*A REGIONAL TRANSPORTATION PARTNERSHIP*

# **MUNICIPAL ADVISORY COMMITTEE AGENDA**

**June 3, 2021 @ 9:30 A.M.**

---

## **MUNICIPAL ADVISORY COMMITTEE VIRTUAL WORKSHOP NOTICE**

**DATE:** Thursday, June 3, 2021 at 9:30 a.m.

**PUBLIC ACCESS:** To join the meeting from your computer, tablet or smartphone, please use this link:  
<https://us02web.zoom.us/j/83205106816?pwd=NjJWcFZMN2RRb0tHUWYhYRTI5T3VIZz09>  
Passcode: 197316

**To dial in, please see the calendar item for this meeting:**  
<https://metroplanorlando.org/meetings/municipal-advisory-committee-virtual-meeting-06-03-21>

*The MetroPlan Orlando offices are closed to the public in response to the COVID-19 pandemic. Members of the public may access this virtual meeting and participate via the Zoom link above, or by dialing in. The agenda packet is available at MetroPlanOrlando.org in the Calendar section. New to Zoom? You can get the app ahead of time and be ready for the meeting. Visit Zoom.us.*

MetroPlan Orlando offers tips for virtual meeting participation on our website. Tip sheets include:

- [How to get technically set up for the virtual meeting](#)
- [How meeting roles and public participation happen virtually](#)
- [Steps and options for making a public comment at a virtual meeting](#)

This and other information can be accessed at: [MetroPlanOrlando.org/Virtualmeetings](https://MetroPlanOrlando.org/Virtualmeetings)

### **AGENDA**

---

Thank you for silencing your cell phones during the meeting and keeping microphones muted unless you are recognized to speak.

---

- I. CALL TO ORDER – Chairman Keith Trace
- II. CHAIRMAN'S COMMENTS
- III. AGENDA REVIEW – Mr. Alex Trauger
- IV. COMMITTEE ROLL CALL AND CONFIRMATION OF QUORUM – Ms. Cathy Goldfarb
- V. PUBLIC COMMENTS ON ACTION ITEMS

Comments from the public will be heard pertaining to Action Items on the agenda for this virtual meeting. Public comments submitted in advance of the meeting, by email to [Comment@MetroPlanOrlando.org](mailto:Comment@MetroPlanOrlando.org) or phone to 407-906-2347, will be read into the record by a meeting moderator. People wishing to speak during the virtual meeting should use the Raise Hand feature on the Zoom platform, and a meeting moderator will unmute your microphone to speak. Each speaker should state name and address for the record and is limited to two minutes. People wishing to speak on other items will be acknowledged in the same way, under Agenda Item XII.

## VI. AGENCY REPORTS / PARTNER UPDATES

- Florida Department of Transportation – Ms. Rakinya Hinson
- Florida's Turnpike Enterprise – Mr. Saiosi Fine
- LYNX – Mr. Myles O'Keefe

## VII. ACTION ITEMS FOR REVIEW/DISCUSSION

**Note:** The Governor's executive order allowing boards and committees in Florida to meet virtually without a quorum physically present due to COVID-19 concerns expired on October 31, 2020. At their meeting on September 9, 2020, MetroPlan Orlando Board members approved Resolution #20-15 which enables the MetroPlan Orlando advisory committees to continue to meet virtually in workshop sessions through June 30, 2021. At these workshop sessions, committees will review and discuss action items going to the board and will provide informal consensus recommendations to the board on the action items but will not take formal action in order that a physical quorum will not be required. The committees will be taking formal action to ratify the Board's actions at future in-person meetings.

### A. *Approval of May 6, 2021 Meeting Minutes (Tab 1)*

The MAC will review the May 6, 2021 meeting minutes, provided at **Tab 1** and make a consensus recommendation. The MAC will take formal action at a future in-person meeting to approve the recommendation.

### B. *FDOT Amendment to FY 2020/21 - 2024/25 TIP (Tab 2)*

FDOT is requesting that the FY 2020/21- 2024/25 TIP be amended to include the addition of the following projects:

- FM #4390752 - Sunset Drive Livable Streets from Oxford Road to Button Road
- FM #4471031 - SR 46 Resurfacing from East of Upsala Road to French Avenue

Mr. Keith Caskey, MetroPlan Orlando staff, will present an overview of the amendment request. A letter from FDOT explaining the amendment request is provided at **Tab 2**, along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution to be presented at the June 9, 2021 Board meeting. The MAC will review and discuss the amendment request and provide a consensus recommendation to the Board. The MAC will take formal action at a future in-person meeting to ratify the Board's action on this item.

### C. *Plan Revisions to the 2045 Metropolitan Transportation Plan (Tab 3)*

Mr. Alex Trauger, MetroPlan Orlando staff, is requesting recommendation that the 2045 Metropolitan Transportation Plan be modified and amended to include fully-funded Transportation Improvement Program projects in the Existing-plus-Committed network, expand the Off-State Highway System program to incorporate additional multimodal needs and project types, revise the Congestion Management Process to include updated data from FDOT pertaining to Emergency Response and Roadway Clearance times, and other miscellaneous changes based on local agency feedback. Supporting materials are provided in **Tab 3**.

## VIII. PRESENTATIONS AND STATUS REPORTS

### A. *Preview of FY 2021/22 - 2025/26 Transportation Improvement Program*

Mr. Keith Caskey, MetroPlan Orlando staff, will present a preview of the new FY 2021/22 – 2025/26 Transportation Improvement Program (TIP). The FDOT highway, TSMO, bicycle and pedestrian, transit and commuter rail sections of the new TIP can be reviewed at the following link:

<https://metroplanorlando.org/wp-content/uploads/2226-TIP-Preview.pdf>

The FY 2025/26 – 2039/40 Prioritized Project List (PPL) that was adopted last year and has been updated to highlight the latest project phases that have been funded based on the new TIP, can be reviewed at the following link: <https://metroplanorlando.org/wp-content/uploads/2526-PPL-Update-for-PPL-Review.pdf>

The TIP will be presented for review and action at the June/July committee and Board meetings.

***B. Preview of 2026/27 - 2035/36 Prioritized Project List***

Mr. Nick Lepp, MetroPlan Orlando staff, will present a preview of the draft FY 2025/26 – 2034/35 PPL for informational purposes. This year the PPL must be submitted to FDOT in July and will be presented to Advisory Committees and the Board for approval during the June/July meeting cycle. A draft list of projects and the previous PPL can be viewed and downloaded using the links below:

Last Year's PPL: <https://metroplanorlando.org/wp-content/uploads/2526-PPL-Update-for-PPL-Review.pdf>.

New Draft PPL – Ranked Project List: <https://metroplanorlando.org/archives/draft-ranked-2021-ppl>

Segment-level data and prioritization scoring findings can be accessed using MetroPlan Orlando's online Data Viewer - <https://metroplanorlando.org/maps-tools/dataviewer>. Upon entering the Data Viewer, you will notice a layer tab entitled "2021 Prioritization Scoring" (located at the upper right of the screen). Click the tab and the data layer/network will appear visualizing the composite, normalized score. Users can obtain attribute information by simply clicking the desired roadway/network segment.

***C. Presentation on Central Florida Expressway Authority (CFX) 2045 Master Plan***

Ms. Michelle Maikisch, CFX staff, will give a presentation on the Central Florida Expressway Authority's 2045 Master Plan that is currently under development.

**IX. GENERAL INFORMATION (Tab 4)**

***A. FDOT Monthly Construction Status Report***

The latest FDOT Monthly Construction Status Report for the Orlando area is enclosed.

***B. MetroPlan Orlando Board Highlights***

A copy of the May 12, 2021 Board Meeting Highlights is enclosed.

***C. 2021 Legislative Session Summary***

A summary of the transportation-related activities from the Florida Legislature's 2021 session is enclosed for informational purposes.

***D. Air Quality Report***

The latest air quality report for the MetroPlan Orlando area is enclosed for informational purposes.

**X. UPCOMING MEETINGS OF INTEREST**

***A. Next Municipal Advisory Committee meeting***

The next MAC meeting will be in person on **July 1, 2021** at 9:30 a.m. in the MetroPlan Orlando Board Room, 250 South Orange Avenue, Suite 200, Orlando FL 32801. MAC members are required to attend in person to be considered present for the meeting. During this meeting, MAC will take action and will be requested to ratify the Board's actions from May 2020 through June 2021.

