Mayor Kevin McCann seconded the motion, which passed unanimously.

## **IX. PRESENTATIONS AND STATUS REPORTS**

### **A. Presentation on Functional Classification & Urban Area Boundary Update Process**

Mr. Jason Learned, FDOT, gave presentation on FDOT's process for the functional classification of roadways and updating the urban area boundary. Mr. Learned provided information on the background of the process, a general schedule, and the update process. He noted that the Urban Areas are revised every 10 years based on population counts from the census, and the functional classification is reviewed and revised during that same time frame. Mr. Learned reviewed the functional classification method and hierarchy and provided information on the classification categories and mobility versus accessibility. In addition, he reviewed information comparing to FHWA ranges and application of functional classification. Mr. Learned provided a graphic detailing urban boundaries and functional classification and a table detailing urban boundaries and federal highway funding. He reviewed the schedule in detail, current activities, key players in the approval process, contact information and final considerations. Discussion ensued regarding changes to the urban/rural area boundaries.

### **B. Status Update on SunRail Transition**

Ms. Michelle Kendall, WSP, gave a status report on the transition of the management of the SunRail system from FDOT to local government jurisdictions. She reviewed the project history, the transition analysis framework, and operational analysis. Ms. Kendall provided information on proposed governance structure which included three options; the recommended option was to have LYNX take over operations. She noted that the Commuter Rail Commission will vote on the governance structure in September. Ms. Kendall reviewed the financial analysis including the local operating share, cost allocation, local operating share allocation, capital plan funding, revenue, cost comparison for the three governance options, and local allocation options. In addition, she detailed the activities necessary for implementation and next steps. Discussion ensued regarding projected DeLand station ridership, farebox issues, how will the expansion be handled, low ridership numbers for the Maitland station and the effect of working from home on commuter rail ridership.

### **C. Presentation on LYNX Transit Development Plan**

Mr. James Boyle, LYNX, gave a presentation on the latest Transit Development Plan (TDP). Mr. Boyle provided background information on the TDP. He told MAC members that the TDP incorporates the needs plans from the three-county area into an integrated multi-tiered network with a variety of services to meet those needs. He reviewed public outreach efforts, including the TDP survey results and goals. Mr. Boyle provided additional information on operating and capital costs, project schedule, and future planning projects. Discussion ensued regarding who to contact regarding bus stops.

#### OPTION 3: IN-PERSON – Wednesday, December 7, 2022 (5:30 p.m.)

You may participate in-person at the **AdventHealth Nicholson Center, 404 Celebration Place, Celebration, Florida 34747**. During registration, you will be asked if you want to make a verbal statement during the public comment period; you can also request to speak at the venue. If you desire to make a verbal statement, you will be called to a microphone by the hearing moderator at the appropriate time. Any questions will be answered outside of the Public Hearing's formal comment period. You will also be able to provide your verbal statements directly to a court reporter. The doors will open at 5:30 p.m. for review of the presentation boards and project documents. The formal Public Hearing will begin at 6:00 p.m. followed by the formal comment period.

## PROPOSED IMPROVEMENTS

The proposed improvements include widening the Western Beltway (SR 429) from north of I-4 to Seidel Road, Mile Post (MP) 1 to MP 11, from four lanes to eight lanes. Improvements to the existing interchanges at Sinclair Road (MP 1), US 192/SR 530 (MP 6), Western Way (MP 8), and Seidel Road (MP 11) are proposed. Additionally, a new interchange is proposed at Livingston Road.
