PARKING GARAGE

The main entrance to our parking garage is at South St. and Boone Ave. (there is a secondary entrance on Church St.). The garage is named as 200 South Orange parking, but please **use 25 West South Street in your GPS to arrive at the correct entrance.** We suggest parking on floors 3-5.

The **Park Building elevators** are located mid-way on the east side of the garage and provide direct access to MetroPlan Orlando on the second floor. **Wheelchair access** is available on all levels of the garage via the Church St. elevators and ONLY on levels LL and G via the Park Building elevators.

Electric vehicle charging stations are available on the lower level of the parking garage. When entering the garage from South Street, use the far right parking ticket machine leading to the lower level. Continue all the way down the ramp to the four charging spaces, located on the right just past the Park Building elevators.

We validate parking for board/committee members and staff from partner organizations who use the 200 South Orange garage