**Note:** MetroPlan Orlando is resuming in person committee and board meetings beginning July 1, 2021. Members of the public may also attend in person or may join the meeting virtually on Zoom.

### ***B. Next MPO Board Meeting***

The next MetroPlan Orlando Board meeting will be held on **June 9, 2021** at 9:00 a.m. (**Note:** The next MetroPlan Orlando board meeting will be held as a hybrid meeting with a physical quorum of board members. A limited number of staff and members of the public will be permitted in order to accommodate social distancing. Other board members, staff, all presenters, and members of the public may join the meeting virtually on Zoom.)

### **C. TIP Public Meeting**

The FY 2021/22 – 2025/26 TIP will be presented at a virtual public meeting using Zoom on Monday, June 21, 2021 from 11:30 a.m. to 1 p.m. Additional details will be provided at a later date.

## **XI. MEMBER COMMENTS**

## **XII. PUBLIC COMMENTS (GENERAL)**

General comments from the public will be heard. Public comments submitted in advance of the meeting, by email to [Comment@MetroPlanOrlando.org](mailto:Comment@MetroPlanOrlando.org) or phone to 407-906-2347, will be read into the record by a meeting moderator. People wishing to speak during the virtual meeting should use the Raise Hand feature on the Zoom platform, and a meeting moderator will unmute your microphone to speak. Each speaker should state name and address for the record and is limited to two minutes.

## **XIII. ADJOURNMENT**

Public participation is conducted without regard to race, color, national origin, sex, age, disability, religion, or family status. Persons wishing to express concerns, who require special assistance under the Americans with Disabilities Act, or who require language services (free of charge) should contact MetroPlan Orlando by phone at (407) 481-5672 or by email at [info@metroplanorlando.org](mailto:info@metroplanorlando.org) at least three business days prior to the event.

La participación pública se lleva a cabo sin distinción de raza, color, origen nacional, sexo, edad, discapacidad, religión o estado familiar. Las personas que deseen expresar inquietudes, que requieran asistencia especial bajo la Ley de Americanos con Discapacidad (ADA) o que requieran servicios de traducción (sin cargo) deben ponerse en contacto con MetroPlan Orlando por teléfono (407) 481-5672 (marcar 0) o por correo electrónico [info@metroplanorlando.org](mailto:info@metroplanorlando.org) por lo menos tres días antes del evento.

**TAB 1**

**MUNICIPAL ADVISORY COMMITTEE  
MINUTES**

**DATE:** Thursday, May 6, 2021

**LOCATION:** Virtual – Zoom Webinar Platform

**TIME:** 9:30 a.m.

---

**Council Member Keith Trace, Vice Chairman, presided**

---

**Members in attendance:**

Mayor Phil Anderson, City of Winter Park  
Mayor John Dowless, City of Edgewood  
Commissioner Richard Drummond, City of Longwood  
Commissioner Richard Firstner, City of Ocoee  
Mayor Nicholas Fouraker, City of Belle Isle  
Mayor David Henson, City of Casselberry  
Mayor Kevin McCann, City of Winter Springs  
Ms. Sharon Anselmo, City of Maitland  
Mayor Megan Sladek, City of Oviedo  
Commissioner Jordan Smith City of Lake Mary  
Council Member Keith Trace, City of St. Cloud

**Members not in attendance:**

Mayor Eddie Cole, Town of Eatonville  
Mayor Jim O'Brien, Town of Windermere  
Commissioner Sal Ramos, Town of Oakland  
Vacant, City of Winter Garden

**Others in attendance were:**

Mr. Doug Jamison, LYNX  
Ms. Rakinya Hinson, FDOT  
Mr. Saiosi Fine, FTE  
Ms. Trish Whitton, LYNX  
Mr. Alex Trauger, MetroPlan Orlando  
Mr. Keith Caskey, MetroPlan Orlando  
Mr. Nick Lepp, MetroPlan Orlando  
Ms. Cynthia Lambert, MetroPlan Orlando

Mr. Mighk Wilson, MetroPlan Orlando  
Mr. Gary Huttman, MetroPlan Orlando  
Ms. Sarah Larsen, MetroPlan Orlando  
Ms. Leilani Vaiaoga, MetroPlan Orlando  
Ms. Mary Ann Horne, MetroPlan Orlando  
Ms. Lara Bouck, MetroPlan Orlando  
Ms. Virginia Whittington, MetroPlan Orlando  
Ms. Cathy Goldfarb, MetroPlan Orlando

**I. CALL TO ORDER**

Chairman Keith Trace called the meeting to order at 9:31 a.m. and reviewed the virtual meeting procedures.

**II. PLEDGE OF ALLEGIANCE**

Mayor Kevin McCann led the Pledge of Allegiance.

**III. CHAIR'S ANNOUNCEMENTS**

Chairman Trace outlined the meeting and public comment procedures and accessibility. He called attention to new MAC members: Mayor David Henson, Mayor Phil Anderson, Mayor Kevin McCann, and Commissioner Richard Drummond. Commissioner Drummond noted that the Longwood City Commission recently appointed Commissioner Brian Sackett as the new Mayor although he would continue to serve as the City's MAC representative. Commissioner Sal Ramos was the fifth new member, but he was unable to attend the meeting. The new MAC members in attendance introduced themselves.

**IV. CONFIRMATION OF QUORUM**

Ms. Cathy Goldfarb conducted the roll call.

**V. AGENDA REVIEW/FOLLOW-UP**

Mr. Alex Trauger reviewed virtual workshop procedures. He stated that since the meeting was being held as a virtual workshop, no action would be taken however items being advanced to the MetroPlan Orlando board would be reported based on consensus and those items needing MAC approval would be ratified at a later meeting. Mr. Trauger called attention to the Market Research survey and asked MAC members to participate and share the link for others to participate. He noted there were no changes to the agenda, and they were ready to move forward.

**VI. Public Comments on Action Items**

Mr. Trauger announced there were no requests for public comments on items presented for review and/or discussion from those in attendance. He noted there were no written comments received or voice messages left prior to the meeting.

**VII. Agency Reports/Partner Updates**

- **Florida Department of Transportation**

Ms. Rakinya Hinson, FDOT, had no report at this time.

- **Florida Turnpike Enterprise**

Mr. Saiosi Fine, FTE, reported that next month FTE will kick off the PD&E for the Poinciana Parkway extension from CR 532 to the I-4/SR429 Interchange. He told MAC members that there would be two sessions, a virtual one June 22<sup>nd</sup>, 5:30 p.m. and an in-person June 24<sup>th</sup>, 5:30 p.m. at Advent Health Celebration.

- **LYNX**

Ms. Trish Whitton, LYNX, reported that LYNX ridership has been at 50% since September 2020 and there has been a small uptick to 60% pre-COVID. She noted that minor service changes were implemented April 25<sup>th</sup>. Ms. Whitton told MAC members that the America Public Transportation Association will be holding their annual conference at the Orange County Convention Center this year.

## **VIII. ITEMS FOR REVIEW AND/OR DISCUSSION**

### ***A. Approval of March 4, 2021 Meeting Minutes***

The MAC reviewed the March 4, 2021 meeting minutes, provided and made a consensus recommendation. The MAC will take formal action at a future in person meeting to approve the recommendation.

### ***B. FDOT Amendment to FY 2020/21 - 2024/25 TIP***

FDOT requested that the FY 2020/21- 2024/25 TIP be amended to include the addition of the following projects:

- FM #4234461 – SunRail Phase II North from DeBary to DeLand
- FM #4454151 – Neptune Road from Partin Settlement Road to US 192
- FM #4489011 – Railroad Crossing on Hester Avenue in Sanford

Mr. Keith Caskey, MetroPlan Orlando staff, presented an overview of the amendment request. A letter from FDOT explaining the amendment request was provided, along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution to be presented at the May 12, 2021 Board meeting. The MAC reviewed and discussed the amendment request and provided a consensus recommendation to the Board. The MAC will take formal action at a future in-person meeting to ratify the Board's action on this item.

