VI. Action Items for Review/Discussion

***Note:** The Governor's executive order allowing boards and committees in Florida to meet virtually without a quorum physically present due to COVID-19 concerns expired on October 31, 2020. At their meeting on September 9, 2020, the MetroPlan Orlando Board approved Resolution #20-15 which enables the MetroPlan Orlando advisory committees to continue to meet virtually in workshop sessions through the end of 2020. At these workshop sessions, the committees will review and discuss action items going to the Board and will provide informal consensus recommendations to the Board on the action items, but will not take formal action in order that a physical quorum will not be required. The committees will then take formal action to ratify the Board's actions at future in-person meetings.*

A. *November 5, 2020 MAC Meeting Minutes (Tab 1)*

The MAC will review and discuss the October 23, 2020 meeting minutes provided in **Tab 1** and make a consensus recommendation. The MAC will take formal action at a future in-person meeting to approve their recommendation.

B. *FDOT Amendment to FY 2020/21 - 2024/25 TIP (Tab 2)*

FDOT is requesting that the FY 2020/21 - 2024/25 TIP be amended to include a pedestrian lighting project, a traffic signal project, a LYNX project and a traffic operations project in downtown Orlando. Mr. Keith Caskey, MetroPlan Orlando staff, will present an overview of the amendment request. A letter from FDOT explaining the amendment request is provided in **Tab 2**, along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution to be presented at the December 9th Board meeting. The MAC will review and discuss the amendment request and provide a consensus recommendation to the Board. The MAC will take formal action at a future in-person meeting to ratify the Board's action on this item.

C. *2045 Metropolitan Transportation Plan Cost Feasible Plan (Tab 3)*

MetroPlan Orlando staff will be requesting approval of the 2045 Metropolitan Transportation Plan (MTP) Cost Feasible Plan and unfunded needs at the December 9th Board meeting. The Committee will review and discuss this request and provide a consensus recommendation to the Board. The Committee will take formal action at a future in-person meeting to ratify the Board's action on this item. Ms. Cynthia Lambert and Mr. Alex Trauger, MetroPlan Orlando staff, will review public comments on the MTP and changes that have been made to the Cost Feasible Plan since the preview was given at the October/November committee and Board meetings. The MTP Cost Feasible Plan is accessible at:
