# Interlocal Agreement Update

# Key Revisions

- **Early January**

- **Administrative Updates**

Updated references, formatting, and contact information including reference to the latest Robert's Rules (12th Edition)  
Updated

- **Legislative Coordination**

Revised language that better aligns with the current practice.

f. Solve regional transportation issues; and

~~g. Consider and, when appropriate, take collective positions on legislation that affects the region's transportation needs and interests of the member jurisdictions. Establish legislative priorities that will assist in addressing the region's transportation needs.~~

- **Status**

**Thank You**