## **IX. PRESENTATIONS AND STATUS REPORTS**

### ***A. Presentation on Board Emphasis Areas***

Mr. Nick Lepp, MetroPlan Orlando staff, gave a presentation on the MetroPlan Orlando Board's emphasis areas for 2021. The Board will take action on the emphasis areas at the May 12<sup>th</sup> meeting. Mr. Lepp reviewed the five emphasis areas and how the region did in terms of hitting these targets from 2017-2021. He told MAC members that the 2045 MTP goals were incorporated to see how the emphasis areas match up with the goals. Mr. Lepp reviewed the 2045 MTP performance measures in order of importance and the shift in goals pre- and post-pandemic. He provided a survey link for MAC members to rank the goal

areas. The results of the survey, which will be conducted with other committees as well, will be brought back to the MetroPlan Orlando Board.

***B. Presentation on Pedestrian Safety Trends***

Mr. Mighk Wilson, MetroPlan Orlando staff, gave a presentation that discusses the Dangerous by Design report and other information pertaining to the Orlando Metropolitan Area's pedestrian safety initiatives. Mr. Wilson reviewed the Pedestrian Danger Index used to compute how dangerous an area is along with the impact the Central Florida visitor population has on crashes. He provided information on scenarios for reducing fatalities, FDOT's new safety principle 'Safe System,' fatality factors and crosswalk law. Mr. Wilson compared examples of local roads with similar roads in other states where speeds are reduced. He called attention to the deadly factors in crashes, including types of vehicles, noted in the Dangerous by Design report. Mr. Wilson added that an additional mitigation option could be reducing nighttime speed limits.

***C. Presentation on LYNX Automated Vehicles***

Mr. Doug Jamison, LYNX, gave a presentation on LYNX's automated vehicle program. Mr. Jamison provided an introduction and intent of the program, which was to develop a Concept of Operations and a draft scope for deployment of AVs at LYNX. He reviewed the major tasks of the program. Mr. Jamison noted that input was solicited from vendors as well as users including a focus group, which included CAC and TDLCB members. An online survey was also conducted. He told committee members that a list of opportunities and barriers was created. Mr. Jamison added that 90% of the respondents indicated that the Orange LYMMO line would be the best candidate for the program, and the two operational scenarios were determined to be either a small AV shuttle or retrofitting an existing vehicle. He provided cost figures for the two scenarios along with potential benefits, potential applications, and potential funding sources. Lastly, he reviewed conclusions and next steps. Discussion ensued regarding fare collection and operating speed.

**X. GENERAL INFORMATION**

***A. FDOT Monthly Construction Status Report***

The latest FDOT Monthly Construction Status Report for the Orlando area was provided.

***B. MetroPlan Orlando Board Highlights***

A copy of the March 10, 2021 Board Meeting Highlights was provided.

***C. LYNX Press Releases***

A set of press releases from LYNX was provided.

***D. Market Research Survey Flyer***

A flyer providing information on MetroPlan Orlando's Market Research Survey was provided.

***E. Bicycle & Pedestrian Report***

A report on bicycle and pedestrian projects was provided.

**XI. UPCOMING MEETINGS OF INTEREST**

***A. Next Municipal Advisory Committee meeting***

The next MAC meeting was scheduled on June 3, 2021 at 9:30 a.m. (**Note:** As approved by the Board at the September 9<sup>th</sup> meeting, the next MAC meeting will be held as a virtual workshop during which action items will be reviewed and discussed, but no formal action taken. A committee report will be presented to the MetroPlan Orlando Board, and items approved by the board may be ratified at a future in-person MAC meeting.)

***B. Next MPO Board Meeting***

The next MetroPlan Orlando Board meeting was scheduled on May 12, 2021 at 9:00 a.m. (**Note:** The next MetroPlan Orlando board meeting will be held as a hybrid meeting with a physical quorum of board members. A limited number of staff and members of the public will be permitted in order to accommodate social distancing. Other board members, staff, all presenters, and members of the public may join the meeting virtually on Zoom.)

**XII. MEMBER COMMENTS**

Mayor Phil Anderson noted that the city is looking at connectivity to the Orlando Urban Trail. In addition, he requested copies of the presentations given at the meeting.

**XIII. PUBLIC COMMENTS (GENERAL)**

None.

#### XIV. ADJOURNMENT

The Municipal Advisory Committee meeting was adjourned at 10:33 a.m.

The meeting was recorded and transcribed by Ms. Cathy Goldfarb.

Approved this 3<sup>rd</sup> day of June 2021.

---

Council Member Keith Trace, Chairman

---

Ms. Cathy Goldfarb,  
Senior Board Services Coordinator

*As required by Section 286.0105, Florida Statutes, MetroPlan Orlando hereby notifies all interested parties that if a person decides to appeal any decision made by MetroPlan Orlando with respect to any matter considered at such meeting or hearing, he or she may need to ensure that a verbatim record is made to include the testimony and evidence upon which the appeal is to be based.*

## Florida Department of Transportation

RON DESANTIS  
GOVERNOR

719 S. Woodland Boulevard  
DeLand, Florida 32720-6834

KEVIN J. THIBAUT, P.E.  
SECRETARY

May 1, 2021

Mr. Gary Huttman  
Executive Director  
MetroPlan Orlando  
250 South Orange Ave., Suite 200  
Orlando, FL 32801

Dear Mr. Huttman:

**Subject: REQUEST FOR TRANSPORTATION IMPROVEMENT PROGRAM CHANGES**

The Florida Department of Transportation (FDOT) requests the following changes to be made to MetroPlan Orlando Metropolitan Planning Organization's Adopted Fiscal Years 2020/2021 – 2024/2025 Transportation Improvement Program (TIP) in coordination with the corresponding changes to the Department's Adopted Work Program. Please make sure that you put the amendment date on your cover page of the amended TIP and the page of the TIP that the project is listed on.

**SEMINOLE COUNTY**

**FM#447103-1 SR 46 FROM EAST OF CR-15/UPSALA RD TO FRENCH AVE**

**Current TIP Status:**

Project is not currently in the TIP for Fiscal Years 2020/2021 – 2024/2025.

**Proposed Amendment:**

| Phase                   | Amended Funding Type | Amended Amount     | Fiscal Year |
|-------------------------|----------------------|--------------------|-------------|
| Preliminary Engineering | DIH                  | \$5,000            | 2021        |
| Preliminary Engineering | DIH                  | \$10,000           | 2022        |
| Preliminary Engineering | ACSA                 | \$1,007,000        | 2022        |
| Construction            | DDR                  | \$7,244,776        | 2024        |
| Construction            | DIH                  | \$10,000           | 2024        |
|                         | <b>TOTAL</b>         | <b>\$8,276,776</b> |             |

**Difference:** TIP must be updated to reflect new project and added funding.

**Explanation:** This project is in the City of Sanford and includes the resurfacing of SR 46 from East of I-4 to SR 15 (US 17/92). Project will also provide safety improvements and increase pedestrian, cyclist mobility by filling in sidewalk gaps and the addition of bike lanes.

---

**FM#439075-2 SUNSET DRIVE LIVABLE STREETS/FROM OXFORD ROAD TO  
BUTTON ROAD CONSTRUCT**

**Current TIP Status:**

Project is not currently in the TIP for Fiscal Years 2020/2021 – 2024/2025.

**Proposed Amendment:**

| Phase        | Amended Funding Type | Amended Amount     | Fiscal Year |
|--------------|----------------------|--------------------|-------------|
| Construction | SU                   | \$2,096,484        | 2022        |
|              | <b>TOTAL</b>         | <b>\$2,096,484</b> |             |

**Difference:** New project with Phase 58 (Construction) funds added in FY 2021/2022. TIP must be updated to reflect new project and added funding.

**Explanation:** This is a local agency project with the City of Casselberry and will provide funding the construction phase. The purpose of this project is to enhance Sunset Drive to provide a 10-foot shared use path for bicyclists and pedestrians. The \$2,096,484 in construction funds originate from project 439075-1 and were recently added to 439075-2.

