## **Board Action Fact Sheet**

**Meeting Date:** September 13, 2017

**Agenda Item:** IX.A (Tab 3)

**Roll Call Vote:** Yes

**Action Requested:** FDOT requests approval of an amendment to the FY 2017/18 - 2021/22 Transportation Improvement Program (TIP) to include projects with funds rolling forward from FY 2016/17 to FY 2017/18.

**Reason:** This request is being made to ensure that the projects shown in the TIP are consistent with the projects shown FDOT's Five Year Work Program.

**Summary/Key Information:** Items of particular significance for our Committees and the Board are as follows:

- This amendment is a routine procedure that is done every year.
- The projects shown in the attached FDOT Roll Forward Report had funds originally programmed in FY 2016/17 and were therefore not included in FDOT's FY 2017/18 - 2021/22 Tentative Five Year Work Program (April 2017) that was used to develop the TIP adopted by the Board in July.
- The funding for these projects was not committed during FY 2016/17 and automatically rolled forward to FY 2017/18 in FDOT's FY 2017/18 - 2021/22 Adopted Five Year Work Program (July 2017).
- This amendment adds the funds rolling forward from FY 2016/17 to FY 2017/18 to the FY 2017/18 - 2021/22 TIP so the TIP will be consistent with the Five Year Work Program.
- This amendment does not affect the cost or schedule for the projects included in the Roll Forward Report.

RE: MetroPlan Orlando Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP), Annual Roll-Forward Amendment, Fiscal Years 2017/2018 to Fiscal Years 2021/2022.

The purpose of this letter is to request that MetroPlan Orlando Metropolitan Planning Organization (MPO) approve the Annual Roll-Forward Amendment to the adopted Transportation Improvement Program (TIP) for Fiscal Years 2017/2018 through 2021/2022 to reconcile differences between the TIP and the Florida Department of Transportation's (FDOT) Adopted Five Year Work Program. The Fiscal Years 2017/2018 through 2021/2022 TIP will take effect on October 1, 2017. Until then, the Fiscal Year 2016/2017 through 2020/2021 TIP will be used by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) for authorization of funding. This is a routine, annual process to assist MetroPlan Orlando MPO in identifying projects that were not committed in the previous Fiscal Year (2016/2017) and have automatically rolled forward into Fiscal Year 2017/2018 of the FDOT Work Program. This amendment ensures that year one of the TIP, adopted by the Board on July 12, 2017, matches year one of the Department's Adopted Work Program.

The affected projects submitted for the MPO's approval are listed in the attached Roll-Forward Report dated July 3, 2017.

If you should have any questions, please feel free to contact me at 386-943-5427.

Sincerely,

Kellie Smith

- Incorporating projects with funding that rolled forward from FY 2016/17 to FY 2017/18 into the 2017/18 - 2021/22 TIP, as described in the attached information, in order to ensure that the TIP is consistent with FDOT's FY 2017/18 - 2021/22 Adopted Five Year Work Program; and

## Board Action Fact Sheet

Meeting Date: September 13, 2017

Agenda Item: XX.X (Tab 4)

Roll Call Vote: Yes

**Action Requested:** FDOT requests approval of an amendment to the FY 2017/18 - 2021/22 Transportation Improvement Program (TIP) to include SunRail projects with funds rolling forward from FY 2016/17 to FY 2017/18.

**Reason:** This request is being made to ensure that the projects shown in the TIP are consistent with the projects shown FDOT's Five Year Work Program.

**Summary/Key Information:** Items of particular significance for our Committees and the Board are as follows:

- The SunRail projects shown in the attached letter had funds originally programmed in FY 2016/17 which were therefore not included in SunRail's FY 2017/18 - 2021/22 Tentative Five Year Work Program (April 2017) that was used to develop the Commuter Rail section of the TIP adopted by the Board in July.
- The funding for these projects was not committed during FY 2016/17 and automatically rolled forward to FY 2017/18 in SunRail's FY 2017/18 - 2021/22 Adopted Five Year Work Program (July 2017).
- This amendment adds the funds rolling forward from FY 2016/17 to FY 2017/18 to the FY 2017/18 - 2021/22 TIP so the TIP will be consistent with the Five Year Work Program.
- This amendment does not include any new funding and does not affect the cost or schedule for the SunRail projects included in the letter.

