She told TAC members that the public is able to attend virtually and provided an overview of the public comment procedures.

## ***II. Confirmation of Quorum/Agenda Review/Staff Follow-Up***

Ms. Lisa Smith conducted the roll call and confirmed a quorum Mr. Caskey welcomed everyone and called attention to recent staff changes which included the addition of two new planners, Mr. Jason Sartorio and Mr. Slade Downs. He reported there were no changes to the agenda and noted that the October TAC meeting will include an Active Transportation Planning work session. Ms. Taylor Laurent, MetroPlan Orlando, spoke briefly about the work session.

## ***III. Common Presentations/Status Reports***

### ***A. Presentation on Functional Classification & Urban Area Boundary Update Process***

Ms. Alice Giuliani, FDOT, gave a presentation on FDOT's process for the functional classification of roadways and updating the urban area boundary. Ms. Giuliani provided information on the background of the process, a general schedule, and the update process. She noted that the Urban Areas are revised every 10 years based on population counts from the census, and the functional classification is reviewed and revised during that same time frame. Ms. Giuliani reviewed functional classification method and hierarchy, providing information on the functional classification categories and mobility versus accessibility. In addition, she reviewed information comparing to FHWA ranges and application of functional classification. Ms. Giuliani provided a graphic detailing urban boundaries and functional classification and a table detailing urban boundaries and federal highway funding. She reviewed the schedule in detail, current activities, key players in the approval process, contact information and final considerations. Discussion ensued regarding context classification versus functional classification.

### ***B. Status Report on SunRail Transition***

Ms. Michelle Kendall, WSP, gave status report on the transition of the management of the SunRail system from FDOT to local government jurisdictions. Ms. Kendall told TAC members that the tentative turnover date was June 2024. She reviewed the project history, the transition analysis framework, and operational analysis. Ms. Kendall provided information on proposed governance structure which included three options; the recommended option was to have LYNX take over operations. She noted that the Commuter Rail Commission will vote on the governance structure in September. Ms. Kendall reviewed the financial analysis including the local operating share, cost allocation, local operating share allocation, capital plan funding, revenue, cost comparison for the three governance options, and local allocation options. In addition, she detailed the activities necessary for implementation and next steps.

### ***C. Presentation on LYNX Transit Development Plan***

Mr. James Boyle, LYNX, gave a presentation on LYNX's latest Transit Development Plan. Mr. Boyle provided background information on the TDP. He told TAC members that the TDP incorporates the needs plans from the three-county area into an integrated multitiered network with a variety of services to meet those needs. He reviewed public outreach efforts, including the TDP survey results and goals. Mr. Boyle provided additional information on operating and capital costs, project schedule, and future planning projects. ### OPTION 1: VIRTUAL/ONLINE – Tuesday, December 6, 2022 (5:30 p.m.)

Once registered, you will receive a confirmation email including instructions on how to join the Public Hearing online. During registration you will be asked if you want to make a verbal statement during the formal comment period. If you desire to make a verbal statement, your microphone will be unmuted by the hearing moderator at the appropriate time. Any questions will be answered following the formal comment period. We are using the GoToWebinar platform for the online option. Please review the Public Hearing exhibits on the project website in advance of the Public Hearing. The Public Hearing webinar will begin at 5:30 p.m. with a formal presentation and informational video followed by the formal comment period. For technical assistance during the webinar, please contact [TPKMeetingSupport@dot.state.fl.us](mailto:TPKMeetingSupport@dot.state.fl.us).

### OPTION 2: BY TELEPHONE – Tuesday, December 6, 2022 (5:30 p.m.)

To join the Public Hearing in listen-only mode, please call 1 (914) 614-3221 and enter access code 280-307-429. Please review the Public Hearing exhibits on the project website in advance of the hearing. The line will open at 5:30 p.m. with a formal presentation and informational video followed by the formal comment period, which is limited to statements only. Any questions will be answered outside of the formal comment period. You can provide comments directly to the Project Manager, Michael Leo, before or after the Public Hearing.

### OPTION 3: IN-PERSON – Wednesday, December 7, 2022 (5:30 p.m.)

You may participate in-person at the **AdventHealth Nicholson Center, 404 Celebration Place, Celebration, Florida 34747**. During registration, you will be asked if you want to make a verbal statement during the public comment period; you can also request to speak at the venue. If you desire to make a verbal statement, you will be called to a microphone by the hearing moderator at the appropriate time. Any questions will be answered outside of the Public Hearing's formal comment period. You will also be able to provide your verbal statements directly to a court reporter. The doors will open at 5:30 p.m. for review of the presentation boards and project documents. The formal Public Hearing will begin at 6:00 p.m. followed by the formal comment period.

## PROPOSED IMPROVEMENTS

The proposed improvements include widening the Western Beltway (SR 429) from north of I-4 to Seidel Road, Mile Post (MP) 1 to MP 11, from four lanes to eight lanes. Improvements to the existing interchanges at Sinclair Road (MP 1), US 192/SR 530 (MP 6), Western Way (MP 8), and Seidel Road (MP 11) are proposed. Additionally, a new interchange is proposed at Livingston Road.