---

Sincerely,

*Anna M. Taylor*

Anna Taylor, Government Liaison Administrator  
District Five

Rakinya Hinson, MPO Liaison, FDOT  
Jo Santiago, Transit Liaison, FDOT

**Resolution No. 21-06****Subject:****Amendment to the FY 2020/21 - 2024/25  
Transportation Improvement Program**

**WHEREAS**, the Orlando Urbanized Area Metropolitan Planning Organization (MPO), d.b.a. MetroPlan Orlando, is the duly designated and constituted body responsible for carrying out the urban transportation planning and programming process for the Orlando Urbanized Area, including the Transportation Improvement Program; and

**WHEREAS**, the Florida Department of Transportation (FDOT) is requesting to amend the FY 2020/21 - 2024/25 Transportation Improvement Program (TIP) in accordance with the MetroPlan Orlando Internal Operating Procedures; and

**WHEREAS**, the requested amendments are described as follows:

***Seminole County***

- **FM #4390752 – Sunset Drive Livable Streets from Oxford Road to Button Road - Funding consists of \$2,096,484 in SU funds for construction in FY 2021/22 currently programmed under FM #4390751 being moved to FM #4390752;**
- **FM #4471031 – SR 46 from east of Upsala Road to French Avenue – Resurfacing - Funding consists of:**
  - \$5,000 in DIH funds for design in FY 2020/21
  - \$10,000 in DIH funds for design in FY 2021/22
  - \$1,007,000 in ACSA funds for design in FY 2021/22
  - \$7,244,776 in DDR funds for construction in FY 2023/24
  - \$10,000 in DIH funds for construction in FY 2023/24; and

**WHEREAS**, the requested amendments described above are consistent with MetroPlan Orlando's project priorities and currently adopted Long Range Transportation Plan.

**NOW, THEREFORE, BE IT RESOLVED** by the MetroPlan Orlando Board that the Florida Department of Transportation's amendments to the FY 2020/21 - 2024/25 Transportation Improvement Program be approved as requested.

Passed and duly adopted at a regular meeting of the MetroPlan Orlando Board on the 9<sup>th</sup> day of June, 2021.

**Certificate**

The undersigned duly qualified as Chairman of the MetroPlan Orlando Board certifies that the foregoing is a true and correct copy of a Resolution adopted at a legally convened meeting of the MetroPlan Orlando Board.

---

Honorable Viviana Janer, Chairwoman

Attest:

---

Lisa Smith, Sr. Board Services Coordinator  
and Recording Secretary

## Board Action Fact Sheet

Meeting Date: June 9, 2021

Agenda Item: **TBD**

Roll Call Vote: Yes

**Action Requested:**

MetroPlan Orlando Staff requests approval of amendments to the 2045 Metropolitan Transportation Plan (MTP) to include projects identified and fully funded in the Transportation Improvement Program (TIP) and other modifications identified by local agencies.

**Reason:**

To proactively comply with state and federal long range planning requirements, MetroPlan Orlando staff is proposing this amendment to better reflect the TIP in the 2045 MTP's Cost Feasible Plan. In addition, due to the effort required in updating the budget tables for TIP projects, MetroPlan Orlando staff is taking this amendment opportunity to address feedback received from agency partners following the adoption of the 2045 MTP in December 2020.

**Summary/Key Information:**

Requested amendments / modifications will be made to the *Cost Feasible Plan: Strategies, Programs, and Projects* and *Congestion Management Process (CMP)* documentation of the adopted 2045 Metropolitan Transportation Plan. Items of particular significance for our Committees and the Board are as follows:

- Tables 6, 9, 11, 12, and 13 updated to included fully funded TIP projects. No impact to existing cost feasibility.
- Off-State Highway System Program expanded to incorporate additional multimodal needs and project types.
- Other miscellaneous editorial changes based on local government feedback.
- CMP Table 1 revised to include updated data from FDOT pertaining to Emergency Response and Roadway Clearance times.

**MetroPlan Budget Impact:** None

**Local Funding Impact:** None

**Committee Action:**

|       |                  |
|-------|------------------|
| CAC:  | to be determined |
| TSMO: | to be determined |
| TAC:  | to be determined |
| MAC:  | to be determined |

**Staff Recommendation:** Recommends Approval.

**Supporting Information:** The following documents are provided at Board Agenda Tab **TBD**:

- 1) Overview of Proposed Plan Revisions (includes hyperlinks to documentation with proposed revisions incorporated)

# 2045 Metropolitan Transportation Plan (MTP)

## Overview of Proposed Plan Revisions

May / June 2021

### Reason for Amendment / Modification:

In February 2021, the Federal Highway Administration (FHWA) and the Florida Department of Transportation (FDOT) provided additional guidance and clarification relating to “consistency between planning documents” and the relationship of the MTP to the Transportation Improvement Program (TIP) and FDOT Work Program. Per FHWA guidance, a snapshot of the adopted TIP, including state and federal projects fully funded in advance of 2026, must be included in the Cost Feasible Plan’s budget allocation tables. The currently adopted 2045 MTP only includes significant partially-funded TIP projects with remaining phases to be funded in Plan Period 2026-2030 and 2031-2035 of the Cost Feasible Plan.

To proactively comply with state and federal long range planning requirements, MetroPlan Orlando staff is proposing these Plan Revisions to better reflect the TIP in the 2045 MTP’s Cost Feasible Plan. In addition, due to the required effort in updating the budget tables for TIP projects, MetroPlan Orlando staff is taking this opportunity to address feedback received from agency partners following the adoption of the 2045 MTP in December 2020.

### Changes to Technical Reports / Documentation:

Requested amendments /modifications will be made to the *Cost Feasible Plan: Strategies, Programs, and Projects and Congestion Management Process (CMP)* documentation of the adopted 2045 Metropolitan Transportation Plan.

1. Cost Feasible Plan – Modification: Federal and state funded projects within the TIP were added to the Cost Feasible Plan’s budget allocation tables for the years 2020-2025. The projects included those with funding allocated through the construction phase, and historic project costs (those prior to 2020) were not added to the Cost Feasible Plan’s budget allocation tables. The TIP projects were added to the following tables, and are identified by an MTP ID that begins with “EC”. The addition of these TIP projects did not impact existing cost feasible projects.
  - a. Table 6, Interstate Highway System and Strategic Intermodal System: 14 TIP projects were added.
  - b. Table 9, State Highway System: 122 TIP projects were added.
  - c. Table 11, Transportation System Management and Operations/ITS: 52 TIP projects were added.
  - d. Table 12, Complete Streets: Three (3) TIP projects were added.
  - e. Table 13, Pedestrian and Bicycle Infrastructure: 37 TIP projects were added.
2. Cost Feasible Plan – Amendment: The off-system capacity improvement program (Table 10) was broadened to include other multimodal needs, in addition to capacity, for facilities located off of the state highway system. The new program no longer identifies specific projects, rather it will be implemented annually in coordination with the Technical Advisory Committee (TAC) and projects will be identified on the Project Priority List (PPL). The projects which were previously located in Table 10 have been relocated to the appropriate Orange, Osceola, and Seminole County local project list (Tables 16, 17, and 18) respectively.

3. Cost Feasible Plan – Amendment: Minor updates were also incorporated based upon feedback received after the MTP Adoption on December 9, 2020. A summary of the updates is included below:
  - a. Sandspur Trail – The City of Maitland has opted to fund the project through an alternative source and will not use federal or state funds for implementation. The project has been removed from Table 13, Pedestrian and Bicycle Infrastructure.
  - b. Orange Blvd – Seminole County has opted to fund the project through an alternative source and will not use federal or state funds for implementation. The project has been removed from Table 12, Complete Streets.
  - c. Orange Ave/Holden/Gatlin Intersection – Updated the project cost to reflect the rail relocation construction. The project remains Cost Feasible in Plan Period 2 (2030-2035).
  - d. Windermere Ward Trail – The Town of Windermere requested to add the trail segment to Table 13, Pedestrian and Bicycle Infrastructure. The project is shown as unfunded need.
  - e. Osceola County requested minor editorial revisions to clarify project locations and limits for previously unnamed roadways, removing a few projects that were either cancelled or completed since the time of the MTP’s adoption, and splitting a project into separate project items with abutting limits for ease of future implementation. The editorial revisions did not impact project cost feasibilities.
4. Congestion Management Process – Modification: Documentation revised to include updated information from FDOT pertaining to Emergency Response and Roadway Clearance times (Table 1). Previous data reported in the adopted CMP was extracted directly from FDOT’s SunGuide system. Updated clearance time data was provided by FDOT District Five’s Transportation Incident Management (TIM) Coordinator.

SECRETARY

### **Orange/Osceola/Seminole County Project Status Update as of April 29, 2021**

The following is a brief status update on major FDOT road construction projects in Orange and Osceola counties as of the April cutoff. The next cutoff date is May 16, 2021. Information is also available on [www.cflroads.com](http://www.cflroads.com). For questions, please contact Anna Taylor at 386-943-5499 or via email at [Anna.Taylor@dot.state.fl.us](mailto:Anna.Taylor@dot.state.fl.us).