RE: MetroPlan Orlando Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP), Annual Roll-Forward Amendment, Fiscal Years 2017/2018 to Fiscal Years 2021/2022 for SunRail Projects

Dear Mr. <sup>Hurry</sup>Barley:

The purpose of this letter is to request that MetroPlan Orlando Metropolitan Planning Organization (MPO) approve the Annual Roll-Forward Amendment to the adopted Transportation Improvement Program (TIP) for Fiscal Years 2017/2018 through 2021/2022 to reconcile differences between the TIP and the Florida Department of Transportation's (FDOT) Adopted Five Year Work Program.

The Fiscal Years 2017/2018 through 2021/2022 TIP will take effect on October 1, 2017. Until then, the Fiscal Year 2016/2017 through 2020/2021 TIP will be used by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) for authorization of funding.

This is a routine, annual process to assist MetroPlan Orlando MPO in identifying projects that were not committed in the previous Fiscal Year (2016/2017) and have automatically rolled forward into Fiscal Year 2017/2018 of the FDOT Work Program. This amendment ensures that year one of the TIP, adopted by the Board on July 12, 2017, matches year one of the Department's Adopted Work Program.

The affected projects submitted for the MPO's approval follow.

If you should have any questions, please feel free to contact me at 321-257-7162.

Sincerely,

  
Nicola A. Liquori, CPA

## Board Action Fact Sheet

**Meeting Date:** September 13, 2017

**Agenda Item:** IX.A (Tab 5)

**Roll Call Vote:** Yes

**Action Requested:**

FDOT requests approval of an amendment to the FY 2017/18 - 2021/22 Transportation Improvement Program regarding the Hoagland Blvd. four-laning and realignment projects. Board approval is requested for Resolution No. 17-08.

**Reason:**

FDOT is switching funding categories and adding additional funding for the construction phase of the two Hoagland Blvd. projects due to updated cost estimates. The cost increase is associated with materials cost due to the bridge replacements. Benefits of completing the Hoagland Blvd. project include:

- Accommodating current and projected traffic
- Providing safe pedestrian and bicycle facilities
- Improving overall safety within the corridor
- Providing better access to Kissimmee Gateway Airport

**Summary/Key Information:**

Items of particular significance for our Committees and the Board are as follows:

- For the four-laning of the segment of Hoagland Blvd. from US 17/92 to north of Shingle Creek, the amendment changes the total construction funding from \$7.5 million in FY 2017/18 to \$9.7 million in FY 2017/18, an increase of \$2.2 million. The new cost of \$9.7 million is split evenly between state CIGP funds and local funds from Osceola County. This amendment increases the local share to this segment of the project by \$906,705.
- For the four-laning and realignment of the segment of Hoagland Blvd. from north of Shingle Creek to 5<sup>th</sup> Street, the amendment changes the total construction funding from \$11.5 million in FY 2017/18 to \$30.2 million in FY 2017/18 and FY 2018/19, an increase of \$18.7 million. Osceola County local funds cover 37% (\$11,131,928) of the new cost of \$30.2 million; MetroPlan Orlando ACSU funds cover 63% (\$19,100,161) of the cost. The ACSU funds are for construction only and cannot be used for any other project phase. The ACSU funds are made available to MetroPlan Orlando as we make progress in spending our SU allocation, demonstrating good faith in having projects ready so that we can make good use of additional funds that are not spent by other metropolitan areas. When the ACSU funds are made available to us, we are under pressure to obligate them quickly or risk losing them. We had no other projects on our approved Prioritized Project List, either on-system or off-system, ready to advance to construction and make use of these funds in a timely manner.
