You're Invited to a Public Hearing!

Come express your thoughts on the region's paratransit service

Why are you having a public hearing?

The Transportation Disadvantaged Local Coordinating Board (TDLCB) was created to identify local service needs and serves as an advisor to ACCESS LYNX, the paratransit service provider for Orange, Osceola, and Seminole counties. The TDLCB holds a public hearing each year to gather public input on the area's existing paratransit service.

What happens at the public hearing?

Each member of the public who attends and wishes to comment will have two minutes to speak to the TDLCB. Speakers must fill out a comment card when they arrive. The hearing will begin at 10 a.m. on Thursday, November 10, 2016 at the Marks Street Senior Recreation Complex, 99 E. Marks Street, Orlando, FL 32803

What if I want to comment, but can't attend the hearing?

The TDLCB will also be accepting written comments via mail and email until 5 p.m. on November 11, 2016. Comments should be mailed to: MetroPlan Orlando, 250 S. Orange Ave., Suite 200, Orlando, FL 32801. Email comments should be sent to info@metroplanorlando.com.

Eligible ACCESS LYNX TD Users should call (407) 423-TRIP (8747) by November 8 to reserve your free ride to and from the Riders Forum.

For more information, including accommodations available for those with special needs or persons requiring alternative language services, call Mary Ann Horne, (407) 481-5672, ext. 305.

PARKING AT THE MARKS STREET COMPLEX: Free parking, including disabled parking is available in front of and beside the complex. Due to construction, Marks Street is blocked at one end, so traffic to the complex must enter via Orange Avenue.