#### **Upcoming projects:**

##### **441017-1 US 441/US 17-92 from north of Cypress Street to Old Dixie Highway**

- Contract E53A9
- Contractor: Ranger Construction Industries, Inc.
- Project Cost: \$789,000
- Estimated Start: May 2021
- Estimated Completion: Fall 2021

##### **442087-1 SR 552 at Fredrica Drive**

- Contract E52A1
- Contractor: ACCE JV (Atlantic Civil Constructors Corporation & Chincor Electric, Inc.)
- Project Cost: \$876,000
- Estimated Start: May 2021
- Estimated Completion: Fall 2021

##### **441036-1 & 439487-1 U.S. 441 (Kenansville Road) Resurfacing from Okeechobee County Line to S.R. 60 and S.R. 60 Widening from east of S.R. 15 (U.S. 441) to west of S.R. 91 (Florida Turnpike)**

- Contract T5688
- Contractor: OHL USA INC
- Project Cost: \$4.7 Million
- Estimated Start: July 2021
- Estimated Completion: Early 2022

##### **442088-1 S.R. 50 at Oberry Hoover Rd - Signals Installation**

- Contract E54A0
- Contractor: Chinchor Electric, Inc.
- Project Cost: \$606,000
- Estimated Start: July 2021
- Estimated Completion: Summer 2021

**441197-1 S.R. 426 (West Fairbanks Ave) from U.S. 17-92 to Ward Avenue turn lane extension, roadway resurfacing and sidewalk improvements**

- Contract E53A6
- Contractor: Hubbard Construction Company
- Project Cost: \$320,200
- Estimated Start: June 2021
- Estimated Completion: Summer 2021

**Current projects:**

**439237-1 & 441146-1 S.R. 535 (Apopka-Vineland Road) Resurfacing from south of International Drive to south of Hotel Plaza Boulevard**

- Contract E5Z93
- Project Start: March 2021
- Estimated Completion: Spring 2022
- Contractor is working on drilled shafts, directional bores, and concrete work in the median and sidewalk. Crews are also performing widening work and installing asphalt base for the outside areas between Lake Beach Bryan Boulevard and World Center Drive.

**441021-1 S.R. 53/U.S. 192 Resurfacing from west of S.R. 417 to Bamboo Lane**

- Contract E51A5
- Project Start: January 2021
- Estimated Completion: Fall 2021
- Contractor has started milling and paving activities. Crews are also working on drainage structures, curb and gutter, sidewalk, pavers, and signalization.

**407143-4, 407143-5 & 407143-6 S.R. 482 (Sand Lake Road) from west of International Drive to east of Florida's Turnpike and International Drive from Jamaican Court to north of Sand Lake Road**

- Contract T5552
- Project Start: October 2016
- Estimated Completion: Spring 2021
- Project was partially accepted as complete on March 25. However, the contractor still has minor punch list items they are wrapping up, such as signal work and a valve repair.

**239496-3 S.R. 423 (John Young Parkway) Widening from S.R. 50 to Shader Road**

- Contract T5538
- Project Start: January 2018
- Estimated Completion: Spring 2021
- Project was completed 4/13/2021.

**437341-1 S.R. 435 (Kirkman Road) Resurfacing from north of S.R. 482 (Sand Lake Road) to south of S.R. 408 (excluding north of International Drive to Major Boulevard)**

- Contract T5628
- Project Start: August 2019
- Estimated Completion: Summer 2021
- Crews are paving friction course; installing permanent signs, pavement markings, striping and truncated domes; and working on signalization.

**239714-1 S.R. 600/U.S. 17-92 Widening from west of Poinciana Boulevard to Ham Brown Road (C.R. 535)**

- Contract E5Z33
- Project Start: February 2019
- Estimated Completion: Spring 2022
- Contractor is paving, excavating ditches, pouring sidewalk and curb, installing drainage and lighting, and monitoring Phase 2 surcharge.

**439885-1 Osceola County Pedestrian Lighting Bundle A**

- Contract T5645
- Project Start: June 2020
- Estimated Completion: Spring 2021
- Contractor is working on remaining spread footers at various intersections along U.S. 192.

**439880-2 Orange County Pedestrian Lighting Bundle B**

- Contract E50A5
- Project Start: February 2021
- Estimated Completion: Spring 2021
- Contractor is installing load centers along U.S. 441 between Lancaster Road and 39th Street.

**439880-7 Orange County Pedestrian Lighting Bundle G**

- Contract T5638
- Project Start: January 2021
- Estimated Completion: Spring 2021
- Contractor has begun installing light pole foundations and has completed installing bores and pull boxes.

**436679-1, 436679-2, 436857-1 Resurfacing/Widening U.S. 17-92 from north of Lake Mary Boulevard to north of Airport Boulevard, along with intersection improvements at Airport Boulevard**

- Contract T5686
- Project Start: March 2021
- Estimated Completion: Spring 2022
- Contractor is working on drainage, utility relocation, soft digs, and lighting relocations.

**240196-1 Widening U.S. 17-92 from Shepard Road to Lake Mary Boulevard**

- Contract T5557
- Project Start: May 2016
- Estimated Completion: Summer 2021
- Paving is continuing throughout the project. Crews are also working on drainage, ITS, lighting, and signalization.

**424217-1 Widening S.R. 414 (Maitland Boulevard) from S.R. 400 (I-4) to C.R. 427 (Maitland Avenue)**

- Contract T5625
- Project Start: February 2019
- Estimated Completion: Early 2021
- Project was completed on 4/16/2021.

**440821-1 Ped/Safe Greenway Development ITS Communication**

- Contract T5639
- Project Start: September 2019
- Estimated Completion: Summer 2021
- No lane closures recently for this project.

**439235-1, 437544-1 Resurfacing along S.R. 551 (Goldenrod Road) from S.R. 426 (Aloma Avenue) to S.R. 50 (East Colonial Drive) and from S.R. 15 (Hoffner Avenue) to S.R. 552 (Curry Ford Road)**

- Contract T5669
- Project Start: February 2020
- Estimated Completion: Spring 2021
- Project was completed on 4/1/2021.

**434931-1 S.R. 436 from Boston Avenue to Anchor Road Improvements**

- Contract T5680
- Project Start: May 2020
- Estimated Completion: Summer 2021
- Utilities, widening and sidewalk construction activities. Currently no lane closures for this project.

**441211-1 Countywide ATMS-DMS Phase 1 Seminole County**

- Contract E5Z94
- Project Start: May 2019
- Estimated Completion: Fall 2021
- Contractor has been removing existing message board signs and continues to place uprights at various locations. Nighttime lane closures as needed.

**441365-1-52-01 S.R. 436 (Semoran Boulevard) at Howell Branch Road Intersection Improvements**

- Contract T5701

- Project Start: January 2021
- Estimated Completion: Fall 2021
- Contractor is placing mast arms at the intersection and completing paving operations with overnight lane closures.

