for paratransit (ACCESS LYNX) service.
- Restores Transportation Regional Incentive Program (TRIP) funding to 2007 levels in order to promote regional planning and project development.
- Authorizes an exception to F.S. 934.50 to allow for the use of drone technology for traffic incident management and/or emergency response.

#### Oppose legislation that:

- Moves to rescind the legislation that authorized the use red light cameras.
- Negatively impacts funding for regional Shared Use Non-motorized (SUN) Trail projects.

#### Monitor:

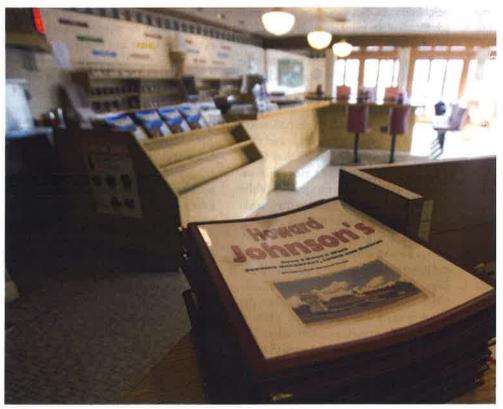

• Constitutional Amendment requiring super majority vote of legislature to increase taxes and fees.

By Donald F. Kettl

# 28 Flavors of Infrastructure

A 75-year-old highway project offers clues to solving a critical present-day problem.

hen I was young, family fun usually involved a trip on the Pennsylvania Turnpike. Everyone-my mother and father and the four kids-would pack into our station wagon with the faux-wood paneling on the side and drive through the turnpike's tunnels. Our favorite was always Ray's Hill. My dad's name was Ray, and the family rule was that we had to clap all the way through the tunnel (which was as annoying to the driver as you might imagine). If we were really lucky, the trip would include a stop at a Howard Johnson's restaurant, best known for its orange roof and, most important, its 28 flavors of ice cream.

Bizarre as it may seem, those memories got me thinking about the future of federalism. The turnpike was one of the country's first great public-private infrastructure projects, built by private contractors, financed with revenue bonds and repaid through drivers' tolls. As for HoJo's: It won the first private franchise to provide food (and, of course, ice cream) on public roads, paying for the privilege by dishing out money that the whole turnpike enterprise could put to use.

We're going to have to do something as innovative as that if we're going to deal with the infrastructure problems we're facing right now. When President Trump announced his \$1 trillion plan to fix the nation's infrastructure, National Public Radio's Ailsa Chang tried to figure out just how far the first yearly tranche of \$100 billion would go. She started counting New York City's needs and couldn't even get across the Hudson River before the money ran out.

Of course, Trump isn't really proposing that the federal government spend \$1 trillion in federal tax money. Rather, he wants the feds to put up \$250 billion in the next decade and leverage the rest through publicprivate partnerships, with the states and cities carrying a big share of the load. In his most recent budget, Trump asks for \$5 billion to get started, which works out to about one-seventh of what it might take just to get our school buildings into fair condition. That leads us to confront three truths: No state or local government has much money to spare right now. Everyone knows the feds aren't going to go deeper into debt to provide a cash windfall for construction. And every state has a vast-and growing-collection of must-do infrastructure projects.

If government doesn't have the cash, the inescapable solution

may indeed be a new generation of publicprivate partnerships. One tempting plan is to raise money for domestic infrastructure by encouraging private companies to bring back profits generated abroad. With the right tax plan, advocates think, they can repatriate profits and redirect them to American needs. Estimates of the potential for repatriated profits, in fact, range as high as \$3 trillion. Infrastructure planners see that as an enormous source of untapped funds.

The idea has attracted support from Trump and from leaders across the political spectrum, including House Speaker Paul Ryan and Senate Minority Leader Charles Schumer. But anything with support that broad in principle has got to be supercomplicated in action, and that's just the case here. It's very hard to bring overseas

money back without lowering corporate tax rates. It's similarly difficult to lower tax rates on foreign profits without doing so for all corporate profits. Finally, channeling overseas money into infrastructure projects will likely require special tax breaks.

This all gets very expensive very fast, and it collides with the goal of simplifying the tax code. Moreover, it wouldn't necessarily channel the money to the biggest infrastructure needs. Investors are going to put their cash where they can be most sure of getting the biggest profits. That might work for new airports and toll bridges, but it won't work for small-town street projects or bridge repairs in the inner city.

Then there's the plan to sell off airports and water companies, or at least license them to private operators who could keep whatever profits they generate. St. Louis is exploring that approach for its halfempty airport, which lost business when American Airlines bought TWA, which was once based there.

Chicago tried to do this with its Midway Airport, but the deal collapsed along with the credit markets during the 2009 economic crisis. Later on, Chicago Mayor Rahm Emanuel wrote that the city had learned an important lesson: "A true publicprivate partnership requires that taxpayers maintain control of the asset and share in management decisions and financial profit." Having to share control and profits, however, might shrink the enthusiasm of private operators.

There just isn't an easy way to solve the infrastructure problem we've allowed to grow and fester for a generation. To get the money it needs, government is going to have to attract substantial private investment. That, in turn, means figuring out new incentives to lure investors. It also means that state and local governments must develop new ways of managing such complex partnerships—and of figuring out how to share the proceeds with private partners.

It means, in one sense, reaching back to the Pennsylvania Turnpike and HoJo's to find clues about the future of federalism. **G**
