

Bike & Ped Count

HELP US FIND OUT WHO'S ON THE STREETS!

MetroPlan Orlando needs volunteers to help count pedestrians and bicyclists at key locations around the metro area. These counts will measure effects of infrastructure improvements (such as SunRail, crosswalks and bikeways) and land use changes on pedestrians and cyclists.

We will be counting in 2-hour blocks in September at several locations. Volunteers will receive T-shirts, water bottles and other goodies for their efforts.

MANDATORY TRAINING SESSION

Monday, September 8, at 5:30 p.m.

WEEKDAY COUNT

Thursday, September 11, from 5-7 p.m.

SATURDAY COUNT

Saturday, September 13, from noon-2 p.m.