### Board Meeting Highlights – May 12, 2021

- **Chairwoman's Announcements:** Chairwoman Viviana Janer called the meeting to order at 9:00 a.m. Mayor Nelson, City of Apopka, led the Pledge of Allegiance. Chairwoman Janer called attention to the new AV equipment installed in the Board Room. Mr. Jason Loschiavo, MetroPlan Orlando staff, gave the Board members brief overview of the new equipment. Chairwoman Janer officially welcomed Council Member Keith Trace as the new Municipal Advisory Committee Chair. Commissioner Moore reported on the April 9<sup>th</sup> Central Florida MPO Alliance (CFMPOA) meeting. Mayor Demings reported on the April 29<sup>th</sup> Commuter Rail Commission (CRC) meeting. Commissioner Mayra Uribe provided a report on the April 29<sup>th</sup> Metropolitan Planning Organization Advisory Council (MPOAC) meeting. Commissioners Gomez-Cordero and Uribe reported on their experiences attending the virtual MPOAC Institute in March and April, respectively.
- **MetroPlan Orlando Executive Director's Announcements:** Mr. Gary Huttman thanked board members for helping to ensure a quorum for the hybrid meeting. He reviewed the virtual procedures. He recognized Orange County alternate, Commissioner Nicole Wilson, in attendance or Cmsr Emily Bonilla. Mr. Huttman reported on the applications that have been completed for additional federal funding which included the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA). He reported that staff prepared a list of 8 projects. Mr. Huttman informed that staff prepared a list of 7 projects and letters of support for 9 others under the Federal Community Project Funding Appropriations request, and the Re-authorization of the Federal Transportation Bill. He stated that MetroPlan continues to coordinate with the FDOT on the President's Jobs Plan. He advised that monthly coordination with FDOT continues along with pedestrian safety and Best Foot Forward efforts in Orange and Seminole counties. He announced that the 2021 Regional Transportation Survey opened on May 3<sup>rd</sup> and will remain open until May 23<sup>rd</sup>. Mr. Huttman reported on local projects that MetroPlan Orlando staff is working on to including the 10<sup>th</sup> Street Complete Streets in St. Cloud, Sunrail Parking Feasibility Study at the Meadow Woods, Tupperware and Poinciana locations; Rock Springs Road/Welch Road and the West Orange Trail Extension in Apopka and Orange County. He reported on the Four Corners Transportation Summit that he attended on May 6. Mr. Huttman announced that Mr. Alex Trauger, MetroPlan Orlando staff, had been appointed to the statewide Freight Advisory Committee. He congratulated the members of the Communications staff for awards won at the Florida Public Relations Association annual event on April 13<sup>th</sup>. He congratulated Conroy Jacobs, Osceola County staffer and MetroPlan Orlando TAC committee member, for receiving the 2020 Planning Professional of the Year award during the FDOT Transplex program. During an update on MetroPlan Orlando office operations, Mr. Huttman noted that the doors to the office remain closed to walk-ins. He announced that effective July 1, the office will resume in-person Board and Committee meetings consistent with the expiration of the Board Resolution #20-18.
- **Agenda Review:** Mr. Huttman reported there were no changes to the agenda.
- **Public Comments:** None.
- Unanimously **Approved** Consent Items: A-G
- Unanimously **Approved** the FDOT Amendment to FY 2020/21 - 2024/25 TIP (Roll call vote conducted)
- Unanimously **Approved** the Board Emphasis Areas.
- Unanimously **Approved** Information Items for Acknowledgement: Items A-Y
- **Other Business:** Presentations included, **Pedestrian Safety** (Mr. Mighk Wilson, MetroPlan Orlando staff) and **the 2021 Legislative Session Wrap Up** (Mr. Ryan Matthews, Peebles, Smith and Matthews)
- **Board Member Comments:** None.
- **Public Comments:** None.
- **Next Board Meeting – June 9, 2021**

---

The 2021 Legislative Session officially ended “Sine Die” at 2:40pm on Friday, April 30<sup>th</sup>. Unique to this session was the fact that session actually ended on time, bucking a trend of the past few years where legislators needed additional time to settle the budget. Also unique for 2021– an influx of \$10 billion dollars to spend in response to a once in a century pandemic. Republicans continue to dominate both chambers, as well as the executive branch of government, resulting in numerous “red meat” policies passing in 2021 that will set the table for the elections of 2022, and even 2024. Florida continues to be a major player in national politics, this was particularly apparent as this session brought about conversations regarding business and health care COVID liability protections, vaccine passports, health care funding, anti-rioting policies, data privacy, social media “de-platforming,” elections, access to broadband, transgender athletes, and a \$101.5 billion dollar state budget.

Obviously, many more issues were discussed over the 60-day legislative session, as the statistics below highlight:

- 3,140: Bills and PCBs filed
- 2,632: Amendments filed
- 3,788: Votes Taken
- 39: Floor Sessions
- 275: Bills passed both chambers
- 1,060: Local Appropriations projects filed

### **MetroPlan Orlando Appropriations Project**

\*Please note the General Appropriations Act, SB 2500, has not been signed by Governor DeSantis and individual projects can be vetoed. We will continue to work with the Governor’s staff to ensure final approval of MetroPlan’s project.

#### **Best Foot Forward for Pedestrian Safety**

Sponsored by Representative Arrington & Senator Stewart  
Funded at \$100,000

## **Budget**

### ***Appropriations (SB 2500)***

The spending plan for FY 2021-22 totals \$101.5 billion which includes approximately \$6.7 billion in federal funding from the American Rescue Plan (ARP). This represents a 10.1 % increase (\$9.3 billion) over the current year budget.

The budget includes \$36.3 billion in general revenue and just over \$65 billion in trust fund dollars.

The chart below summarizes a comparison of this year's budget and the FY 2020-21 budget.

## **Funding Highlights**

### **Affordable Housing**

- **State Housing Initiatives Partnership (SHIP):** \$146.7 million
- **Affordable Housing Programs (State Apartment Incentive Loan Program (SAIL)):** \$62.5 million

### **Transportation Funding**

- **Florida Department of Transportation total budget:** 10.3 billion
- **Small County Outreach Program (SCOP):** \$88.8 million
- **Small County Resurface Assistance Program (SCRAP):** \$38.2 million
- **Local Transportation Initiatives Projects:** \$89.5 million
- **Transportation Disadvantaged Program:** \$65.9 million

### **Economic Development Funding**

- **Florida Job Growth Grant Funding:** \$50 million (funding is contingent on ARP funds)
- **Visit Florida:** \$75 million (\$25 million is contingent on ARP funds)
- **Enterprise Florida:** \$14.4 million

### **Environmental Funding**

- **Member Projects:** \$116.6 million
- **Florida Forever:** \$100 million
- **Coastal Mapping:** \$100 million (funding is contingent on ARP funds)
- **Florida Keys Area of Critical State Concern:** \$20 million
- **Land Acquisition- Wildlife Corridor:** \$300 million (contingent on ARP funds)
- **Petroleum Tanks Cleanup:** \$125 million (\$50 million contingent on ARP funds)
- **Dry Cleaning Solvent Cleanup:** \$6 million
- **Septic-to-Sewer/Stormwater Improvements:** \$626 million
  - \$500 million is contingent on receipt of the ARP funds.
  - Funds are provided for the wastewater grant program as established in section 403.0673, Florida Statutes, and are contingent upon SB 1954, SB 2512, and SB 2514, or similar legislation, becoming law.
  - Of the \$626 million, \$10 million is provided for the Septic Upgrade Incentive Program to incentivize homeowners in Priority Focus Areas to upgrade their septic system to include nitrogen reducing enhancements.
- **Water Quality Enhancement and Accountability:** \$10.8 million
  - Funds will be used for increased water quality monitoring, creation of a water quality public information portal, and for the establishment of the Blue-Green Algae Task Force. Funds may be used for administration and planning costs. The task force will support key funding and restoration initiatives to expedite nutrient reduction in Lake Okeechobee and the St. Lucie and Caloosahatchee estuaries. The task force will identify priority projects for funding that are based on scientific data and build upon Basin Management Action Plans (BMAPs) to provide the largest and most meaningful nutrient reductions in key waterbodies, as well as make recommendations for regulatory changes.
  - Of the \$10.8 million, \$4 million is provided to the Department of Environmental Protection to continue to expand statewide water quality analytics for the nutrient over-enrichment analytics assessment and water quality information portal to include a comprehensive statewide flood vulnerability and sea level rise data set.
- **Total Maximum Daily Loads:** \$46 million
  - \$20 million of which is contingent on receipt of the ARP funds.
  - The funds may be used by DEP for innovative water treatment projects that demonstrate the ability to most rapidly achieve department verified phosphorous and/or nitrogen load reductions consistent with the nutrient load reduction goals and total maximum daily loads established by the department. The department may also provide cost-share funding for innovative nutrient removal projects.
- **Harmful Algal Blooms:** \$10.6 million
  - Funds will be used for the purpose of supporting the evaluation and implementation of innovative technologies and short-term solutions to combat or clean up harmful algal blooms and nutrient enrichment of Florida's fresh

waterbodies, including lakes, rivers, estuaries and canals. Funds may be used for the Department's red tide emergency grant program to support local governments in cleaning beaches and coastal areas to minimize the impacts of red tide to residents and visitors. Funds may also be used to implement water quality treatment technologies, identified by the Department, near water control structures in Lake Okeechobee.

