Note: The Governor's executive order allowing boards and committees in Florida to meet virtually without a quorum physically present due to COVID-19 concerns expired on October 31, 2020. At their December meeting, the MetroPlan Orlando Board approved Resolution #20-18 which enables the MetroPlan Orlando advisory committees to continue to meet virtually in workshop sessions through June 2021. This resolution supersedes Resolution #20-15. At these workshop sessions, the committees will review and discuss action items going to the Board and will provide informal consensus recommendations to the Board on the action items but will not take formal action in order that a physical quorum will not be required. The committees will then be taking formal action to ratify the Board's actions at future in-person meetings.

A letter from FDOT explaining the amendment request is provided in **Tab 2**, along with a fact sheet prepared by MetroPlan Orlando staff and the draft resolution to be presented at the March 10th Board meeting. The TAC will review and discuss the amendment request and provide a consensus recommendation to the Board.