- **Springs Restoration:** \$75 million
  - \$25 million of which is contingent on receipt of the ARP funds
  - The funds are appropriated to the Department of Environmental Protection for springs restoration. The funds may be used for land acquisition to protect springs and for capital projects that protect the quality and quantity of water that flow from springs.
- **Alternative Water Supply:** \$40 million
  - Funds are contingent on receipt of the ARP funds and are appropriated to the Department of Environmental Protection for the water supply and water resource development grant program to help communities plan for and implement conservation, reuse and other water supply and water resource development projects. Priority funding will be given to regional projects in the areas of greatest need and for projects that provide the greatest benefit. The department shall identify and research all viable alternative water supply resources and provide an assessment of funding needs critical to supporting Florida's growing economy.
- **Beach Restoration:** \$150 million
  - \$50 million is contingent on receipt of the ARP funds
  - The budget allocation will be used by the Department of Environmental Protection beach and inlet management projects.
- **Resilient Coastline Initiative:** \$10 million
  - Of the \$10 million, \$8 million is provided for the Florida Resilient Coastline Initiative to assist local governments with storm resiliency, sea level rise planning, coastal resilience projects, and coral reef health.
  - \$2 million is provided for coastal resilience grants and coral reef restoration. allocated to assist local governments with sea level rise planning and coastal resilience projects, including storm resiliency as well as coral reef restoration and monitoring.
- **Resilient Florida Trust Fund:** \$500 million (contingent on ARP funds)
  - Funds are allocated for the Resilient Florida Grant Program authorized in Senate Bill 1954 and are contingent upon Senate Bill 1954 and Senate Bill 2514, or similar legislation, becoming a law.
  - SB 1954 creates the Resilient Florida Grant Program within DEP and establishes statewide resiliency programs that assess and address inland and coastal flooding and sea level rise.
- **Resilient Florida Planning Grants:** \$20 million
- **Piney Point Environmental Cleanup:** \$100 million (contingent on ARP funds)

## **Allocation of American Rescue Plan Funds**

The FY 2021-22 budget includes \$6.696 billion in funding from the American Rescue Plan (ARP)

The funds listed below are in addition to any amounts appropriated for the same purposes in the General Appropriations Act.

|  |                 |
|--|-----------------|
| Florida Forever Land Acquisition                             | \$300 million   |
| Piney Point  | \$100 million   |
| African American Cultural and Historic Grant Program         | \$30 million    |
| State Emergency Operations Center                            | \$100 million   |

## **Bills that Passed in 2021**

### **Bicycle and Pedestrian Safety**

*SB 950 by Book & HB 605 by Hunschofsky*

The bill addresses several issues relating to bicycle and pedestrian safety. The bill provides that the driver of a vehicle overtaking a bicycle or other nonmotorized vehicle or an electric bicycle occupying the same travel lane must pass the bicycle, other nonmotorized vehicle or an electric bicycle at a safe distance of not less than 3 feet, or if such movement cannot be safely accomplished, must remain at a safe distance behind the bicycle, other nonmotorized vehicle or electric bicycle until the driver can safely pass at a distance of not less than 3 feet. These requirements do not apply when the bicycle, other nonmotorized vehicle or electric bicycle occupies a separate bicycle lane.

The bill requires DHSMV to provide an awareness campaign informing the public about the safety precautions that must be taken when overtaking a bicycle, other nonmotorized vehicle or electric bicycle. The bill also requires 25 questions in DHSMV's test bank to address bicycle and pedestrian safety.

Additionally, the bill provides that no-passing zones do not apply to drivers who safely and briefly drive to the left of center of the roadway to overtake a bicycle, other nonmotorized vehicle, or an electric bicycle and requires a vehicle making a right turn while overtaking a bicycle proceeding in the same direction, to do so only if the bicycle is at least 20 feet from the intersection.

Regarding requirements for bicyclists, the bill prohibits bicyclists in a bike lane from riding more than two abreast. Where bicycle lanes exist, bicyclist may ride two abreast if both are able to remain within the bicycle lane. If the bicycle lane is too narrow to allow two bicyclists to ride two abreast, they must ride single-file and within the bicycle lane. On roads that contain a substandard width lane, bicyclists may temporarily ride two abreast only to avoid hazards in the roadway or to overtake another person riding a bicycle.

Lastly, the bill provides that when stopping at a stop sign, bicyclists in groups, after coming to a full stop, may proceed through the stop sign in a group of 10 or fewer at a time.

SB 950 passed favorably through both the House and the Senate this legislative session.

### **SB 2502 – Implementing the 2021-2022 General Appropriations Act**

SB 2502 provides the statutory authority necessary to implement and execute the General Appropriations Act for Fiscal Year 2021-2022. The bill, among other things, amends s. 341.052, F.S., which waives the local match requirements within the Public Transit Block Grant Program for eligible capital projects and public transit operating costs.

## **Transportation**

*SB 1194 by Hooper and HB 57 by Andrade*

Among other things, SB 1194, the massive transportation bill authorizes a municipal or county governing body to abandon roads and rights of way dedicated in a recorded residential subdivision plat and to simultaneously convey a city or the county's interest to a community development district under specified conditions. The Senate adopted an amendment on the floor that partly matched language in SB 426/HB 267, relating to State Preemption of Seaport Regulations by Sen. Boyd and Rep. Roach. The amendment prohibits a local ballot initiative or referendum from restricting maritime commerce in all of Florida's seaports, including, but not limited to, regulations related to:

- Vessel type, size, number, or capacity;
- Number, origin, nationality, embarkation, or disembarkation of passenger or crew or their entry into this state or any local jurisdiction;
- Source, type, loading, or unloading of cargo; or
- Environmental or health records of a particular vessel or vessel line.

Any local ballot initiative or referendum that was adopted before, on, or after July 1, 2021, and any local law, charter amendment, ordinance, resolution, regulation, or policy adopted in such an initiative or referendum, is prohibited, void, and expressly preempted to the state. This includes the three referendums approved by city of Key West voters in the November 2020 General Election which restricted the types of cruise vessels that could call on the Port of Key West.

The bill passed (21-7) in the Senate and the House concurred in the amendment and passed the bill on a vote of 75-40. The bill now heads to the Governor's desk.

## **Highway Projects**

*SB 100 by Harrell*

SB 100 repeals the Multi-use Corridors of Regional Economic Significance (M-CORES) program and related provisions and instead creates programs related to arterial highway projects. More specifically, the bill:

- Authorizes the Florida Department of Transportation (FDOT) to upgrade existing arterial roadways with targeted improvements, such as adding new tolled or non-tolled limited access alignments to manage congestion points and retrofitting roadways with tolled or non-tolled grade separations that provide alternatives to a signalized intersection for through traffic.
- Prohibits a reduction of any non-tolled general use lanes of an existing facility, requires maintenance of existing access points, and limits the location of any tolling points such that a non-tolled alternative exists for local traffic. Provides that all existing applicable requirements relating to FDOT or turnpike projects apply to any projects undertaken. Further, the FDOT and the Florida Turnpike Enterprise (FTE) must take into consideration the guidance and recommendations of any previous studies or reports relevant to the projects.

- Directs the FDOT to develop, by December 31, 2035, and include in the work program, construction of controlled access facilities to achieve free flow of traffic on U.S. 19 and requires the facility to be developed using existing or portions of existing roadway by specified improvements.
- Directs the FDOT to begin the project development and environmental phase for a project to extend the Florida Turnpike from its current terminus in Wildwood to a terminus as determined by the FDOT, and to submit a summary report by December 31, 2022.

SB 100 awaits action by the Governor.

### **Drones**

*SB 44 by Wright and HB 1049 by Giallombardo*

SB 44 provides additional exceptions to the statutory ban on certain uses of drones by law enforcement agencies, fire departments, state agencies, and political subdivisions of the state. Under the bill, law enforcement agencies will be able to use drones to gain aerial perspectives of a crowd of 50 or more persons; assist with traffic management, except that the agency may not issue a traffic infraction based on images or video captured by a drone; and facilitate evidence collection at a crime scene or traffic crash scene. The bill further provides that the statute does not prohibit a state agency or political subdivision to use a drone to assess damage due to natural disaster, or for the management of vegetation and wildlife management on public land or water.

SB 44 awaits action by the Governor.

### **Motor Vehicle Rentals**

*SB 566 by Perry and HB 365 by Caruso*

SB 566 establishes insurance and operational requirements for peer-to-peer car-sharing programs (car-sharing programs). Under the bill, peer-to-peer car-sharing is the authorized use of a motor vehicle by an individual other than a shared vehicle's owner (vehicle owner) through a car-sharing program that connects motor vehicle owners with drivers for financial consideration.

SB 566 passed the Senate, 28 Yeas / 12 Nays, and the House by a vote of 101 Yeas / 15 nays. The bill now awaits action by the Governor.

### **Express Preemption of Fuel Retailers and Related Transportation Infrastructure**

*HB 839 by Fabricio and SB 856 by Hutson*

HB 839 and SB 856 expressly preempt a municipality, county, special district, or political subdivision from prohibiting the siting, development, or redevelopment of a fuel retailer or the necessary related transportation infrastructure within that specific local government's entire jurisdiction. The bills further preempt any action by a municipality, county, special district, or political subdivision resulting in a de facto jurisdiction-wide prohibition against a fuel retailer or the necessary related transportation infrastructure. The bills preempt mandating any required infrastructure on a fuel retailer, including electric vehicle charging stations. The bill does not

preempt a municipality, county, special district, or political subdivision from adopting and implementing ordinances, regulations, policies, or resolutions on the siting, development, or redevelopment of fuel retailers or necessary related transportation infrastructure that are consistent with other allowable uses and general law.

HB 839 was substituted for SB 856 and passed (26-12) in the Senate and heads to the Governor's desk for final passage.

## **Bills that Failed to Pass in 2021**

### **Alternative Meetings During Declared Emergencies**

*SB 1494 by Senator Cruz and HB 1217 by Representatives Daley and Mooney*

The bills authorized local or regional governing bodies under a state of emergency by the Governor to gather using communications media technology, including telephonic and video conferencing. A meeting conducted through communications media technology indicates a member's presence and would have counted towards a quorum. Additionally, a member could attend in person or through communications media technology virtually. The House version included a provision that stated any requirement for a public meeting for a quorum, to be present in person or to meet in a specific place, will be suspended during a declared state of emergency. Lastly, a public notice for a meeting via technology would have had to contain how many people were interested in attending as well as noticing meeting locations, if any. Neither bill received a hearing this session.

### **Traffic and Pedestrian Safety**

*SB 1412 by Senator Perry and HB 1113 by Representative Fine*

HB 1113 passed (91-25) the House but ultimately failed this legislative session. The bills required by October 1, 2022, DOT would have had to seek approval from the federal government to allow red rectangular rapid flash beacon (RRFB) instead of yellow RRFBs. If approved by the federal government, all entities with jurisdiction over mid-block crosswalks would have had to replace yellow RRFBs with red RRFBs within a year. If the request was denied by the federal government, all entities with jurisdiction over mid-block crosswalks would have had to remove all yellow RRFBs or retrofit with acceptable equipment. Furthermore, a traffic engineering study would have had to have been conducted that recommended the installation of a mid-block crosswalk. The Senate companion, SB 1412, cleared two of three committees but stalled in its third committee, Senate Appropriations.

### **Use of Wireless Communications Devices**

*HB 91 by Representative Slosberg*

The bill expanded the texting & driving ban to a complete hands-free requirement for use of all wireless communication devices while driving. Additionally, the bill would have allowed for billing records to be admissible records in any scenario regardless of severity. There was no Senate companion legislation, and HB 91 was not considered during session.

## **Regional Planning Councils**

*SB 62 by Senator Bradley*

The bill repealed the Florida Regional Planning Council Act which establishes Florida's ten regional planning councils (RPCs), county participation requirements, and the councils' responsibilities. Statutory functions presently performed by RPCs are transferred to state agencies and local governments. While removing RPCs from state law, the bill authorized local governments to enter into interlocal agreements to create regional planning councils. Thus, RPCs that were initially created by interlocal agreement that are still in effect may continue in existence despite the proposed repeal. SB 62 cleared one out of three committee stops, however, there was no House companion.

## **Requirements for Establishing or Increasing Tolls**

*SB 1350 by Senator Jones and HB 205 by Representative Borrero*

The bills established requirements for increasing rates or development of tolls on a public highway located in a county with a population over one million. Before a tolling authority increased the rates, the board of county commissioners would have had to approve toll increases or development by a two-thirds vote. Neither bill received a hearing this session.

## **Electric Vehicles**

*SB 138 by Senator Brandes*

SB 138 required FDOT to establish the Electric Vehicle (EV) Infrastructure Grant Program to provide financial assistance to encourage the installation of publicly available electric vehicle charging infrastructure for electric vehicles, electric semi-trucks, and electric aircraft on public or private property. The legislation authorized state agencies, public universities, public transit agencies, ports, airports, and local governments to apply to FDOT for grants for technical assistance for the development and adoption of local or regional plans establishing charging infrastructure and for assistance with the purchase of related equipment and costs of installation. The bill set out required matching funds and sources and authorizes an applicant to partner with a private-sector entity to install charging infrastructure on private property in the jurisdiction of the applicant. The bill also amended current law relating to FDOT's development of a required EV Infrastructure Master Plan for development of electric vehicle charging station infrastructure along the State Highway System. SB 138 passed two of three committees of reference.

## **Fees/Electric Vehicles**

*SB 140 by Senator Brandes*

SB 140 is linked to SB 138 and would have created additional annual flat fees in addition to existing license taxes imposed by s. 320.08, F.S. For electric vehicles weighing less than 10,000 pounds, a flat fee of \$135 beginning July 1, 2021, increasing to \$150 beginning January 1, 2025. For electric vehicles weighing 10,000 pounds or more, \$235 beginning July 1, 2021, increasing to \$250 beginning January 1, 2025. For "plug-in hybrid electric vehicles," a \$35 flat fee beginning July 1, 2021, increasing to \$50 beginning January 1, 2025. Of the proceeds of the additional flat fee, 64 percent must be deposited into the STTF and 36 percent must be allocated

to the county where the vehicle is registered. Beginning in Fiscal Year 2023-2024, the funds deposited into the STTF would be allocated under SB 138 to fund the EV Infrastructure Grant Program. SB 140 passed two of three committees. The House companion bills, HB 817-Electric Vehicles by Representatives Plasencia and Toledo and HB 819-Fees/Electric Vehicles by Representatives Learned and Toledo were not considered by the House.

### **Transportation Projects**

*SB 1364 by Brodeur and HB 729 by Gregory*

The bills limited the amount of State Transportation Trust Fund revenues to be committed annually for public transportation projects to a maximum of 25%. The bills revised the amount of funding allocated by DOT to transportation construction and widening projects for the purchase of plant materials from 1.5% to “a portion.” The bills removed the requirement that 50% percent of funds allocated must be allocated for the purchase of large plant materials. Additionally, they required purchased plant materials to be grown in state and authorized DOT to enter into contracts for construction without advertising and receiving competitive bids when the work is necessary to repair or improve conditions on a roadway which may have contributed to fatalities on the road. Neither bill received a hearing.

### **Peer-to-peer car sharing**

*SB 708 by Brandes and HB 785 by Busatta Cabrera*

The bills provided motor vehicle insurance requirements for peer-to-peer car sharing. Neither bill received a hearing.

### **Tampa Bay Area Regional Transit Authority (TBARTA)**

*SB 1130 by Brandes*

The bill would have repealed multiple provisions of Florida Statute relating to the creation and operation of the authority of TBARTA. The bill dissolved TBARTA and required it to discharge its liabilities, settle and close its activities and affairs, and provide for the distribution of its assets. SB 1130 was not heard in committee.

### **Tampa Bay Regional Transit Authority (TBARTA)**

*SB 422 by Rouson and HB 389 Mariano*

The bills authorized the mayors of the largest municipalities within the service areas of the Pinellas Suncoast Transit Authority (St. Petersburg) and the Hillsborough Regional Transit Authority (Tampa) to designate alternates. The bills revised the quorum requirements for TBARTA’s board meeting, allowing for a simple majority of the TBARTA board to constitute a quorum. Additionally, the legislation provided that a simple majority of the voting members present, rather than seven members, are necessary for any action to be taken by the board. The bills renamed the TBARTA Metropolitan Planning Organization Chairs Coordinating Committee as the Chairs Coordinating Committee, modified its organization so it was no longer created within TBARTA, and deleted the requirement that TBARTA provide administrative support and direction to the committee. The bills also removed requirements that TBARTA present regional

transit development plans to the committee and coordinate plans and projects with the committee. Both bills were only considered in their first of three committees of reference.
